**Southscapes** Thadious M. Davis, 2011 In this innovative approach to southern literary cultures Thadious Davis analyzes how black southern writers use their spatial location to articulate the vexed connections between society and environment particularly under segregation and its legacies

**The Lever of Riches** Joel Mokyr, 1992-04-09 In a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success But why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation Beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome What emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution What were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas He discusses a long list of such factors showing how they interact to help or hinder a nation's creativity and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest of Europe during the industrial revolution He examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an Emperor banned large ocean going vessels the impact of science as well as religion politics and even nutrition He questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs Today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity The Lever of Riches with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential

**The Perfect Sound** Garrett Hongo, 2022-02-22 A poet's audio obsession from collecting his earliest vinyl to his quest for the ideal vacuum tubes A captivating book that ingeniously mixes personal memoir with cultural history and offers us an indispensable guide for the search of acoustic truth Yunte Huang author of Charlie Chan Garrett Hongo's passion for audio dates back to the Empire 398 turntable his father paired with a Dynakit tube amplifier in their modest tract home in Los Angeles in the early 1960s But his adult quest begins in the CD changer era as he seeks out speakers and amps both powerful and refined enough to honor the top notes of the greatest opera sopranos In recounting this search he describes a journey of identity where meaning

fulfillment and even liberation were often most available to him through music and its astonishingly varied delivery systems Hongo writes about the sound of surf being his first music as a kid in Hawai i about doo wop and soul reaching out to him while growing up among Black and Asian classmates in L A about Rilke and Joni Mitchell as the twin poets of his adolescence and about feeling the pulse of John Coltrane s jazz and the rhythmic chords of Billy Joel s piano from his car radio while driving the freeways as a young man trying to become a poet Journeying further he visits devoted collectors of decades old audio gear as well as designers of the latest tube equipment listens to sublime arias performed at La Scala hears a ghostly lute at the grave of English Romantic poet John Keats in Rome drinks in wisdom from blues musicians and a diversity of poetic elders while turning his ear toward the memory rich strains of the music that has shaped him Hawaiian steel guitar and canefield songs Bach and the Band Mingus Puccini and Duke Ellington And in the decades long process of perfecting his stereo setup Hongo also discovers his own now celebrated poetic voice Revolutionary Poetics Sarah

RudeWalker,2023-04-15 In *Revolutionary Poetics* Sarah RudeWalker details the specific ways that the Black Arts Movement BAM achieved its revolutionary goals through rhetorical poetics in what forms to what audiences and to what effect BAM has had far reaching influence particularly in developments in positive conceptions of Blackness in the valorization of Black language practices and its subsequent effects on educational policy in establishing a legacy of populist dissemination of African American vernacular culture and in setting the groundwork for important considerations of the aesthetic intersections of race with gender and sexuality These legacies stand as the movement s primary and largely unacknowledged successes and they provide significant lessons for navigating our current political moment RudeWalker presents rhetorical readings of the work of BAM poets including among others Amiri Baraka Gwendolyn Brooks Margaret Burroughs Sarah Webster Fabio Nikki Giovanni Etheridge Knight Audre Lorde Haki Madhubuti Carolyn Rodgers Sonia Sanchez and the Last Poets in order to demonstrate the various strands of rhetorical influence that contributed to the Black Arts project and the significant legacies these writers left behind Her investigation of the rhetorical impact of Black Arts poetry allows her to deal realistically with the movement s problematic aspects while still devoting thoughtful scholarly attention to the successful legacy of BAM writers and the ways their work can continue to shape contemporary rhetorical activism *Teaching the Art of Poetry* Baron Wormser,1999-12
