Fusiliers marins et commandos Georges Fleury, 1980 **The Fall and Rise of French Sea Power** Hugues Canuel, 2021-04-15 The Fall and Rise of French Sea Power explores the renewal of French naval power from the fall of France in 1940 through the first two decades of the Cold War The Marine nationale continued fighting after the Armistice a service divided against itself The destruction of French sea power at the hands of the Allies the Axis and fratricidal confrontations in the colonies continued unabated until the scuttling of the Vichy fleet in 1942 And yet just over twenty years after this dark day Charles de Gaulle announced a plan to complement the country's nuclear deterrent with a force of nuclear powered ballistic missile carrying submarines Completing the rebuilding effort that followed the nadir in Toulon this force provided the means to make the Marine nationale a fully fledged blue water navy again ready to face the complex circumstances of the Cold War An important continuum of cooperation and bitter tensions shaped naval relations between France and the Anglo Americans from World War II to the Cold War The rejuvenation of a fleet nearly wiped out during the hostilities was underpinned by a succession of forced compromises often the least bad possible reluctantly accepted by French politicians and admirals but effectively leveraged in their pursuit of an independent naval policy within a strategy of alliance Hugues Canuel demonstrates that the renaissance of French sea power was shaped by a naval policy formulated within a strategy of alliance closely adapted to the needs of a continental state with worldwide interests This work fills a distinct void in the literature concerned with the evolution of naval affairs from World War II to the 1960s The author drawing upon extensive research through French British American and NATO archives including those made public only recently regarding the sensitive circumstances surrounding the French nuclear deterrent maps out for readers the unique path adopted in France to rebuild a blue water fleet during unprecedented circumstances Le baroudeur Georges Fleury, 2014-04-01 Blind s de reconnaissance fon ant vers le Rhin flottilles de sampans se fauillant dans les nuits indochinoises derri re les lignes viets commandos de faux fellaghas nomadisant dans les djebels ensanglant s d Alg rie les quatre guerres du g n ral Jean Louis Delayen chantent la poignante pop e d un soldat fran ais qui n a jamais t vaincu sur le terrain Premier officier alli atteindre le Rhin sp cialiste des commandos de ralli s en Indochine et en Alg rie consid r comme le ma tre par les Marines am ricains promu g n ral par Val ry Giscard d Estaing pour son intervention d cisive dans la guerre sans nom livr e secr tement pendant plus de sept ans au Tchad Jean Louis Delayen a choisi de confier Georges Fleury lui m me combattant d lite des b rets verts de la Marine toute la v rit sur le destin hors s rie qui a transform un jeune officier pas comme les autres en un des plus prestigieux baroudeurs de notre temps *Jean Deuve* Christophe Carichon, 2012-09-04 Prix Arm e et D fense 2013 de l Union Nationale des Officiers de R serve qui b n ficie du soutien du Minist re de la D fense Grand nom du renseignement militaire le colonel Jean Deuve est l un des as des services secrets fran ais Jeune aspirant il combat vaillamment dans les Ardennes la t te de ses tirailleurs s n galais et voit son nom inscrit au M morial de l Empire Affect en
