Traditional Spanish New Mexican furniture can best be characterized as simple having straight lines and good honest proportions all of which give these pieces a particular type of dignity As is true of other handmade objects in a given society furniture made in New Mexico mirrored the lives of New Mexicans in the 18th and 19th centuries isolation and a rugged existence The earliest furniture was made for churches and a few rich families Even well into the 19th century the average home was devoid of pieces considered common today chairs tables and beds The author regards the traditional period in Spanish New Mexican furniture to begin about 1776 and extend until almost 1900 The pieces in this book illustrate the important contributions made by the Spanish in the 18th and 19th centuries to this form of the decorative arts *New Mexican Furniture, 1600-1940* Lonn Taylor,Dessa Bokides,1987 Sumptuously illustrated this is the most complete book on Spanish Colonial and revival period furniture in New Mexico *Handbook of Hispanic Cultures in the United States: Anthropology* Nicolàs Kanellos,Claudia Esteva-Fabregat,Thomas Weaver,1994-01-01 Recovering the U S Hispanic Literary Project is a national project to locate identify preserve and make accessible the literary contributions of U S Hispanics from colonial times through 1960 in what today comprises the fifty states of the United States *Spanish New Mexico: Hispanic arts in the twentieth century* Spanish Colonial Arts Society,1996 Founded in 1925 in Santa Fe the Spanish Colonial Arts Society has become central to the collection and promotion of traditional Hispanic arts in New Mexico Its extraordinary collection of some twenty five hundred objects both secular and religious comprises the finest of its kind Serving as the Society s museum on paper this exceptional two volume set includes vividly illustrated essays on New World santos furniture straw applique tinwork and textiles Essays on historical arts the revival period Spanish Market and contemporary masters of traditional Spanish arts record the development of this historic collection from the early Spanish New Mexicans to today s working craftsman Books with slipcase **The Traditional Spanish Market of Santa Fe** Donna Pedace,2011 Thousands of artists have exhibited and sold their work at the Traditional Spanish Market of Santa Fe New Mexico in the sixty years it has been in existence This book is a record of the 186 artists who participated in the 2010 Market They stand as testament to all who have been there before Donna Pedace has been the National Director of OASIS Older Adult Service and Information System Inc based in St Louis Missouri and the Executive Director of the Eugene O Neill Theater Center in Waterford Connecticut Before joining the Spanish Colonial Arts Society sponsor of the Traditional Spanish Market of Santa Fe she was the Executive Director of the New Mexico Multicultural Center **The Native Market of the Spanish New Mexican Craftsmen, 1933-1940** Sarah Nestor,2009 Anglo Americans in New Mexico were a major cause of the decline of traditional Spanish New Mexican crafts in the nineteenth century in a reverse swing they helped to bring about a revival in the twentieth century When the railroad came west in the 1880s life in New Mexico changed almost overnight and crafts which

had thrived in isolation declined rapidly Then in the 1920s and 1930s artists anthropologists educators and other patrons in the state recognizing the unique beauty and charm of New Mexico s Spanish colonial crafts saw the need not only to preserve crafts from the past but also to encourage their revival in the present Foremost among these patrons was Leonora Curtin of Santa Fe Born into a prominent but rather bohemian family she was instrumental in promoting this revival In 1934 during the darkest years of the Great Depression Native Market was born This endeavor which became the forerunner of today s world famous yearly Santa Fe Spanish Market was Leonora s brainchild Greatly involved in the local art scene of the times Leonora recognized the pressing need to preserve the rapidly vanishing traditional craft production of Spanish speaking artisans of the region Through her leadership dedication and outreach New Mexico s Hispano crafts people and artists were given renewed opportunities to market their often enchantingly beautiful creations through the successful commercial venture known as Native Market This is that story Classic New Mexican Furniture Kingsley H.
