Discover how to connect with your unicorn guides, raise your vibration, advance on your ascension path, and attract more love, light, healing, and happiness. Unicorns are beings of the angelic realms who are returning to Earth to aid us on our path to ascension. They bring messages of hope and remind us to stay positive as we prepare for a golden future. Diana Cooper, world renowned angel ascension and Atlantis expert, has been communicating with unicorns for over a decade and showing others how to connect with these beings. In this book, she teaches you how to connect with your unicorn and recognize the signs of its presence, call unicorns into your dreams, and learn to interpret their messages. Work with your unicorn to heal your personal, family, and ancestral karma, discover your soul purpose, and invoke your unicorn to illuminate it. Create a unicorn crystal grid for blessings and healing. Through the meditations, visualizations, and journaling exercises included in each chapter, you will become attuned to the unicorns' light energy and begin to see positive shifts in your life. **The Wonder of Unicorns** Diana Cooper,2019-11-05 A guide to engage with the majesty and wisdom of unicorn energy. Reveals the role of unicorns in our soul involvement today, as well as in legends and myths, and explains how they open our hearts, offer protection and support, and inspire us to choose actions for the highest benefit of all. Provides many exercises, meditations, ceremonies, dream work practices, and games to help you consciously connect with your unicorn, raise your energetic level, and spiritually progress on your journey to enlightenment. Shares anecdotes and real-life stories of people meeting unicorns and experiencing their energy. Fully of the angelic realms, unicorns live in the seventh dimension, the seventh heaven. These beautiful creatures are aspects of the divine in the same way angels are. While angels work through the heart, unicorns work with the soul and help you fulfill your pre-life contracts through their energy. In *The Wonder of Unicorns*, Diana Cooper explains ancient myths and legends of these amazing energetic beings from a higher spiritual perspective. Who are they? These seventh-dimensional creatures of myth and magic. Where do they stand in the angelic hierarchy, and what is their role with regard to us humans? How can you meet and engage with them as an individual? These magical beings of light, absent from the Earth for many centuries, are now returning to guide humanity on their spiritual path. Prevalent in the times of Atlantis, unicorns open hearts through bringing in joy, wisdom, and healing. They offer protection and support and inspire us to choose actions for the highest benefit of all. Consciously connecting and working with your unicorn will enable you to raise your energetic level and assist you on your journey to enlightenment. Create a unicorn humming ball, engage in a unicorn healing, or join in dream.

makes friends it didn't expect to

Summary There are whispered secrets and magic in the Whispering Woods a place full of old stories and mysteries Aurelia a unicorn has a strong feeling that she is not alone and people think she is the last of her kind She is going on an adventure that will take her into the unknown and beyond the limits of her world This is Aurelia's first trip and it's full of challenges that test her bravery faith and love The woods are magical and full of wonder They hide dangers in the dark roads that lead to the impossible and answers to long lost mysteries Aurelia on the other hand is brave at all times because her heart is as bright as the stars Along her journey she makes friends with many interesting and different animals so she is never alone These rare but important bonds become her strength and shield against the tough parts of the trip As Aurelia and her friends go deeper into the Whispering Woods they find out long kept secrets and face hard truths that change how they see the world and themselves Aurelia's strong belief in her goal comes from her deep positivity and the joy of her friendships It gets stronger with each step she takes Aurelia's adventure comes to an end and it changes not only her but the whole world Her idea of where she fits in the world is called into question when she learns that old secrets and unicorn magic have much deeper effects than she thought This finding shows that starts are more important than ends and that all woodland creatures are connected by a magic that lasts At its core this book is a celebration of love hope and a never ending desire to explore The story of Aurelia shows us how important it is to believe in the impossible how strong friendship is and how magical we all are It's a lesson that even when you feel lonely and uncertain you're never really alone And that the magic we seek is often closer than we think thanks to friendship's protective forces and the willingness to take risks

