Flugschriftenliteratur 1848 In Berlin:

Europe in 1848 Dieter Dowe, Heinz-Gerhard Haupt, Jonathan Sperber, 2001-01-01 The events of 1989 90 in Europe demonstrated the renewed relevance of the mid nineteenth century uprisings both by showing once again how a revolutionary initiative could quickly spread through different European countries but also by calling into question the nature of revolution and the criteria for a revolution s success and failure To commemorate the 1848 revolution in a spirit of renewed critical inquiry an international team of prominent historians have come together to produce what must be the most comprehensive work on this topic to date and to offer a synthesis that sums up the current state of scholarly research emphasizing the many new interpretations that have developed over several decades [Constructing the Memory of War in Visual Culture since 1914](#) Ann Murray, 2018-01-03 This collection provides a transnational interdisciplinary perspective on artistic responses to war from 1914 to the present analysing a broad selection of the rich complex body of work which has emerged in response to conflicts since the Great War Many of the creators examined here embody the human experience of war first hand witnesses who developed a unique visual language in direct response to their role as victim soldier refugee resister prisoner and embedded or official artist Contributors address specific issues relating to propaganda wartime femininity and masculinity women as war artists trauma the role of art in soldiery memory art as resistance identity and the memorialisation of war *American Jewry* Christian Wiese, Cornelia Wilhelm, 2016-11-03 American Jewry explores new transnational questions in Jewish history analyzing the historical cultural and social experience of American Jewry from 1654 to the present day and evaluates the relationship between European and American Jewish history Did the hopes of Jewish immigrants to establish an independent American Judaism in a free and pluralistic country come to fruition How did Jews in America define their relationship to the Old World of Europe both before and after the Holocaust What are the religious political and cultural challenges for American Jews in the twenty first century Internationally renowned scholars come together in this volume to present new research on how immigration from Western and Eastern Europe established a new and distinctively American Jewish identity that went beyond the traditions of Europe yet remained attached in many ways to its European origins **German History, 1770-1866** James J. Sheehan, 1989 Now available in paperback this is a uniquely authoritative study of Germany from the mid eighteenth century to the formation of the Bismarckian Reich James J Sheehan gives an extensive account of social and cultural as well as political developments and shows that the creation of a Prussian led nation state should not be seen as natural or inevitable He shows how German history in this period was shaped by three separable yet closely linked developments the rise of sovereign territorial states the expansion of economic activity and social mobility and the emergence of a literary culture **The Sociolinguistic Economy of Berlin** Theresa Heyd, Ferdinand von Mengden, Britta Schneider, 2019-10-08 This volume explores the linguistic diversity and language variation in Berlin The analytical focus is on the emergence of linguistic cultural political and spatial discourses and communities or discursive and

institutional responses to these The volume provides new insights into language in its local but transnationally conditioned socio economic embeddedness ZEITGEIST UND ZERRBILD Frazer Stephen Clark,2006 Based on the author s thesis Ph D University of Oxford 2002 Flugschriften 1848 in Berlin Sigrid Weigel,2017-12-18 Print Markets and Political Dissent James M. Brophy,2024-06-05 Moving book history in a new direction this study examines publishers as brokers of Central Europe s political public sphere They created international print markets translated new texts launched new journals supported outspoken authors and experimented with popular formats Most of all they contested censorship with finesse and resolve thereby undermining the aim of Prussia and Austria to criminalize democratic thought By packaging dissent through popular media publishers cultivated broad readerships promoted political literacy and refashioned citizenship ideals As political actors intellectual midwives and cultural mediators publishers speak to a broad range of scholarly interests Their outsize personalities their entrepreneurial zeal and their publishing achievements portray how print markets shaped the political world The narrow perimeters of political communication in the late absolutist states of Prussia and Austria curtailed the open market of ideas The publishing industry contested this information order working both within and outside legal parameters to create a modern public sphere Their expansion of print markets their cat and mouse game with censors and their ingenuity in packaging political commentary sheds light on the production and reception of dissent Against the backdrop of censorship and police surveillance the successes and failures of these citizens of print tell us much about nineteenth century civil society and Central Europe s tortuous pathway to political modernization Cutting across a range of disciplines this study will engage social and political historians as well as scholars of publishing literary criticism cultural studies translation and the public sphere The history of Central Europe s print markets between Napoleon and the era of unification doubles as a political tale It sheds important new light on political communication and how publishers exposed German language readers to the Age of Democratic Revolution

Representing Social Precarity in German Literature and Film Sophie Duvernoy,Karsten Olson,Ulrich Plass,2023-10-05 Using Germany as a national case study this volume examines the historical genesis of precarity its evolution from 19th century industrial modernity to the present and its reflections and reconfigurations in artistic production in particular with relation to work gender and sexuality Precarity is everywhere now sociologist Pierre Bourdieu declared almost thirty years ago Not only declining middle class standards of living but also debt drug addiction housing and food insecurity depression and deaths of despair are now being recognized as symptoms of the downward pull of social precarity Although these and similar ills have been attributed to neoliberal policies of deregulation privatization and willful neglect of the common good precarization has accompanied the booms and busts of industrial modernity from its beginnings Representing Social Precarity in German Literature and Film explores how German and Austrian literature film and social history have engaged with social precarity from the period of Romanticism and early industrialization to the present The chapters in this volume deal with precarity as both an objective phenomenon reflected in

literary and filmic representations and as a subjective phenomenon that gives these representations their particular shape

Representing Social Precarity in German Literature and Film opens new critical perspectives on diverse forms of lived precarity and their creative manifestations by reflecting on the history of capitalist modernity from the vantage points of weakness vulnerability marginality impoverishment and otherness **Berlin-Bibliographie, 1978-1984** Ute Schäfer,Rainald Stromeyer,Renate Korb,Dorothea Reinhold,Ursula Scholz,Frances Toma,2018-02-19 Keine ausf hrliche Beschreibung f r Berlin Bibliographie 1978 1984 verf gbar **Berlin-Bibliographie, 1967-1977** Ursula Scholz,Rainald Stromeyer,2018-02-19 Keine ausf hrliche Beschreibung f r Berlin Bibliographie 1967 1977 verf gbar Die Märzrevolution in Berlin als "mediale Revolution"?
