El Verdadero Lenguaje Del Amor / the True Language of Love Freddie Caballeros, 2008-10-19 as I turned the pages I found myself stripping the leaves off that writer's soul one by one and comprehending each stanza with all its pain and happiness I realized what true pleasure was That was when I appreciated whom he was paying tribute to his muse They are two hearts two humans two lives brought together by the same story but torn apart by distance and misunderstanding the ending leaves us questioning our own decisions Mathematics logic magic spells romance passion madness it is a glance into the past that leaves us simply breathless it is a fascinating experience that leads the reader step by step through love's inscrutable paths There is a moment where the reader without any other word begins to grope along the language of first love Freddie Caballeros gives us a spin into life's roulette wheel where the protagonists undress a passionate revealing and captivating tale Jazmin Santiago
