Furrow Behind Me:

The Furrow Behind Me Angus MacLellan, 1962 **The Furrow Behind Me** Angus MacLellan, 1997 Angus MacLellan was regarded throughout his own lifetime as one of Scotland's finest traditional Gaelic storytellers. Reminiscences of his life were first recorded on tape in Gaelic in the early years of the 1960s and later transcribed and translated by John Lorne Campbell into this English language biography. Born in 1869 into a poverty-stricken crofting community on South Uist, Angus MacLellan spent his childhood and his youth with his family before travelling from the island to find work first in the militia and then on the farms of the mainland. His travels came to an end when he returned to assist and eventually to succeed his parents on their croft on South Uist in 1896. Angus MacLellan's memory for detail and his gift for telling should bring to the reader a vivid picture of a harsh lifestyle encompassing two centuries of dramatic change. *Furrows* Joslyn Chase, 2017-06-07 This story appears in the short story collection *What Leads A Man To Murder*. Furrows run deep. A countryside mental facility isolated in the hills of rural Virginia. An award-winning psychiatrist reticent about revealing his methods. An ambitious journalist still a little green around the edges. When the three come together under mysterious circumstances, mischief rules the day. Not the benevolent kind. Experience the thrill and horror of Gladwell Hollow and uncover the secrets of its deepest furrows. Even though I write horror and have read thousands of horror stories, very few have ever sparked anything within. This is one of them. Justin Boote, author of *A Murder's Confession*. Great story. The writing flows beautifully. Sarah Gribble, author of *Beast* and *The Apprentice*. I totally admire Chase's ability to shift from one type of story to another. Superb writing. Ann Levy, author of *Elaine* and *Lucien*. A story worthy of a Vincent Price narration. William J DeProspero, author of *Unlikely Outcome*. Excellent, excellent. I loved reading this. It went by so fast. Mike Van Horn, author of *How to Grow Your Business without Driving Yourself Crazy* and *Aliens Crashed In My Backyard*. Two thumbs up. I may never be able to run near a corn field again. Jennifer Kelly, author of *Lathan's Adventures*. Concise and chilling. Peggy Ernest, *WOW*. Made me laugh, shocked me, terrified me, rolled me in. The ending was perfect. I loved it. Joslyn Chase has a very real gift. Peggy Nolan, prem, author of *Chaos*. [The Furrow Behind Me: the Autobiography of a Hebridean Crofter, Told by Angus MacLellan](#). Translated by John Lorne Campbell. Angus MacLellan, 1962. *Soldier's Joy* Madison Smartt Bell, 2011-12-06. A Vietnam vet returns to rural Tennessee in this acclaimed novel from the National Book Award-nominated author of *Save Me*. Joe Louis. After the horrors of Vietnam, Thomas Laidlaw returns to his home in rural Tennessee where he spends his days raising sheep and growing vegetables. At night he likes to roam the quiet countryside and practice his banjo, revelling in the roots music he finds so grounding. Over time he resumes his friendship with Rodney Redmon, a fellow vet and childhood friend scarred not only by the wages of war but also by the deep wounds of racism. As the two friends piece together a new life as civilians, they also piece together a band with the addition of a fiddler. Through a masterful accumulation of details, Bell brings his story to a fever pitch, concluding in an unexpected if powerful finale. *Publishers Weekly*. This important, insightful

novel Library Journal proves once again that every sentence Bell writes is a joy His power is exhilarating The New Yorker Bell s impressive talents as a writer which include endowing settings with the significance of character and a patient compassionate probing of injured souls are on full display Publishers Weekly Blackwood's Magazine ,1919 *Scottish Traditional Tales* Alan Bruford,Donald A. Fought in the Fields: The Women's Land Army Nicola Tyrer, Queen Elizabeth, 2016-07-22 The Women's Land Army was the forgotten victory of the Second World War While troops fought on the front line a battalion of young women joined up to take their place as agricultural workers Despite many of them coming from urban backgrounds these fearless cheerful girls learnt how to look after farm land operate and repair machinery rear and manage farm animals harvest crops and provide the work force that was badly needed in the years of the war Back breaking work such as thinning crops continuous hoeing and digging made way for disgusting tasks such as rat killing Yet despite it all the land girls were exuberant fun loving and hard working and became known for their articulate feisty humorous and modest attitude It therefore comes as no surprise that despite hostility and teasing at the beginning these robust farm workers won the hearts of the nation and at the disbandment of the Land Army in the 1950s the farming community were forced to eat their words With delightful photographs documenting the camaraderie of the Land Army and real life memories from those who joined this nostalgic look at one of the real success stories of the Second World War will make modern women stand proud of what their grandmothers achieved in an era before our own

Adventure ,1924 **Firethorn** Sarah Micklem, 2007-11-01 Firethorn the first volume in an epic trilogy is a stunning debut Sarah Micklem has introduced an unforgettable heroine into the fantasy pantheon Loving reckless and indomitable Firethorn travels through an imaginary world as real as history and as marvelous as legend Firethorn flees a life of drudgery to live alone in the forest relying on her knowledge of herb lore to survive She returns transformed indebted to the god who saved her life and blessed or cursed with uncanny abilities and a nagging sense of destiny After a few nights of dalliance with Sire Galan a high caste warrior on his way to join the king's army Firethorn seizes the chance to go with him only to find she has exchanged one form of servitude for another The army readies for war in the vast encampment of the Marchfield where men prey on each other and women dare go nowhere alone Among the lowborn harlots and the highborn dames of the camp Firethorn learns to use her gifts as a healer venturing into realms of dream and shadow Desire drew Firethorn and Sire Galan together but love binds them a love that has no place in the arrangement between a warrior and his sheath When Galan makes a wager with disastrous consequences Firethorn uses her gifts to intervene in his fate and learns just how hard it can be to tell honor from dishonor justice from vengeance Sarah Micklem has written an extraordinary tale at once magical and earthbound beautiful and violent She immerses readers in a remarkably imagined world where gods are meddling the
