Escape From The Killing Fields One Girl Who Survived The Cambodian Holocaust:

Escape from the Killing Fields Nancy Kay Moyer,1991 Escape from the Killing Fields tells the true story of Ly Lorn a young Cambodian woman caught up in the genocide that took place in the 1970s The lone Christian in her Buddhist family Ly Lorn s love of God illuminated her walk through that horrible valley of death that was Cambodia *Why Did They Kill?* Alexander Laban Hinton,2005 This is an ethnographic examination and an appraisal of the Cambodian genocide under Pol Pot based on the author s long fieldwork in the area **Genocide** Linda Jacobs Altman,2009-01-01 Examines the history of genocide throughout the world including the Holocaust and explores the definition of the term the importance of bearing witness and the necessary steps to prevent genocide in the future Provided by publisher The Vision Thing Thomas Singer,2014-01-14 Contemporary politics goes on at a mythic level This is the provocative argument put forward in this unique book which results from the collaboration of practising politicians organisational and political consultants scholars of mythology and culture and Jungian analysts from several countries The first part of the book focuses on leadership and vision and features a reflection on myth and leadership by former U S Senator Bill Bradley The second part deals with the way the theme of the one and the many works itself out in politics today From the perspective of the many there are chapters on factionalism ethnic strife genocide and multiculturalism From the perspective of the one there are chapters on the economic myth and gender politics showing how these bring coherence to today s confused political scene culminating in the suggestion that the modern political psyche is itself in the midst of a rite of passage The relevance of the book to the practice and study of politics mainstream and marginal cannot be overemphasised and the book will provide stimulating reading for practitioners and students in these areas as well as for those engaged in psychological work such as therapy counselling or analysis *Violence* Catherine Besteman,2002-06 This multi disciplinary anthology explores the topic of violence from a wide variety of perspectives It looks at state violence anti state violence and criminal violence such as armed robbery Genocides by the Oppressed Nicholas A. Robins,Adam Jones,2009-05-12 In the last two decades the field of comparative genocide studies has produced an increasingly rich literature on the targeting of various groups for extermination and other atrocities throughout history and around the contemporary world However the phenomenon of genocides by the oppressed that is retributive genocidal actions carried out by subaltern actors has received almost no attention The prominence in such genocides of non state actors combined with the perceived moral ambiguities of retributive genocide that arise in analyzing genocidal acts from below have so far eluded serious investigation Genocides by the Oppressed addresses this oversight opening the subject of subaltern genocide for exploration by scholars of genocide ethnic conflict and human rights Focusing on case studies of such genocide the contributors explore its sociological anthropological psychological symbolic and normative dimensions Grace after Genocide Carol A. Mortland,2017-05-01 Grace after Genocide is the first comprehensive ethnography of Cambodian refugees charting their struggle to transition from life in agrarian Cambodia to

survival in post industrial America while maintaining their identities as Cambodians The ethnography contrasts the lives of refugees who arrived in America after 1975 with their focus on Khmer traditions values and relations with those of their children who as descendants of the Khmer Rouge catastrophe have struggled to become Americans in a society that defines them as different The ethnography explores America s mid twentieth century involvement in Southeast Asia and its enormous consequences on multiple generations of Khmer refugees *Forthcoming Books* Rose Arny,1992 *Cambodia Emerges from the Past* Judy Ledgerwood,2002 **Subject Guide to Books in Print** ,1993 *Bending with the Wind* Bounchoeurn Sao,Diyana D. Sao,Karline F. Bird,2014-01-10 Before the Khmer Rouge takeover of Cambodia in April 1975 Sao Bounchoeurn and San Bounriem grew up in idyllic though vastly different circumstances After a secondary education Bounchoeurn entered the army joined the Special Forces and worked for the Americans He became a slave laborer after the fall of Phnom Penh and eventually escaped to Thailand In another part of Cambodia Bounriem lived happily spoiled and uneducated Fleeing from the advancing Khmer Rouge she arrived at the same refugee camp as Bounchoeurn where they met married and immigrated to America This riveting memoir chronicles the couple s childhoods their lives under the Khmer Rouge their journeys to Thailand and later the United States and their efforts to forge a new life This remarkable tale offers an intimate look inside the terrors of the Khmer Rouge and an inspiring portrait of the immigrant experience in America Encyclopedia of Youth And War Victoria Sherrow,2000 Contains over three hundred alphabetically arranged entries that examine the impact of war on young people around the world at different times in history from the Thirty Years War 1618 1648 through the late twentieth century Expressions of Cambodia Leakthina Chau-Pech Ollier,Tim Winter,2006-10-19 Taking a theoretical and multidisciplinary perspective the essays in this collection provide compelling insight into contemporary Cambodian culture at home and abroad The book represents the first sustained exploration of the relationship between cultural productions and practices the changing urban landscape and the construction of identity and nation building twenty five years after the fall of the Khmer Rouge regime As such the team of international contributors address the politics of development and conservation tradition and modernity within the global economy and trans migratory movements of the twenty first century Expressions of Cambodia presents a new dimension to the Cambodian studies by engaging the country in current debates about globalization and the commodification of culture post colonial politics and identity constructions Timely and much needed this volume brings Cambodia back into dialogue with its neighbours and in so doing valuably contributes to the growing field of Southeast Asian cultural studies **The Barter Economy of the Khmer Rouge Labor Camps** Scott Pribble,2023-07-21 Pribble investigates the barter economies that developed in many of the labor camps established under the Khmer Rouge in Cambodia When the Khmer Rouge abolished currency and markets in 1975 starving Cambodians created underground exchanges in labor camps throughout the country bartering luxury items for food and other necessities while simultaneously undermining the regime s ideological goals of eliminating any traces of capitalism in Democratic Kampuchea Pribble asserts

three key points about the barter economy in the Khmer Rouge labor camps First the underground exchanges in Democratic Kampuchea provided food and medicine for desperate people subsisting under a totalitarian regime saving the lives of countless Cambodians Second bartering was the riskiest way to obtain food because it was dependent upon the discretion of two or more individuals from different social classes under the threat of violent punishment thereby altering the social dynamics of the camps Finally despite the regime's extreme efforts to eliminate foreign influence from the country and impose communist ideology on millions of citizens basic forms of market capitalism and a demand for superfluous luxury goods persisted in labor camps throughout the country A fascinating study of the human consequences of imposing rigid ideology that will be of particular interest to scholars and students of political history and Southeast Asian history The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons
