Object Mary Jo Hiney, 2002 If the name Mary Jo Hiney is on the cover the projects inside are sure to be fabulous Instructions diagrams and photographs couldn't be easier to follow The projects include pins decorative items like treasure chests beaded fruit embellished vases and bottles ornaments flowers a pillow wreaths garlands everyday adornments bouquets a lamp shade a set of bug bobby pins and more Creative Crafter Little Monsters Helene Brembeck, Karin M. Ekström, Magnus Mörck, 2007 This book is about stories of consumption beyond the culture economy divide By bringing along Actor Network Theory entities that in conventional approaches are taken for granted such as consumers goods and companies proves to be unstable assemblages of humans goods and technologies We meet materialistic children and parents creating an intimate moment at McDonald's car poolers trying to get out of the grip of individual transportation young couples imagining a home in that odd reversal of private space the furniture store and grown men practicing a hobby so close to childhood that it causes unease These and other examples line that up as our monsters ready to act out the drama Considering that actor network theory has its roots in narratology of Algirdas Greimas 1917-1992 what better use can one imagine for it than its application to the tales of consumption In the best ANTian style the book refuses to label people things and phenomena with

the received names The message is wait until the end of the story to see whether or not a big company wins over small consumers or if behind a bewitching trademark hides a good fairy or a wicked witch This collection challenges most of the common places about consumption production markets and consumers **Gather at Home** Monika Hibbs,2020-03-10 NATIONAL BESTSELLER Popular blogger and lifestyle influencer Monika Hibbs shares her favourite recipes and crafts to bring thoughtful touches to all of life s moments big or small Monika Hibbs has found joy in planning gatherings since she was a little girl but it s not just the hallmark occasions she spends time thinking about Over the years she has learned just how important it is to slow down and savour life s simple everyday moments in addition to the holidays and milestones In Gather at Home Monika Hibbs shares her favourite relaxed and easy ways to make your everyday moments and seasonal celebrations special Use Monika s collection of over 100 simple recipes crafts and do it yourself projects conveniently divided by season to turn your Friday family games night Mother s Day brunch holiday dinner or outdoor evening barbecue into something memorable and to create other effortless moments that your friends and family will cherish for years to come You ll find breakfast lunch dinner and dessert ideas to fit the mood of every season as well as crafts and do it yourself projects you can easily get the kids involved with Draw inspiration from the lush photography and add Monika s extra special touches to make every moment a well crafted one that will show your family and friends just how much you care **Seattle**
