Fee, 2002-01-01 The third edition of this handbook provides a step by step guide to writing an exegetical paper on the New Testament It takes into account the latest advances in methodology as well as resources 10 illustrations A General Sketch of the New Testament in the Light of Christ and the Church Witness Lee, 1999 *The Catholic Comparative New Testament* Oxford University Press, 2005 The Catholic Comparative New Testament features eight complete Catholic New Testaments translated by dedicated scholars and gathered into a single convenient volume This edition includes both word for word translations of the scripture as well as thought for thought translations Readers can compare verses at a glance with facing page translations four translations per page in a clear easy to read typeface The CCNT features four word for word translations Douay Rheims Revised Standard Version Catholic Bible New Revised Standard Version Catholic Bible and the New American Bible These translations follow as closely as possible the New Testament's original wording making them perfect for close readings of the text The Jerusalem Bible the Good News Bible the New Jerusalem Bible and the Christian Community Bible represent the thought for thought school of Bible translation These translations emphasize the intended meaning of the original vocabulary adapting it to English syntax and grammar making it easier to understand for the lay reader The Catholic Comparative New Testament offers the most unique and informed way of reading scripture with its eight different translations Beautifully printed on the highest quality material the CCNT is an excellent study guide for the value **The Ministry, Vol. 09, No. 02** Various Authors, 2005-02-01 This issue of The Ministry contains a complete record of the nine messages given in Auckland New Zealand during the International Training for Elders and Responsible Ones in October 2004 The general subject of these messages is the uniqueness of the Lord's recovery see The Ministry February 2004 and June 2004 The burden for these messages can be summarized in the following fellowship from Message One from excerpts of Practical Talks to the Elders by Witness Lee We don't know how long the coming days will be only the Lord knows But for as long as the Lord carries the recovery will be on this earth With these future days and future new ones especially in mind I feel there needs to be a basic vision or basic knowledge of the Lord's recovery Just five years ago a distraction came in which confused some dear ones who were concerned for the Lord's recovery Since such a thing could happen in the past right before our eyes how can we have the assurance that such a thing will not be repeated in the future Thus while the Lord still grants me the days I would like to do as much as I can to put things clearly into writing Then the dear ones who are in and who will be brought into the

Lord's recovery can have a clear view about what it is pp 51-52 God is unique His plan is unique His work is unique His way to carry out His work is unique And the very instrument used for His way is the ministry Thus this ministry is also unique In the New Testament there is the unique Christ the unique way and the unique focus to carry out the unique circumference the church by the unique ministry p 57 In the Lord's recovery we are doing one work carrying out one ministry We are serving one Lord worshipping one God We are in His unique plan in His unique economy in His unique work in His unique way We minister His unique focus p 60 If we are not in the focus and if we do not experience what we preach to others we face two perils One sooner or later there will be divisions Two if we don't practice the focal points the saints have no way to practice them The things we teach will eventually become doctrines in the Lord's recovery There will be no reality The recovery will be just empty If we don't care for the Lord's recovery by paying heed to all these unique points then we will care for the spreading of our work To care for the spread of our work is dangerous It will produce different works to build up different ministries Then division will result I am fearful and trembling of these two perils the peril of different works being produced to cause division and the peril of emptiness pp 62-63 May the Lord speak to us in these messages to show us the uniqueness of His recovery May the Lord keep us secure in this vision and may He keep His recovery from division and from emptiness Last of all in the sections regarding reports and announcements we include a schedule of the upcoming conferences and trainings in Europe for 2005
