Escape From Castro

Peter C. Bjarkman

Escape From Castro:

Escape from Cuba Eloy L. Nuñez, Ernest G. Vendrell, 2020-01-10 In 1959 Fidel Castro assumed power in Cuba after overthrowing the government of Fulgencio Batista In response thousands of Cubans fled the island mostly to the United States This book tells the stories of these Cubans in exile all of whom overcame great obstacles to escape the brutal Castro regime Neither a history of Cuba nor of Castro this book illuminates the underrepresented legacy of the Cuban Exile Community and celebrates their continued thriving in a new country

Escape from Cuba Mario Lamar, 1999 *Escape from Castro's Cuba* Tim Wendel, 2021-03 In this visionary sequel to Castro's Curveball former Minor League catcher Billy Bryan finds himself back in Havana in 2016 with a small film role He soon realizes that this place and his past remain as star crossed as when he played winter ball in the Cuban capital decades before

The Cleveland Kidnappings: Ariel Castro's House Of Horrors And Escape ANONYMOUS, This true crime book delves into the horrifying tale of Ariel Castro and the Cleveland kidnappings It explores the main plot of the abductions of Amanda Berry Gina DeJesus and Michelle Knight who were held captive for years in Castro's house of horrors The book examines the theme of resilience and the indomitable human spirit as it follows the victims ordeal and their eventual escape to freedom It also delves into the psychology of a kidnapper providing insight into Castro's background and motives The aftermath of the Cleveland kidnappings is explored including the media frenzy legal battles and the survivors stories of triumph and reintegration The book also highlights the impact on society from public outrage and legal reforms to support for victims It delves into the enduring mysteries and unsolved questions surrounding the case as well as the haunting connections to similar crimes and the long lasting trauma experienced by the survivors Through its comprehensive exploration of this harrowing crime the book aims to shed light on the realities of abduction cases inspire awareness and prevention and provide lessons learned from this tragic event

CUBA: The Disaster of Castro's Revolution Andres J. Solares, 2010-05-27 This book analyzes the current situation existing in Cuba and describes in detail the real disaster caused in every aspect of Cuban life by the so called revolution of Fidel Castro including how it has affected the different components of Cuban society The author gives a detailed summary of the main indicators of the Cuban economy and society before 1959 when Fidel Castro took power indicating how they compared favorably at that time with other countries of the world including many which are considered part of the developed world in our days The book demystifies numerous aspects of Castro's propaganda that his followers have considered as great achievements of his government and puts them in perspective in regard to what Cuba could have had nowadays if it had been ruled by democratically elected governments The book profusely documents the system of corruption and privilege established in the island and analyzes the obscure role of Castro in a number of important events related to the United States including references to his links with drug trafficking money laundering and the promotion of terrorist activities among other criminal activities One of the aspects the book describes in more detail is the lack of political freedom and the repression of

independent thinking and free expression existing in the island which is part of the overall control on everybody's lives established by Castro which is implemented by a gigantic machinery of terror and surveillance The book describes the role of Cuban military and intelligence in numerous important events of world politics during the past five decades including their role in Africa Latin America and other regions of the world and it includes some questioning about the possible role of Castro in the assassination of President John F Kennedy It considers Castro's interpretation of foreign policy and the way he has disregarded all norms of international behavior The book also discusses the case of the enormous debt accumulated by Castro's government and how many of these resources have been deviated to well camouflaged foreign accounts and investments by Castro and some of the top people around him One of the interesting things about this book is the analysis it makes about the situation of youth women and blacks within the present Cuban society and the detailed description about how the people in general live and how this has evolved under Castro's tyranny It also includes an analysis of the exiled Cuban community Andres Solares discusses the real facts behind Castro's long tenure of power and shows the contradictions between what he and his supporters say and the crude reality of what happens in Cuba His book also enters in details about the degrees of decomposition existing at all levels of the political establishment of this obsolete communist regime The book describes the enormous damage caused by Castro's policies to the environment of the island and the state of destruction of all the main networks of services as well as the stagnant conditions of the economy It includes the author's views on the different possible scenarios for Cuban political future once Castro and his brother one way or another are no longer able to control Cuba This book is a strong denouncement of the longest dictatorship that has existed in America and it serves as an eye opener for all those who ignore the crude reality of what happens in that beautiful country It is also a moral message of hope for a better future for the Cuban people Mr Solares has used his professional and personal experience together with his direct knowledge of the Cuban society and economy to give us a very interesting account of the situation in his country which will serve those who read it to comprehend better what we can expect there

Cuba and Beyond... the Journey Diana Posada, 2018-11-12 Cuba and Beyond The Journey is the true story of a privileged Cuban family pursuing a life of distinguished medical service until Fidel Castro comes to power and their world collapses overnight Their ever increasing suffering is accompanied by a years long plight to escape the clutches of Castro's merciless regime The story focuses on Felipe a prosperous surgeon and his wife Clara a psychologist who are left behind in Cienfuegos known as La Perla del Sur the Pearl of the South to face the increasing repressions and deprivations of a despotic and violent government This highly personal and memorable story shares how the historic events of the Bay of Pigs the Cuban Missile Crisis and the arrival of 43 000 Russian troops impacts the daily lives of Felipe Clara their family and friends All of them witness their beautiful Cienfuegos homeland and culture deteriorate as the Cuban people descend inexorably into despair until recent events provide a glimmer of hope and restoration *Unpardonable Crimes: the Legacy of Fidel Castro* Celestino Heres, 2010-11-18

