Huge, flat, and completely featureless . . . well, we could have just called this set "Blank Map Sheets." But this is more fun.

This packet contains six sheets, the same size as those in all our other floor plans . . . two-sided, with hexes on one side and squares on the other . . . but except for that, they're completely blank. Use them to expand or customize any Floor Plan or Deck Plan, or create your own!

Or use them as is for a parking lot, football field, warehouse . . . Never mind. We'll stop now.