Chapter 1 The First Whisper In a made up forest called Whispering Woods the trees used to talk and the wind used to sing its own tunes This magical place was home to Aurelia a horse who was different from all the others Imagine a unicorn that was so beautiful that her coat looked like the soft fluffy snow that falls on a peaceful winter day Her hair which fell to the base of her neck sparkled with every color of the sky at dawn casting a pink orange and gold glow around her In addition to being beautiful Aurelia was unique because she was thought to be the last horse that ever lived The older unicorns used to tell her stories about when they were younger that made her laugh They told stories about a time when unicorns roamed the fields openly and laughed so hard that their hooves sparkled like music Everything around them stayed bright and beautiful because of their magic and they lived quietly in the magical forest But as time went on and things changed one by one the unicorns left leaving only Aurelia behind At least that's what most people thought Even so Aurelia never gave up hope She thought that maybe there were more unicorns out there hidden in the world's vastness Aurelia lived in the Whispering Woods and spent her days figuring out what was going on there She would ride like the wind run through the thorns and jump over the moving water She lived in the woods and could hear her friends talking and whispering secrets on the wind and in the sound of leaves moving The birds would sing songs for her as she went by and the flowers would get lighter to try to match the colors in her hair Aurelia felt lonely sometimes and longed for someone of her own kind to be with her But she was never

really alone The forest and its animals were part of her family As they talked they showed how the sea played beautiful music and the earth touched the sky in the other world After reading each story Aurelia wanted to find more people who were like her even more She wanted to find a nice place for unicorns to live where magic was common and she wouldn't have to be the only one left living With magic at her feet and hope in her heart Aurelia chose to go on the biggest adventure of her life She would look at every sunny hill whispering forest and secret valley until she found the answers she was looking for So our story starts with Aurelia a unicorn who is excited to see the world and maybe find out that she wasn't the last unicorn after all

Chapter 2 The Voice That Doesn't Speak

In our magical story Aurelia the horse would have her whole world turned upside down in one night Picture a lovely forest that is lit by the moon's soft silvery light This was a glade a rare open space surrounded by trees The moonlight danced across the ground making it look like everything was sparkling She was enjoying the peace and beauty of the night as she walked through this glade Her robe was as white as the moonlight In the middle of all this silence something very strange happened Someone told Aurelia something in a whisper Because it was so soft and nice it was almost like the breeze was talking It said Not alone but Aurelia couldn't make it out over the sound of the wind blowing leaves This voice didn't sound dangerous but it was strange because it seemed to come from everywhere For Aurelia who thought of herself as a unicorn these two words meant the world Is that right Not alone Does another unicorn call her from somewhere The voice made her feel something It was like a ray of hope making her heart beat faster and her fierce hungry interest grow What was being said Besides that where were they Aurelia understood that she needed to do some studying She chose to do what the voice said It was hard to make this choice because the voice didn't come from a clear direction It seemed to come from everywhere like a whisper in the wind Aurelia on the other hand was firm She paid close attention and tried to figure out where the voice was taking her Each rustle of the leaves could be a hint making the wind feel like a player in a game of hide and seek Think about Aurelia the beautiful magical horse who walks slowly through the woods at night listening for a voice that only she can hear She walked slowly and the happiness and surprise in her eyes shone With each step her journey through the Whispering Woods a place full of old magic and secrets brought her closer to the puzzle The voice which seemed to say not alone gave Aurelia hope for a fresh start and the chance to find what she had always wanted people who were like her and a place where she belonged As Aurelia followed the muttering into the dark trees at night she felt mixed emotions She had a lot of hope but she was also scared Or was she just making it up What if she never found where the voice came from She was driven though by the thought of making friends maybe even a unicorn family A mysterious voice in the twilight shadows led them on an emotional trip as they looked for who they were and how they could connect with others

Chapter 3 What the Fox Told Us

Aurelia met a new person while following the mysterious voice through the magical Whispering Woods at night This new friend would have a huge impact on the task she was on This friend was a fox named Flicker not a unicorn like she was In the dark of night picture a fox whose fur sparkled and shone like a soft fire

Because of this Flicker changed into a magical fox and lit the way with his burning light Flicker is a thoughtful and smart person who has learned many secrets about the Whispering Woods from animals that have lived there for generations When he saw Aurelia he knew she was on a very important mission and decided to warn her Flicker told Aurelia that there were risks in the lower parts of the forest He talked about dangerous animals that hid in the dark waiting for a chance to attack or trick anyone who went outside without being careful
