subjugation of Africa Godfrey Mwakikagile,2019-10-04 The author looks at the imperial conquest of Africa and the devastating impact it has had and continues to have on her people It includes conquest of the mind which he contends is the worst form of imperial subjugation The work is also about the destiny of Africa which is being partly shaped by the forces of globalisation beyond the capacity of Africans to resist or control The author contends this is the era of a new form of imperialism globalisation its euphemism dominated by the big powers and other industrialised nations to the detriment of Africa s well being **General Jan Smuts And his First World War in Africa (1914-19-17)** David Brock

Katz,2022-08-24 An engaging well written and meticulously researched military biography Tim Stapleton Professor Department of History University of Calgary Jan Smuts grabbed the opportunity to realise his ambition of a Greater South Africa when the First World War ushered in a final scramble for Africa He set his sights firmly northward upon the German colonies of South West Africa and East Africa Smuts s abilities as a general have been much denigrated by his contemporaries and later historians but he was no armchair soldier He first learned his soldier s craft under General Koos de la Rey and General Louis Botha during the South African War 1899 1902 He emerged from that conflict immersed in Boer manoeuvre doctrine After forming the Union Defence Force in 1912 Smuts played an integral part in the German South West African campaign in 1915 Placed in command of the Allied forces in East Africa in 1916 he led a mixed bag of South Africans and imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppen His penchant for manoeuvre warfare and mounted infantry freed most of the vast German territory from Lettow Vorbeck s grip General Jan Smuts and his First World War in Africa provides a long overdue reassessment of Smuts s generalship and his role in furthering the strategic aims of South Africa and the British Empire during this era **Africa Practical Travel Insights** William Jones,

General Jan Smuts and his First World War in Africa, 1914-1917 David Brock Katz, 2022-05-19 A new assessment of Jan Smuts s military leadership through examination of his World War I campaigning demonstrating that he was a gifted general conversant with the craft of maneuver warfare and a command style steeped in the experiences of his time as a Boer general World War I ushered in a renewed scramble for Africa At its helm Jan Smuts grabbed the opportunity to realize his ambition of a Greater South Africa He set his sights upon the vast German colonies of South West Africa and East Africa the demise of which would end the Kaiser s grandiose schemes for Mittelafrika As part of his strategy to shift South Africa s borders

inexorably northward Smuts even cast an eye toward Portuguese and Belgian African possessions Smuts his abilities as a general much denigrated by both his contemporary and then later modern historians was no armchair soldier This cabinet minister and statesman donned a uniform and led his men into battle He learned his soldiery craft under General Koos De la Rey s tutelage and another soldier statesman General Louis Botha during the South African War 1899 1902 He emerged from that war immersed in the Boer maneuver doctrine he devastatingly waged in the guerrilla phase of that conflict His daring and epic invasion of the Cape at the head of his commando remains legendary The first phase of the German South West African campaign and the Afrikaner Rebellion in 1914 placed his abilities as a sound strategic thinker and a bold operational planner on display Champing at the bit he finally had the opportunity to command the Southern Forces in the second phase of the German South West African campaign Placed in command of the Allied forces in East Africa in 1916 he led a mixed bag of South Africans and Imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppe Using his penchant for Boer maneuver warfare together with mounted infantry led and manned by Boer Republican veterans he proceeded to free the vast German territory from Lettow Vorbeck s grip Often leading from the front his operational concepts were an enigma to the British under his command remaining so to modern day historians Although unable to bring the elusive and wily Lettow Vorbeck to a final decisive battle Smuts conquered most of the territory by the end of his tenure in February 1917

