Bhagavad Gita P.V.S. SURYANARAYANA RAJU, 2012-05-14 Bhagavad Gita is a holy book for Hindus Maha Bharat war happened over a dispute for kingdom between Kauravas and Pandavas and Lord Krishna is on the side of Pandavas as Arjuna s charioteer Arjuna wanted to have a look before the beginning of war and seeing all his cousins on the enemy side he thought Is this war worth fighting killing all the relatives just for the sake of kingdom and went into despair and told Lord Krishna that he is no longer interested in this war But Krishna turned Arjuna s despair in a creative way into a longing for truth by telling him Bhagavad Gita In this Holy book Lord Krishna told lot of things about self inquiry and author wants to share them with you

Self-inquiry in Bhagavad Gita vol1 P.V.S. SURYANARAYANA RAJU, 2012-05 Though man has freedom to see the whole truth he is not utilizing that opportunity and instead he is wasting precious human life in indulging and accumulating trivia Ours is a sensate culture We have to recognize the truth in its totality and find our centre of our being Self inquiry is a journey from half truth to whole truth We leave the half truths only through understanding of it but not by avoiding them If you avoid them deep down you still have some hopes in half truths Renunciation means understanding the nature of half truth and finding for ourselves that there is no enduring happiness and peace in them and so never get attached to them Once you are free from identity from half truths you will land in the whole truth which is the sky of pure conscious being and you will be blissful without any effort on your part Effort is just a mental activity Effort creates its own frontiers objectives its own limitations
