Floating World In Japanese Fiction Select Bibliographies Series:

Select List of Recent Publications East-West Center. Library, 1963 *Introducing Japan Through Books* Japan. Gaimushō. Jōhō Bunkakyoku, 1973 **A Collector's Guide to Books on Japan in English** Jozef Rogala, 2001 Provides an invaluable and very accessible addition to existing biographic sources and references not least because of the supporting biographies of major writers and the historical and cultural notes provided **The Floating World in Japanese Fiction** Howard Hibbett, 1959 Criticism of the tales of the Ukiyo or floating world with selections reflecting manners morals and arts of the Genroku era 1680 1740 Illustrated with the familiar ukiyo e woodcuts **Books on Japan** Shin'ichi Ichimura, Tōru Yano, 1974 **A Selected List of Books on Japan in Western Languages (1945-1960)** Tōyō Bunko (Japan). Tōyōgaku Infomēshon Sentā, 1964 *Writers of Multicultural Fiction for Young Adults* M. Daphne Kutzer, 1996-01-09 Multicultural fiction is an essential part of the American literary landscape This reference helps scholars teachers and librarians choose significant texts from both the past and present and provides guidance in approaching multicultural issues as they are discussed in fiction for young adults Included are entries for 51 writers some of whom have nearly been forgotten others who are just emerging Each entry provides biographical critical and bibliographical information while a general bibliography of works on multicultural literature concludes the book Authors included range from the nearly forgotten such as Laura Adams Armer to the newly discovered such as Graham Salisbury winner of the 1994 Scott O Dell Award for Historical Fiction The breadth of authors covered ensures an historical context for the issues raised by multiculturalism and the sections on the critical reception of each author address such important issues as the authority and authenticity of the writer to comment on a different culture Contributors are of many different ethnicities and include important scholars of children's literature lending authenticity and authority to the volume itself *Asian American Culture* Lan Dong, 2016-03-14 Providing comprehensive coverage of a variety of Asian American cultural forms including folk tradition literature religion education politics sports and popular culture this two volume work is an ideal resource for students and general readers that reveals the historical regional and ethnic diversity within specific traditions An invaluable reference for school and public libraries as well as academic libraries at colleges and universities this two volume encyclopedia provides comprehensive coverage of a variety of Asian American cultural forms that enables readers to understand the history complexity and contemporary practices in Asian American culture The contributed entries address the diversity of a group comprising people with geographically discrete origins in the Far East Southeast Asia and the Indian subcontinent identifying the rich variations across the category of Asian American culture that are key to understanding specific cultural expressions while also pointing out some commonalities Entries are organized alphabetically and cover topics in the arts education and politics family and community gender and sexuality history and immigration holidays festivals and folk tradition literature and culture media sports and popular culture and religion belief and spirituality Entries also broadly cover Asian American origins and history

regional practices and traditions contemporary culture and art and other forms of shared expression Accompanying sidebars throughout serve to highlight key individuals major events and significant artifacts and allow readers to better appreciate the Asian American experience *Beginning Ethnic American Literatures* Helena Grice,2001-06-23 This text is designed to

introduce students not only to ethnic American writers but also to the cultural contexts and literary traditions in which their work is situated **The Japanese Experience** W. G. Beasley,2000-08-31 An authoritative history of Japan from the sixth century to the present day and of a society and culture with a distinct sense of itself one of the few nations never conquered by a foreign power in historic times until the 12th century 35 illustrations **Accomplices of Silence** Masao Miyoshi,1974

Manga from the Floating World Adam Kern,2020-11-23 The first full length study in English of the kiby shi a genre of woodblock printed comicbook widely read in late eighteenth century Japan that became an influential form of political satire The volume is copiously illustrated with rare prints from Japanese archival collections Provided by publisher **Japan and**

Britain After 1859 Olive Checkland,2003-08-29 This book examines the two way bridge building cultural exchange which took place between Japan and Britain in the years after 1859 and into the early years of the twentieth century *Japan and the Shackles of the Past* R. Taggart Murphy,2014-11-07 Japan is one of the world s wealthiest and most technologically advanced nations and its rapid ascent to global power status after 1853 remains one of the most remarkable stories in modern world history Yet it has not been an easy path military catastrophe political atrophy and economic upheavals have made regular appearances from the feudal era to the present Today Japan is seen as a has been with a sluggish economy an aging population dysfunctional politics and a business landscape dominated by yesterday s champions Though it is supposed to be America s strongest ally in the Asia Pacific region it has almost entirely disappeared from the American radar screen In *Japan and the Shackles of the Past* R Taggart Murphy places the current troubles of Japan in a sweeping historical context moving deftly from early feudal times to the modern age that began with the Meiji Restoration Combining fascinating analyses of Japanese culture and society over the centuries with hard headed accounts of Japan s numerous political regimes Murphy not only reshapes our understanding of Japanese history but of Japan s place in the contemporary world He concedes that Japan has indeed been out of sight and out of mind in recent decades but contends that this is already changing Political and economic developments in Japan today risk upheaval in the pivotal arena of Northeast Asia inviting comparisons with Europe on the eve of the First World War America s half completed effort to remake Japan in the late 1940s is unraveling and the American foreign policy and defense establishment is directly culpable for what has happened The one apparent exception to Japan s malaise is the vitality of its pop culture but it s actually no exception at all rather it provides critical clues to what is going on now With insights into everything from Japan s politics and economics to the texture of daily life gender relations the changing business landscape and popular and high culture *Japan and the Shackles of the Past* is the indispensable guide to understanding Japan in all its complexity *Light Verse from the Floating World* ,1999-10-06 Similar

