

THERE IS ANOTHER SKY

BY EMILY DICKINSON

There is another sky,
Ever serene and fair,
And there is another sunshine,
Though it be darkness there;
Never mind faded forests, Austin,
Never mind silent fields -
Here is a little forest,
Whose leaf is ever green;
Here is a brighter garden,
Where not a frost has been;
In its unfading flowers
I hear the bright bee hum:
Prithee, my brother,
Into my garden come!

Worthy a Friend SICHANGWA ANDREW,2014-10-29 *Worthy A Friend* is a book written upon realizing that most of the people often think that the causes of modern social problems from divorce to homelessness and conflicts are created by poverty Overlooking something crucial i e friendship it appears that our societies are ignoring the importance of friendship The philosophy behind *Worthy a Friend* is to help the world appreciate the reality that In poverty and other misfortunes of life true friends are a sure refuge It keeps the young out of mischief it comfort and aid the old in their weakness and it incite those in the prime of life to noble deeds Friendship is vital for wellbeing and it is the only glue that can stick the world together yet it takes time to develop and cant be artificially created Worth A Friend recommends carrying out personal friendship audit in order to recognize which friendships provide important things one need then to sharpen each friendship in line with its strength It discuss on how close friendship can be a mirror of your own self it adds that friendship is also important in politics and business because it cultivates the virtues such as creativity and compassion which are essential to a flourishing society It concludes that if we cultivate friendship we can lift some of the burden from our apparently unhappy isolated selves **The Juvenile Instructor** ,1913 **Annual Report of the Secretary of the State Horticultural Society of Michigan** Michigan State Horticultural Society,1879 Annual Report of the Secretary of the State Pomological Society of Michigan State Pomological Society of Michigan,1879 **The Ladies' Repository** ,1850 Biennial Report of the Superintendent of Public Instruction Washington (State).
