Capitalism and Its Critics John Cassidy, 2025-05-13 A Financial Times Most Anticipated Book of 2025 A sweeping dramatic history of capitalism as seen through the eyes of its fiercest critics At a time when artificial intelligence climate change inequality trade wars and a right wing populist backlash to globalization are raising fundamental questions about the economic system Capitalism and Its Critics provides a kaleidoscopic history of global capitalism from the East India Company and Industrial Revolution to the digital revolution But here John Cassidy a staff writer at The New Yorker and a Pulitzer Prize finalist adopts a bold new approach he tells the story through the eyes of the system s critics From the English Luddites who rebelled against early factory automation to communists in Germany and Russia in the early twentieth century to the Latin American dependistas the international Wages for Housework campaign of the 1970s and the modern degrowth movement the absorbing narrative traverses the globe It visits with familiar names Smith Marx Luxemburg Keynes Polanyi but also focuses on many less familiar figures including Flora Tristan the French proponent of a universal labor union Thomas Carlyle the conservative prophet of the moral depredations of the market John Hobson the original theorist of imperialism J C Kumarappa the Indian exponent of Gandhian economics Eric Williams the Trinidadian author of a famous thesis on slavery and capitalism Joan Robinson the Cambridge economist and critic of Keynes and Samir Amin the leftist French Egyptian economist and analyst of globalization Blending rich biography panoramic history and lively exploration of economic theories Capitalism and Its Critics is true big history that illuminates the deep roots of many of the most urgent issues of our time

Feminism and the Politics of Travel After the Enlightenment Yaël Schlick, 2012-01-12 Taking the Enlightenment and the feminist tradition to which it gave rise as its historical and philosophical coordinates Feminism and the Politics of Travel After the Enlightenment explores the coincidence of feminist vindications and travel in the late eighteenth and nineteenth centuries the way travel s utopian dimension and feminism s utopian ideals have intermittently fed off each other in productive ways Travel s gender politics is analyzed in the works of J J Rousseau Mary Wollstonecraft St phanie F licit de Genlis Germaine de Sta l Frances Burney Flora Tristan Suzanne Voilquin Gustave Flaubert George Sand Robyn Davidson and Sara Wheeler *Women Founders of the Social Sciences* Lynn McDonald, 2013-12-01 Ground breaking and original this book debunks the myth that empirical social science has been dominated by its male founders and methodologists The author re analyses the critical role British French and American women played in creating the field from the 16th through the early 20th centuries Included are Mary Astell Mary Wollstonecraft Harriet Martineau Beatrice Webb Catharine Macauley Florence Nightingale Madame de Sta l and Jane Addams **Citizens and Saints** Gregory Claeys, 2002-05-02 This book examines the emergence of early socialist ideas focusing on British Owenite socialism *Radicalism and Reputation* Michael J. Turner, 2017-04-01 A thematic analysis of the career of Bronterre O'Brien one of the most influential leaders of Chartism this

book relates his activities and the Chartist movement to broader themes in the history of Britain Europe and America during the nineteenth century O'Brien 1804-64 came to be known as the schoolmaster of Chartism because of his efforts to describe and explain its intellectual foundations The campaign for the People's Charter with its promise of political democratization was a highpoint in O'Brien's career as writer and orator but he was already well known before the campaign began and during the 1840s he distanced himself from other Chartist leaders and from several important Chartist initiatives This book examines the personal tactical and ideological reasons for O'Brien's departure as well as his development of a social and economic agenda to accompany constitutional Chartism in line with the evolution of radical thought after the Great Reform Act of 1832 It also evaluates O'Brien's reputation among his contemporaries and among modern historians in order better to understand his contribution to radicalism in Britain and beyond *The Mysteries of the Cities* Stephen Knight, 2011-11-08 A popular crime genre in the nineteenth century urban mysteries have largely been ignored ever since This historical and critical text examines the origins of the innovative genre which grappled with the rise of enormous anonymous cities beginning in France in 1842 then spreading rapidly across the continent and to America and Australia Writers covered include Eugene Sue George Reynolds Paul Feval George Lippard Ned Buntline and Donald Cameron **Llewellyn Castle** Gary R. Entz, 2022-05-17 In 1869 six London families arrived in Nemaha County Kansas as the first colonists of the Workingmen's Cooperative Colony later fancifully renamed Llewellyn Castle by a local writer These early colonists were all members of Britain's National Reform League founded by noted Chartist leader James Bronterre O'Brien As working class radicals they were determined to find an alternative to the grinding poverty that exploitative liberal capitalism had inflicted on England's laboring poor Located on 680 acres in northeastern Kansas this collectivist colony jointly owned all the land and its natural resources with individuals leasing small sections to work The money from these leases was intended for public works and the healthcare and education of colony members The colony floundered after just a few years and collapsed in 1874 but its mission and founding ideas lived on in Kansas Many former colonists became prominent political activists in the 1890s and the colony's ideals of national fiscal policy reform and state ownership of land were carried over into the Kansas Populist movement Based on archival research throughout the United States and the United Kingdom this history of an English collectivist colony in America's Great Plains highlights the connections between British and American reform movements and their contexts Mill and Paternalism Gregory Claeys, 2013-05-09 Giving prominence for the first time to Mill's abiding concern with Malthusianism and its impact on his key arguments respecting liberty Mill and Paternalism explores Mill's strong commitment to population control popular education feminism and the leading role of intellectual elites alongside his overarching interests in both liberty and equality *The Spectacle of Nature* Nicholas Green, 1990 Explores the perception of nature in early 19th century France The book centres on a discussion of subjectivity and class and the way in which the process of looking at the countryside reinforced the identity of the metropolitan bourgeoisie and especially men