General Jan Smuts and His First World War in Africa makes use of multiple archival sources and the official accounts of all the participants to provide a long overdue reassessment of Smuts s generalship and his role in furthering the strategic aims of South Africa and the British Empire in Africa during World War I Islamic Scholarship in Africa Ousmane Kane,2021 Cutting edge research in the study of Islamic scholarship and its impact on the religious political economic and cultural history of Africa bridges the europhone non europhone knowledge divides to significantly advance decolonial thinking and extend the frontiers of social science research in Africa **Colonial Mentality and the Destiny of Africa** Godfrey Mwakikagile,2020-03-20 In his book Colonial Mentality and the Destiny of Africa Godfrey Mwakikagile examines the negative impact of colonial mentality on Africa s well being as a continental crisis and how it impedes Africa s progress and the quest for an African renaissance *De-neocolonizing Africa* Unwana Samuel Akpan,2024-10-16 This book fills a critical void in African research a lack of engagement with the question of how digital capabilities can be harnessed to liberate Africa from the subtle grips of neocolonization Bringing together seasoned and emerging scholars from diverse regions of Africa the book dissects the intricate relationship between technology and the persistent echoes of colonial legacies The authors distinguish between decolonization the historical struggle for independence and the ongoing imperative of de neocolonization an evolving battle against persistent but more subtle colonial influences now manifesting in the digital terrain With a focus on the profound impact of digital tools the contributors question how these capabilities can serve as instruments of liberation in a globalized age Through a comprehensive examination of the intersection between Africa digital technology and

neocolonization the book not only breaks new ground but also positions itself as an invaluable resource for students academics and professionals globally By offering fresh perspectives nuanced analyses and innovative solutions this book emerges as an essential addition to the global intellectual academe reshaping the discourse on African autonomy identity and emancipation from neocolonial chains **Mama Africa** Patricia de Santana Pinho,2010-01-25 An examination of the meanings of blackness in the Brazilian state of Bahia which is often called the most African part of Brazil

Mwakikagile,2000 Besides her natural beauty the scenery and the climate and her abundant wildlife and natural resources Africa is probably best known as the homeland of hundreds of millions of people who live in abject poverty Millions are wracked by disease and blinded by ignorance And just as many go hungry every day But there is something else which also distinguishes Africa lack of unity among her people That is one of the main reasons why they were conquered by foreigners and why Africa is still weak and poor today There is no other continent which is endowed with so much in terms of natural resources But there is also no other continent where it has been so easy for foreigners to take what does not belong to them This book began as a self examination of the African personality in an attempt to understand Africa s place in the world especially in relation to the West **Walking the Path of Discovery: A Journey of Rediscovery Across Africa** Pasquale De Marco,2025-07-20 In Walking the Path of Discovery A Journey of Rediscovery Across Africa renowned travel writer and photographer Pasquale De Marco takes readers on an extraordinary journey through the heart of the African continent With vivid prose and stunning visuals Pasquale De Marco captures the essence of this captivating land revealing its hidden beauty rich history and resilient spirit From the bustling markets of Marrakech to the remote villages of the Sahara Desert Pasquale De Marco ventures deep into Africa encountering diverse cultures breathtaking landscapes and awe inspiring wildlife Along the way Pasquale De Marco explores the challenges and triumphs of the African people shedding light on their struggles resilience and unwavering optimism More than just a travelogue Walking the Path of Discovery is a celebration of the human spirit Pasquale De Marco weaves together personal anecdotes historical accounts and cultural insights creating a rich narrative that captivates and inspires Readers will embark on a transformative journey alongside Pasquale De Marco gaining a deeper understanding of Africa s past present and future With stunning photography that brings the African landscape to

,2021-01-11 With Africa as its point of reference and departure this volume examines why and how the two concepts radicalisms and conservatisms should not be taken as mere binaries around which to organize knowledge It demonstrates that these concepts have multiple and diverse meanings as perceived and understood from different disciplinary vantage points hence the deliberate pluralization of the terms The essays show what happens when one juxtaposes the two concepts and how they are easily intertwined when different peoples lived experiences of poverty political and social alienation education intolerance youth activism social in justice violence etc across the length and breadth of Africa are brought to bear on our understandings of these two particularisms Contributors are Adekunle Victor Owoyomi Adeshina Francis Akindutire Adewale O Owoseni Bright Nkrumah Clement Chipenda Ebenezer Babajide Ishola Edwin Etieyibo Israel Oberedjemurho Ugoma Jonah Uyieh Jonathan O Chimakonam Madina Tlostanova Maduka Enyimba Muchaparara Musemwa Odirin Omiegbé Obvious Katsaura Olufunke Olufunsho Adegoke Peter Kwaja Philip Akporduado Edema Tafadzwa Chevo and Temitope Owolabi
