Catholic World ,1896 [Bible Controversies Resolved](#) Roy D Perkins, 2023-05-24 This book consists of sixty two chapters of Bible controversies resolved with total objectivity by the writer Subjective feelings were left out The writer speaks of the most taboo of subjects Pastors and theologians have argued these controversies for centuries In actuality these controversies are not controversies at all people just made arguments out of what they believe are questionable This book explains in plain language these issues that have become so argumentative The writer is on board with almost all of them he disagrees with about 2 percent of these issues but cannot argue with scriptural truths When discerning facts from fiction concerning these issues the writer successfully suppresses his subjective feelings and is willing to admit that his prior thinking might not have been correct he can admit when he is wrong Most people cannot do this because of pride stubbornness tradition the clergy and ignorance In this book the writer attempts to open the eyes ears and minds of the readers Just because churches have done it the same way for centuries it doesn t make the churches right Just because a bunch of PhDs and theological experts have put their stamps of approval on the issues it doesn t make them right PhD stands for piled higher and deeper Someone once said that the definition of an expert is one who learns more and more about less and less pretty soon he knows everything about nothing In the book the writer backs up what he says with scriptural references In the book the reader can explore one revelation after another about supposedly controversial subjects [Father Gavazzi's Lectures in New York](#) Alessandro Gavazzi, 1853 **Exodus from Rome Volume 1** Dr. Todd D. basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year