Unpardonable Crimes The Legacy of Fidel Castro presents a series of stories that although written as fiction are based on real events told author Celestino Heres by his family and friends Everyone has a story to tell and oftentimes there is a story behind a story Many of the events that actually occurred in Cuba prior to during and after the Revolution might never have been made public this collection attempts to counteract that secrecy The first story From Buchenwald to Connecticut is the story of Heress father in law Raul a jewelry manufacturer in Cuba Bitter Victory was related to Heres by his two dearest friends who suffered imprisonment in Castros gulag The rest of the tales were born from the myriad conversations he had with many Cuban friends over more than forty years As is often the case with stories of war many stories of the Cuban people will go to the graves with the men and women who lived them like footprints in the sand after the rising of the tide This collection demonstrates the common threads of the struggle of Cubans to survive under the cruel oppression of Fidel Castro and Fidels betrayal of his own people

Castro's Curveball Tim Wendel,2006-07-25 When an old scrapbook stirs memories Billy Bryan looks back to the year 1947 when he was playing winter ball in Cuba enjoying Havana s decadent nightlife and dreaming of a major league career

The Longest Romance Humberto Fontova,2013-06-04 Examines the U S media s role in perpetrating Fidel Castro s totalitarian agenda and spreading his propaganda describing how and why the dictator has been glorified in the mainstream American press

Immigration Philip Brooks,2003-10 This series examines the causes and effects of the most important events in the last century Each title provides in depth background information using primary source material and detailed descriptions of an event while also considering the issues at stake the people involved the aftermath and the consequences

Cuba's Eternal Revolution through the Prism of Insurgency, Socialism, and Espionage Miguel A. Faria, Jr.,2023-06-21 This book not only relates the defining moments of the Cuban Revolution such as the Moncada Barracks attack the assault on Batista s Presidential Palace the Bay of Pigs invasion and the Cuban Missile Crisis but also lesser known events like the War Against the Bandits the overseas adventures of Che Guevara in the Congo and Bolivia Fidel Castro s possible prior knowledge of and involvement in JFK s assassination Cuba s silent war against the environment and ongoing foreign intelligence operations The book contains information most readers and academicians may not be familiar with and utilizes major tomes as sources that have only been published in Spanish and so are not widely available to international audiences outside of Spain and Latin America It will enlighten readers about the realities of the Cuban Revolution its purported achievements as well as its definite shortcomings its impact on world events in the last seven decades and correct the record where needed enhancing the fount of knowledge for further research by social scientists historians and political scientists

Castro's Last Sacrament and Other Stories Albert Dorrington,1900

Fidel Castro and Baseball Peter C. Bjarkman,2018-12-07 Few political figures of the modern age have been so vilified as Fidel Castro and both the vilification and worship generated by the Cuban leader have combined to distort the true image of Castro The baseball myths attached to Fidel have loomed every bit as large as the skewed political notions that surround him

Castro was never a major league pitching prospect nor did he destroy the Cuban national pastime in 1962 In Fidel Castro and Baseball The Untold Story Peter C Bjarkman dispels numerous myths about the Cuban leader and his association with baseball In this groundbreaking study Bjarkman establishes how Fidel constructed rather than dismantled Cuba's true baseball Golden Age one that followed rather than preceded the 1959 revolution Bjarkman also demonstrates that Fidel was not at all unique in politicizing baseball as often maintained since the island sport traces its roots to the 19th century revolution Fidel's avowed devotion to a non materialist society would ultimately sow the seeds of collapse for the baseball empire he built over more than a half century just as the same obsession would finally dismantle the larger social revolution he had painstakingly authored A fascinating look at a controversial figure and his impact on a major sport this volume reveals many intriguing insights about Castro and how his love of the game was tied to Cuba's identity Fidel Castro and Baseball will appeal to fans of the sport as well as to those interested in Cuba's enduring association with baseball **Summary of**

Talking to Strangers by Malcolm Gladwell QuickRead, Lea Schullery, Perfect for learning how humans are notoriously bad at judging strangers through the stories of high profile cases like Sandra Bland and Amanda Knox Combining academic research in sociology and psychology with journalism Malcolm Gladwell continuously writes books that attempt to change society's perceptions of social issues Talking to Strangers is no different and discusses the implications of judging others without truly knowing or understanding one another The book's introduction and final chapter discuss the case of Sandra Bland an African American woman stopped by a white highway patrolman in 2015 who was later found dead in her cell by apparent suicide Bland was arrested after a typical traffic stop escalated into a confrontation and her death is what happens when a society doesn't know how to talk to strangers according to Gladwell Throughout the book Gladwell explores the nuances and intricacies of talking to strangers and shows how even experts trained in judgment and psychology lack the ability to predict how a stranger will behave Covering high profile cases like those of Sandra Bland and the Ponzi scheme of Bernie Madoff Talking to Strangers will reveal how little you really know about the people that walk among you Do you want more free book summaries like this Download our app for free at <https://www.quickread.com> App and get access to hundreds of free book and audiobook summaries **DISCLAIMER** This book summary is meant as a preview and not a replacement for the original work If you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be If you are the original author of any book on QuickRead and want us to remove it please contact us at hello@quickread.com

Marxists at the Gate Raúl Eduardo Chao, 2019-04-17 No one anticipated in 1958 that in the midst of a remarkable prosperity Cuba would fall into Communism It seemed impossible that an island 90 miles from the US the most powerful Capitalistic country in the planet could turn Communist Yet in one year it happened at the cost of hundreds of lives thousands of exiles the eradication of free press end of freedom of speech and private education freedom of worship and private property Suddenly everything belonged to the government Cubans had to ask permission to travel abroad if they left

the island they could not return the government decided what foods they could eat where they had to live what professions they could practice and what jobs were open to them This book presents the history of how it happened how it got started and the deceit and the treachery that made it possible Cuba has not recovered its lost freedoms after 60 plus years of Communism and probably never will It s a great lesson for anyone sympathetic with the radical left **Children's Rights in Cuba** United States.