The Long Sexual Revolution Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility. Most sexual activity had major economic and social costs, the most fundamental of which was the physical cost of children upon women's bodies. Around 1800 birth rates reached historical heights. Using a combination of demographic and qualitative sources, Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century. Contraception became a viable option in the early twentieth century. The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s.

Literature of Travel and Exploration Jennifer Speake, 2014-05-12 Containing more than 600 entries, this valuable resource presents all aspects of travel writing. There are entries on places and routes: Afghanistan, Black Sea, Egypt, Gobi Desert, Hawaii, Himalayas, Italy, Northwest Passage, Samarkand, Silk Route, Timbuktu; writers: Isabella Bird, Ibn Battuta, Bruce Chatwin, Gustave Flaubert, Mary Kingsley, Walter Raleigh, Wilfrid Thesiger; methods of transport and types of journey: balloon, camel, grand tour, hunting, and big game expeditions; pilgrimage, space travel, and exploration; genres: buccaneer narratives, guidebooks, New World chronicles, postcards, companies and societies: East India Company, Royal Geographical Society, Society of Dilettanti; and issues and themes: censorship, exile, orientalism, and tourism. For a full list of entries and contributors, a generous selection of sample entries, and more, visit the *Literature of Travel and Exploration* An Encyclopedia website.

In Darkest London Jamieson Ridenhour, 2013 During the 19th century, London was a complex, vibrant, and multi-faceted city, the first true metropolis. As such, it contained within it a widely disparate array of worlds and cultures. Representations of London in literature varied just as widely. In the late 1830s, London began appearing as a site of literary terror, and by the end of the century, a large proportion of the important Victorian Gothic revival novels were set in the city: *The Strange Case of Dr Jekyll and Mr Hyde*, *The Picture of Dorian Gray*, *The Three Impostors*, *The Beetle*, *Dracula*, and many others. *In Darkest London* is a full-length study of the Victorian Urban Gothic, a pervasive mode that appears not only in straightforward novels of terror like those mentioned above but also in the works of mainstream authors such as Charles Dickens and in the journalism and travel literature of the time. In this volume, author Jamieson Ridenhour looks beyond broad considerations of the Gothic as a historical mode to explore the development of London and the concurrent rise of the Urban Gothic. He also considers very specific aspects of London's representation in these works and draws upon recent and then contemporary theories, close readings of relevant texts, and cartography to support and expand these ideas. This book examines the work of both canonical and non-canonical authors, including Dickens, Bram Stoker, Robert Louis Stevenson, G. W. M. Reynolds, Richard Marsh, Arthur Machen, Marie Belloc Lowndes, and Oscar Wilde, placing the conventions of the Gothic form in their proper historical context. *In Darkest London* will appeal to scholars and students interested in an in-depth survey of the Urban Gothic.

