

GOP Jesus and Trump: an Exploration of the Usage of Evangelical Christianity by Donald Trump

Fiona Schieve

Advisor: Jeremy Rapport
Religious Studies Department

Abstract

This project intends to analyze the overwhelming support Donald Trump generated from Evangelical Americans during the 2016 presidential election. It is proposed that Trump achieved this using an augmented version of Christianity alongside the use of rhetorical tools to specifically gain the support of the Evangelical right. The project isolates and unpacks two identity models, that of the protector and the provider, which emerge as a result of the patriarchal nature of Evangelical Christianity. It is argued that Trump used these models to gain the voter support of a population that, at first glance, would not be assumed supporters. The Protector stands as a model for the strong male image that has permeated through the American psyche, the man who is able to care for his home, family, and community. The Provider is a model for the economic power a man should hold in order to be able support his family. These models are broken down to understand their origins, persistence in political culture, and how they worked to create the perfect environment for Trump to exploit what they mean to the Evangelical community. This project will explore how Trump was able to prime this audience, despite not possessing any of the actual values the models allowed him to project.

Constructed Theology

I constructed a theology used by the modern-day Evangelical right that diverges from biblical understanding of Christianity. This theology can be traced back to the Civil Rights movement as a way for white Evangelical pastors to keep control over their congregations. This was later shifted to women's rights after a Supreme Court case sped up the process of integration.

There is a difference between this political version of religion and its biblical foundation that was used by Donald Trump in the 2016 election in order to gain the votes of the Evangelical right. This is done by constructing two identity types the "Protector" and "Provider" that are patriarchal expectations of this community.

"Protector"

This chapter outlines the way that men within the Evangelical faith are expected to be protectors of their families, communities, and ultimately nations as well. This is seen in the 2016 electoral patterns of Trump in the following issues:

- Treatment of women – they were either weakened or vilified depending on how easy they could be controlled in the eyes of the Evangelical right
 - This was primarily seen in Trump's treatment of Hillary Clinton throughout his campaign and political debate process

"Provider"

This chapter outlines the financial burden placed on men in order to support their families, this was linked to by Trump with his status as businessman before being the Republican nomination for president.

This chapter also explores the title of "Provider" when it comes to providing safety to a nation, in the treatment of foreign affairs Trump proved that he had a very America first attitude. This led him to turn even further from the traditional understanding of Christianity.

Future Of Evangelical Christianity

Future Of Evangelical Christianity:

The Future of Evangelical Christianity Donald G. Bloesch, 1988 *The Future of Evangelicalism in America* Candy Gunther Brown, Mark Silk, 2016-04-26 In *The Future of Evangelicalism in America* thematic chapters on culture spirituality theology politics and ethnicity reveal the sources of the movement's dynamism as well as significant challenges confronting the rising generations A collaboration among scholars of history religious studies theology political science and ethnic studies the volume offers unique insight into a vibrant and sometimes controversial movement the future of which is closely tied to the future of America **After Fundamentalism** Bernard Lawrence Ramm, 1983 The Enlightenment of the eighteenth century brought into existence modern learning and modern attitudes at the same time it created the most serious challenge to Christianity since the early days of the Church Liberal Christianity was created to formulate a way of living with the aftermath of the Enlightenment but made the fateful mistake of surrendering the substance of Christianity as historically understood At the same time orthodoxy evangelicalism and fundamentalism have struggled to respond properly to the Enlightenment Now Bernard Ramm's groundbreaking *After Fundamentalism* offers a way of doing theology using Karl Barth's methodology as a model that allows a Christian to both be a child of the Enlightenment and maintain the historic substance of Christianity *After Fundamentalism* reconciles the great gains of the Enlightenment with authentic Christianity to show how a Christian can without compromising his or her beliefs live fully as a modern person in the modern world

