Future Of Freedom In Rubia:

Still Sings the Nightbird Philo Ikonya, 2013-06-24 Do we live inside the breasts of our mothers In the mind and hearts of two women indeed at their breasts a nation lives The whole universe is in the lives of the people Philo writes about They hear the song of the nightjar and it has meaning Inside a mothers chest her daughter hangs like a silent unvenerated Pieta Wakabi has eyes inside her breast She sees from inside there She knows this story well A countrys literature is rooted in its history But when history is full of hardship can authors create books pregnant with optimism In Still Sings the Nightbird Philo Ikonya defies the currents of hopelessness to point her readers to a glimmer of light at the end of the tunnel of nightmares Out of the lonely cry of a nightjar the rape of Kabi and indeed of Kenya appears a light beaming into a brighter future