The Theory of Revolution in the Young Marx Michael Lowy, 2020-11-09 This book proposes a Marxist analysis of young Marx's intellectual

evolution from left neo Hegelianism to his new philosophy of praxis It distinguishes itself from most other books on the early Marx by its object the theory of proletarian revolutionary self emancipation and its method to understand the movement of Marx s political and philosophical ideas in relation to the most radical currents in the labour movement of his time beginning with Chartism and the uprising of the Silesian weavers in 1844 The central theoretical argument of the author is that Marx s philosophy of praxis first formulated in the Thesis on Feuerbach is at the same time the founding stone of a new world view and the methodological basis for the theory of revolutionary self emancipation For the paperback version of this title please go to <http://www.cbsd.com/detail.aspx?Inventory=17323> British Women's History ,1996 This is one of a series of bibliographical guides designed to meet the needs of undergraduates postgraduates and their teachers in universities and colleges of further education All volumes in the series share a number of common characteristics They are selective manageable in size and include those books and articles which are considered most important and useful All are edited by practising teachers of the subject in question and are based on their experience of the needs of students The arrangement combines chronological with thematic divisions Most of the items listed receive some descriptive comment **Education in England and Wales** Franklin Parker,Betty June Parker,2018-02-06 Originally published in 1991 this title was begun just before passage of the Education Reform Act of 1988 ERA 88 which was implemented in the 1990s This major act along with still in force provisions of the 1944 Education Act with its 17 amendments comprises the statutes governing education in England and Wales The study reflects both the criticism and the praise showered on that important legislation particularly in the Brief History and School Structure sections and in Chapter 1 with its longer than usual annotations on ERA 88

Starved for Light Christian Warren,2024-11-20 A wide ranging history of rickets tracks the disease s emergence evolution and eventual treatment and exposes the backstory behind contemporary worries about vitamin D deficiency Rickets a childhood disorder that causes soft and misshapen bones transformed from an ancient but infrequent threat to a common scourge during the Industrial Revolution Factories mills and urban growth transformed the landscape Malnutrition and insufficient exposure to sunlight led to severe cases of rickets across Europe and the United States affecting children in a variety of settings dim British cities and American slave labor camps moneyed households and impoverished ones By the late 1800s it was one of the most common pediatric diseases seemingly an intractable consequence of modern life *Starved for Light* offers the first comprehensive history of this disorder Tracing the efforts to understand prevent and treat rickets first with the traditional remedy of cod liver oil then with the application of a breakthrough corrective industrially produced vitamin D supplements Christian Warren places the disease at the center of a riveting medical history one alert to the ways society shapes our views on illness Warren shows how physicians and public health advocates in the United States turned their attention to rickets among urban immigrants both African Americans and southern Europeans some concluded that the disease was linked to race while others blamed poverty sunless buildings and cities or cultural preferences in diet and

clothing Spotlighting rickets role in a series of medical developments Warren leads readers through the encroachment on midwifery by male obstetricians the development of pediatric orthopedic devices and surgeries early twentieth century research into vitamin D appalling clinical experiments on young children testing its potential and the eventual commercialization of all manner of vitamin D supplements As vitamin D consumption rose in the mid twentieth century rickets previously a major concern for doctors parents and public health institutions faded in its severity and frequency and as a topic of discussion But despite the availability of drugstore supplements and fortified milk small numbers of cases still appear today and concerns and controversies about vitamin D deficiency in general continue to grow Sweeping and engaging *Starved for Light* illuminates the social conditions underpinning our cures and our choices helping us to see history's echoes in contemporary prescriptions

Woman to Woman Mary Waldron, 2010 The collection is in honor of Mary Waldron a founder member of the Women's Studies Group whose distinguished scholarship is exemplified in the first chapter and whose generous encouragement of other specialists in feminist studies in the long eighteenth century

France at the Crystal Palace Whitney Walton, 2023-12-22 Whitney Walton approaches the nineteenth century French industrial development from a new perspective that of consumption She analyzes the French performance at the Crystal Palace Exhibition of 1851 to illustrate how bourgeois consumers influenced France's distinctive pattern of industrial development She also demonstrates the importance of consumption and gender in class formation and reveals how women influenced industry in their role as consumers Walton examines important consumer goods industries that have been rarely studied by historians such as the manufacture of wallpaper furniture and bronze statues Using archival sources on household possessions of the Parisian bourgeoisie as well as published works she shows how consumers' taste for fashionable artistic well made furnishings and apparel promoted a specialization unique to nineteenth century France Whitney Walton approaches the nineteenth century French industrial development from a new perspective that of consumption She analyzes the French performance at the Crystal Palace Exhibition of 1851 to illustrate how bourgeois consumers influenced France