Karl Barth and the Future of Evangelical Theology Christian T. Collins Winn, John L. Drury, 2014-11-17 The theology of Karl Barth has been a productive dialogue partner for evangelical theology For too long however the dialogue has been dominated by questions of orthodoxy The present volume seeks to contribute to the conversation through a creative reconfiguration of both partners in the conversation neither of whom can be rightly understood as preservers of Protestant Orthodoxy Rather American evangelicalism is identified with the revivalist forms of Protestantism that arose in the post Reformation era while Barth is revisited as a theologian attuned both to divine and human agency In the ensuing conversation questions of orthodoxy are not eliminated but subordinated to a concern for the life of God and God's people This volume brings together seasoned Barth scholars evangelical theologians and some younger voices united by a common desire to rethink both Karl Barth and evangelical theology By offering an alternative to the dominant constraints the book opens up new avenues for fruitful conversation on Barth and the future of evangelical theology **A Future for American Evangelicalism** Harold Heie, 2015-04-15 This book proposes that participation in God's Project of Reconciliation is the Center that can hold evangelical Christians together in the midst of great diversity in belief and ecclesiastical practices The author envisions a vibrant future for the Evangelical movement if professing evangelicals can model that rare combination of deep commitment to their own beliefs openness to listening to the beliefs of others and willingness to engage in respectful conversation with those who disagree with them in place of the combativeness that has characterized too much of

Evangelicalism in the recent past The book models this type of conversation on such controversial issues as the exclusivity of Christianity the inerrancy of the bible Evangelicalism and morality Evangelicalism and politics scientific models on humanity cosmic and human origins and the future of evangelical higher education The Future of the Global Church Patrick Johnstone,2014-01-17 In The Future of the Global Church Patrick Johnstone author of six editions of the phenomenal prayer guide Operation World draws on his fifty years experience to present a breathtaking full color graphical and textual overview of the past present and possible future of the church around the world **Introduction to Christian Theology** Roger A. Badham,1998-01-01 This book covers a broad spectrum of current perspectives in theology including evangelical liberal liberationist feminist and postmodern approaches A textbook for introductory theology classes in seminaries and colleges this wide ranging collection of essays also represents the best available resource for any reader seeking to explore and understand the diversity of current trends in theology and ethics The Futures of Evangelicalism Craig G. Bartholomew,Robin Parry,Andrew West,2004 An insightful assessment of the current state of evangelical affairs and the varied directions evangelicalism is poised to take Contributors include Alister McGrath Eugene Peterson I Howard Marshall Gregory J Laughery Stephen Lazarus Robin Parry and Andrew West **Worldview Theory, Whiteness, and the Future of Evangelical Faith** Jacob Alan Cook,2021-09-28 The twenty first century has seen energy passing between religious and political worldviews kicking up dust around the identity and conviction based fault lines in American society While many evangelical Christians have developed and deployed a worldview theory to describe and locate themselves within the world s ideological strife Jacob Cook argues this approach has in effect compelled those listening to adopt the world s divisive modes of dealing with difference rather than living out a compelling alternative As a popular framework for theology in recent history world viewing has driven its white evangelical adherents to narrate human lives in this world including their own in ways that warp Christian identity as a personal social and theological reality Through close studies of key white evangelical leaders who utilized the worldview concept for political engagement and cultural transformation over the last century Cook reveals why worldview theory is inept for grasping real human complexity and moreover how it forms a barrier to genuine life together as creatures in a world only the living God can really view In between these studies he draws from current conversations in psychology sociology critical race studies and other fields to deliver a vigorous critique of the worldview concept and its use as well as its underlying impulse and to unmask what world viewing shares with the history and spirit of whiteness This book is for those wrestling with the relationship between Christianity and whiteness in America how the dynamics of whiteness have become transparent and thus contentions and where to go from here if one is to follow Jesus

The Variety of American Evangelicalism Donald W. Dayton,2002-05 Those labeled as evangelicals commonly are assumed to constitute a large and fairly homogeneous segment of American Protestantism This volume suggests that in fact evangelicalism is better understood as a set of distinct subtraditions each with its own history organizations and priorities

The differences among groups are so important that the question arises Is the term evangelical useful at all This book attempts to enter as sympathetically as possible into the self understandings of movements usually grouped under the evangelical umbrella For each of twelve major traditions a leading scholarly interpreter first articulates the group s theological orientation and then explores the relationship between that movement and broader evangelical issues and organizations Contributors develop remarkably useful and diverse conceptual strategies for charting the complex evangelical landscape In crisp summary chapters the editors draw differing conclusions from the many perspectives offered Donald Dayton wants to abandon the category evangelical altogether Robert Johnston sees the varied traditions as an extended family whose members embody common characteristics to greater or lesser degrees *When Did We Start Forgetting God?* Mark Galli, 2020 Senior Managing Editor of Christianity Today Mark Galli provides a fresh prospective on God and culture