in form to the well known more serious haiku the satirical and often humorous poems known as senryu have received little scholarly attention because most were written by anonymous amateur poets and were therefore considered popular literature unworthy of serious study Senryu are interesting however precisely because they reflect the thoughts and feelings of ordinary townspeople in a way that other more orthodox types of Japanese literature do not In his introduction on the nature and historical background of the form Makoto Ueda explores the elements of humor and satire contained in senryu highlighting the mores that lie behind the laughter the poems evince Collecting 400 eighteenth and nineteenth century poems with the romanized Japanese verse presented at the bottom of each page *Light Verse from the Floating World* is divided into thematic sections each preceded by a short introduction satirical senryu aimed at people of the ruling warrior class and civilians of various professions senryu on human relationships between young lovers husband and wife parent and child or family members of different generations poems on townspeople enjoying themselves in the amusement district ridicule of well known historical figures and poems on the poets general outlook on life Replete with keen observations on the human world rather than the natural one this first comprehensive anthology in English translation of this major genre of Japanese literature will appeal to scholars and students of Japanese culture as well as general readers of poetry *From Book to Screen* Keiko I. McDonald, 2016-09-16 Of all the world's cinemas Japan's is perhaps unique in its closeness to the nation's literature past and contemporary The Western world became aware of this when Akira Kurosawa's *Rashomon* was awarded the Grand Prize at the Venice film festival in 1951 and the Oscar for best foreign film in 1952 More recent examples include Shohei Imamura's *Eel* which won the Palm d'Or Best Picture at Cannes in 1997 *From Book to Screen* breaks new ground by exploring important connections between Japan's modern literary tradition and its national cinema The first part offers an historical and cultural overview of the working relationship that developed between pure literature and film It deals with three important periods in which filmmakers relied most heavily on literary works for enriching and developing cinematic art The second part provides detailed analyses of a dozen literary works and their screen adoptions **Handbook to Life in Medieval and Early Modern Japan** William E. Deal, 2007 This book is an introduction the Japanese history culture and society from 1185 the beginning of the Kamakura period through the end of the Edo period in 1868 **Modern Japan** Louis G. Perez, R. W. Purdy, 2024-05-30 Organized by theme this comprehensive encyclopedia examines all aspects of life in Japan from geography and government to food and etiquette and much more Japan or the Land of the Rising Sun is home to more than 126 million people nearly 10 million of whom live in Tokyo alone How did this tiny island nation become such a powerhouse in the 21st century and where will it go from here *Modern Japan* examines history and contemporary life through thematic entries organized into chapters covering such topics as geography history government and politics economy religion and thought social classes and ethnicity gender marriage and sexuality education language etiquette literature and drama art and architecture music and dance food leisure and sports and media and popular culture Each

chapter contains an overview of the topic and alphabetized entries on examples of each theme A chronology covers from prehistoric times to the present and special appendices offer profiles of a typical day in the life of representative members of Japanese society key facts and figures about Japan and a holiday chart This volume is ideal for students researching Japan as well as general readers interested in learning more about the country Painters and Politics in the People's Republic of China, 1949-1979 Julia Frances Andrews, Andrews, Julia Frances Andrews, Center for chinese studies (Ann Arbor, Mich.), 1994-01-01 That Julia Andrews has reached sources that are so sensitive and difficult with such success is remarkable The book is unquestionably a brilliant job well written understandable and of enormous scholarly value Joan Lebold Cohen author of *The New Chinese Painting* Asian American Literature Keith Lawrence, 2021-08-25 Asian American Literature An Encyclopedia for Students is an invaluable resource for students curious to know more about Asian North American writers texts and the issues and drives that motivate their writing This volume collects in one place a breadth of information about Asian American literary and cultural history as well as the authors and texts that best define it A dozen contextual essays introduce fundamental elements or subcategories of Asian American literature expanding on social and literary concerns or tensions that are familiar and relevant Essays include the origins and development of the term Asian American overviews of Asian American and Asian Canadian social and literary histories essays on Asian American identity gender issues and sexuality and discussions of Asian American rhetoric and children s literature More than 120 alphabetical entries round out the volume and cover important Asian North American authors Historical information is presented in clear and engaging ways and author entries emphasize biographical or textual details that are significant to contemporary young adults Special attention has been given to pioneering authors from the late 19th century through the early 1970s and to influential or well known contemporary authors especially those likely to be studied in high school or university classrooms
