Espionage And Subversion In An Industrial Society:

Espionage and Subversion in an Industrial Society Peter Hamilton, 2023-03-24 First Published in 1967 *Espionage and Subversion in an Industrial Society* presents a comprehensive overview of the true significance of industrial espionage and its relationship with the struggle for economic supremacy of a nation Industrial espionage is a growth industry and the new battlefield where nations and ideologies struggle for economic supremacy This and subversive activity may seem relatively harmless in comparison with a hot war It is however precisely because the temperature of an all out war would destroy the civilization we know that industrial espionage and subversion assume importance In this book Mr Hamilton has combined his own extensive security knowledge with thorough research in his subjects This is an interesting read for scholars of diplomacy international economics and international politics
