INTRODUCTION In the present edition of Thomas Davis it is designed to offer a selection of his writings more fully representative than has hitherto appeared in one volume The book opens with the best of his historical studies his masterly vindication of the much maligned Irish Parliament of James II Next follows a selection of his literary historical and political articles from The Nation and other sources and finally we present a selection from his poems containing it is hoped everything of high and permanent value which he wrote in that medium The Address to the Historical Society and the essay on Udalism and Feudalism which were reprinted in the edition of Davis's Prose Writings published by Walter Scott in 1890 are here omitted the former because it seemed possible to fill with more valuable and mature work the space it would have taken and the latter because the cause which it was written to support has in our day been practically won Udalism will inevitably be the universal type of land tenure in Ireland and the real problem which we have before us is not how to win but how to make use of the institution a matter with which Davis in this essay does not concern himself The life of Thomas Davis has been written by his friend and colleague Sir Charles Gavan Duffy and an excellent abridgment of it appears as a volume in the New Irish Library In the latter easily available form it may be hoped that there are few Irishmen who have not made themselves acquainted with it It is not therefore necessary to deal with it here in much detail Davis was born in Mallow on October 14th 1814 His father who came of a family originally Welsh but long settled in Buckinghamshire had been a surgeon in the Royal Artillery We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a

significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience      **Thomas Davis** Thomas Davis,1918      Thomas Davis Thomas Davis,1922

**Thomas Davis, Selections from His Prose and Poetry** Thomas Osborne Davis,2018-08-14 Thomas Davis Selections from his Prose and Poetry by Thomas Osborne Davis In the present edition of Thomas Davis it is designed to offer a selection of his writings more fully representative than has hitherto appeared in one volume The book opens with the best of his historical studies his masterly vindication of the much maligned Irish Parliament of James II Next follows a selection of his literary historical and political articles from The Nation and other sources and finally we present a selection from his poems containing it is hoped everything of high and permanent value which he wrote in that medium The Address to the Historical Society and the essay on Udalism and Feudalism which were reprinted in the edition of Davis s Prose Writings published by Walter Scott in 1890 are here omitted the former because it seemed possible to fill with more valuable and mature work the space it would have taken and the latter because the cause which it was written to support has in our day been practically won Udalism will inevitably be the universal type of land tenure in Ireland and the real problem which we have before us is not how to win but how to make use of the institution a matter with which Davis in this essay does not concern himself The life of Thomas Davis has been written by his friend and colleague Sir Charles Gavan Duffy and an excellent abridgment of it appears as a volume in the New Irish Library In the latter easily available form it may be hoped that there are few Irishmen who have not made themselves acquainted with it It is not therefore necessary to deal with it here in much detail Davis was born in Mallow on October 14th 1814 His father who came of a family originally Welsh but long settled in Buckinghamshire had been a surgeon in the Royal Artillery His mother Mary Atkins came of a Cromwellian family settled in the County Cork It does not seem an altogether hopeful kind of ancestry for an Irish Nationalist and his family were as a matter of fact altogether of the other way of thinking But the fact that his great grandmother on the maternal side was a daughter of The O Sullivan Beare may have had a counteracting influence if not through the physical channel of heredity at least through the poet s imagination As a child Davis was delicate in health sensitive dreamy awkward and passed for a dunce It was not until he had entered Trinity College that the passion for study possessed him This passion had manifestly been kindled in the first instance by the flame of patriotism but how and when he first came to break loose from the traditional politics of his family we have no means of knowing unless a gleam of light is thrown on the matter by a saying of his from a speech at Conciliation Hall I was brought up in a mixed seminary where I learned to know and knowing to love my countrymen We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out

*Thomas Davis* Thomas Davis, 1914 *Literary and Historical Essays (Classic Reprint)* Thomas Davis, 2015-07-06 Excerpt from *Literary and Historical Essays* In this volume I have endeavoured to do for Thomas Davis what I once hoped to see him do for himself to gather together such of his historical and literary Miscellanies as were mainly devoted to the illustration of Ireland I have done so with care and reverence and I believe they will be found to make a rich and suggestive book and one with a true soul in it In selecting them I kept in view as I know he would have desired not fame for the dead but usefulness to the living I chose such as were most likely to awaken and instruct the People and contribute to the purpose for which Davis lived He has written nothing wanting vitality and power but those who have still to become familiar with his writings must not think they have materials for an estimate of him here He has done greater and more striking things This is but the reflection of one phasis of his mind About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