Is There a Future for God's Love? Henry H. Knight, 2012 Is postmodernism right Henry Knight says No by interpreting evangelical theology s insistence on religious experience and the transformed heart that is faithfully lived out in community

Record of Proceedings William Thomas Whitley, 1923 Evangelicalism Richard Kyle, 2017-09-20 Most forms of religion are best understood in the con text of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and

fate of its faithful **Pentecostal Orthodoxy** Emilio Alvarez, 2022-09-06 In this manifesto of sorts Bishop Emilio Alvarez introduces the phenomenon of Pentecostals returning to the ancient creedal Christian faith and extends the project of paleo orthodox ressourcement to include orthodox expressions within Pentecostalism particularly in his own Afro Latino Pentecostal movement **Dictionary of Mission** Karl Muller, Theo Sundermeier, Stephen B. Bevans, Richard H. Bliese, 2006-01-30 Conceived and developed by two of Europe's most eminent missiologists in the country where the scientific and sustained study of mission first took shape the Dictionary of Mission represents the finest of the chorus of voices that comprise contemporary missiology The choice of topics and the authors to address them reflects what Christian mission has become a genuinely worldwide and ecumenical phenomenon That there would be entries on regional theological developments is indicative of how the world church is developing A host of other topics here explored show too how the landscape of mission is changing Taken as a whole then the Dictionary of Mission is a road map through this exciting and challenging terrain from the Foreword *The Next Evangelicalism* Soong-Chan Rah, 2009-08-12 Soong Chan Rah calls on the North American church to escape its captivity to Western cultural trappings and to embrace a new evangelicalism that is diverse and multiethnic While many white churches find themselves ill equipped to minister to today's cultural context many immigrant and multiethnic churches offer much needed alternatives for the church as a whole Reforming the Monastery Greg Peters, 2013-11-12 Richard Froude wrote in 1833 to John Henry Newman that the present state of things in England makes an opening for reviving the monastic system Seemingly original words at the time Yet monasticism is one of the most ancient and enduring institutions of the Christian church reaching its zenith during the High Middle Ages Although medieval monasteries were regularly suppressed during the Reformation and the magisterial Reformers rejected monastic vows the existence of monasticism has remained within the Reformation churches both as an institution and in its theology This volume is an examination of Protestant theologies of monasticism examining the thought of select Protestant authors who have argued for the existence of monasticism in the Reformation churches beginning with Martin Luther and John Calvin and including Conrad Hoyer John Henry Newman Karl Barth and Donald Bloesch Looking at the contemporary church the current movement known as the New Monasticism is discussed and evaluated in light of Protestant monastic history **The Bible in Theology and Preaching** Donald K. McKim, 1999-05-05 **Ancient-Future Faith** Robert E. Webber, 1999-11 In a world marked by relativism individualism pluralism and the transition from a modern to a postmodern worldview evangelical Christians must find ways to re present the historic faith In his provocative new work Ancient Future Faith Robert E Webber contends that present day evangelicalism is a product of modernity Allegiance to modernity he argues must be relinquished to free evangelicals to become more consistently historic Empowerment to function in our changing culture will be found by adapting the classical tradition to our postmodern time Webber demonstrates the implications in the key areas of church worship spirituality evangelism nurture and mission Webber writes The fundamental concern of Ancient Future Faith is to

find points of contact between classical Christianity and postmodern thought Classical Christianity was shaped in a pagan and relativistic society much like our own Classical Christianity was not an accommodation to paganism but an alternative practice of life Christians in a postmodern world will succeed not by watering down the faith but by being a counter cultural community that invites people to be shaped by the story of Israel and Jesus A substantial appendix explores the development of authority in the early church an important issue for evangelicals in a society that shares many features with the Roman world of early Christians Students professors pastors and laypeople concerned with the churchs effective response to a postmodern world will benefit from this paradigmatic volume Informative tables and extensive bibliographies enhance the books educational value Amazon
