Becoming a Manager Linda A. Hill, 2019-02-26 Making the leap to management and leadership In your career or anyone's there is one transition that stands out as the most crucial going from individual contributor to competent manager New managers have to learn how to lead others rather than do the work themselves to win trust and respect to motivate and to strike the right balance between delegation and control Many fail to make the transition successfully In this timeless indispensable book Harvard Business School professor and leadership guru Linda Hill traces the experiences of nineteen new managers over the course of their first year in the role She reveals the complexity of the transition highlighting the expectations of these managers their subordinates and their superiors We hear the new managers describe how they reframed their understanding of their roles and responsibilities how they learned to build effective cross functional work relationships how and when they used individual and organizational resources and how they learned to cope with the inevitable stresses of leadership Hill vividly shows that becoming a manager is a profound psychological adjustment a true transformation as well as a continuous process of learning from experience **Becoming a Manager** a veritable treasury of essential leadership wisdom is a book you will turn to again and again no matter where you are on your career journey

Doing Prison Work Elaine M Crawley, 2013-01-11 This book provides a much needed sociological account of the social world of the English prison officer making an original contribution to our understanding of the inner life of prisons in general and the working lives of prison officers in particular As well as revealing how the job of the prison officer and of the prison itself is accomplished on a day to day basis the book explores not only what prison officers do but also how they feel about their work In focusing on how prison officers feel about their work this book makes a number of interesting revelations about the essentially domestic nature of much of the work they do about the degree of emotional labour invested in it and about the performance nature of many of the day to day interactions between officers and prisoners Finally the book follows the prison officer home after work showing how the prison can spill over into their home lives and family relationships Based on extensive ethnographic fieldwork in different types of prisons including interviews with prison officers wives and children as well as prison officers themselves this book will be essential reading for all those with an interest in how prisons and organisations more generally operate in practice

Social Psychology of the Work Organization (RLE: Organizations) Arnold Tannenbaum, 2013-05-02 This book discusses social psychological research in organizations and illustrates the implications of this research for organizational theory and practice The book focuses on the relationship of man to the organization in which he works his sense of satisfaction involvement feelings of identification or loyalty conflicts and tensions as well as his effort in support of or opposition to the formally defined goals of the organization

Library, 1972 *Tourist*

Customer Service Satisfaction Francis Noe, Muzaffer Uysal, Vincent Magnini, 2010-10-04 Customer satisfaction and loyalty in the tourism sector is highly dependent upon the behaviours of front line service providers Service is about people how they relate to one another fulfill each other's needs and ultimately care for each other Yet surprisingly there are few or any books which focus on the detailed specifics of the social exchange and interaction between the service provider and customer Tourist Customer Service Satisfaction fully explores this relationship by defining the specific kind of verbal and non verbal messages needed for successful exchanges outlining how the service provider ought to behave cope in a situation as well as detailing positive approaches that enhance a service provider's role performance The book uses encounter theory to examine the customer provider relationship as well as drawing on current research and theories from hospitality tourism management psychology bodies of literature In doing so the book offers important insight into how employee centric competitive advantage in this sector can be achieved in various markets This book is unique in its approach by focusing on the specifics

of the social exchange and interaction between the service provider and customer It therefore offers a novel synthesis of knowledge on service satisfaction in the tourism sector which will serve as valuable pedagogical and research reference for students and academics interested in hospitality and tourism **Catalog of Copyright Entries.
