The Days of the Bitter End Jack Engelhard, 2001 Jack Engelhard is also the author of the worldwide bestseller *Indecent Proposal* Americans lost their innocence on that tragic day in Dallas 22 November 1963 But for comedian Cliff Harris whose career was based solely on his superb talent to imitate the dashing young president life is changed forever After rising from obscurity in Philadelphia to national prominence on television's entertainment institution *The Ed Sullivan Show* Harris becomes America's most popular comedic performer doing JFK so well that even Jackie has a tough time telling the difference But when the popular president is suddenly gunned down what becomes of his shadow With lively historical and fictional characters that capture the passion and drama of a generation this novel brings to life the streets of New York City's renowned Greenwich Village That vibrant political and cultural focal point of the 1960s is stunningly reflected in all its exuberance sex pot smoking poetry and politics Engelhard's heartfelt work recaptures the day American innocence turned into an American tragedy and the nation moved from the sweetness of postwar life to the bitter era of Vietnam **Jack Englehard's *Indecent Proposal*** Jack Engelhard, 2001 Hollywood's rendition of Jack Engelhard's novel didn't tell the real story Within Engelhard's *Indecent Proposal* The Original Novel are the explosive ingredients that are as volatile as today's headlines The passions and tensions of the current Middle East conflict are here as the struggle between Biblical brothers continues in this Isaac vs Ishmael tale but this time the prize is the American dream In Atlantic City after watching a major player lose and win back millions at the blackjack table Joshua Kane and his wife Joan are presented with a devil's deal when they meet a rich Arab sultan who offers Joshua one million dollars in exchange for a night with Joan But that night isn't the end of their entanglement Jew and Arab the men are brothers even when murderously jealous The Gentile woman is between them but neither can wholly have her The outcome will be a rupture of the fragile tolerance that unites the threea descent into a bloody triangle This controversial novel spawned the Hollywood blockbuster movie starring Robert Redford and Demi Moorea movie in which Hollywood tried to hush the Arab Jewish themes of the story In his foretelling and gripping tale Engelhard captivates the reader with his controversial theme of What would you do for a million dollars **Forthcoming**

battleground for a well funded proxy war between Iran and Saudi Arabia As gunfire and grenades exploded throughout the city Mohammed hid in the bathroom of his apartment and desperately appealed to his contacts on Facebook Miraculously a handful of people he barely knew responded Over thirteen days four ordinary young people with zero experience in diplomacy or military exfiltration worked across six technology platforms and ten time zones to save this innocent young man trapped between deadly forces rebel fighters from the north and Al Qaeda operatives from the south The story of an improbable escape as riveting as the best page turning thrillers The Fox Hunt reminds us that goodness and decency can triumph in the darkest circumstances
