C. S. Lewis, 2010-10-07 The definitive collection of religious essays by C S Lewis plus a selection of letters brought together in a substantial paperback volume *C.S. Lewis* Clive Staples Lewis, 2000 This is an extensive collection of short essays and other pieces by C S Lewis brought together in one volume for the first time As well as his many books letters and poems C S Lewis also wrote a great number of essays and shorter pieces on various subjects He wrote extensively on Christian theology and the defence of faith but also on various ethical issues and on the nature of literature and story telling In the ESSAY COLLECTION we find a treasure trove of Lewis s reflections on diverse topics **Cosmology in Theological Perspective** Olli-Pekka Vainio, 2018-07-17 Olli Pekka Vainio a leading expert in science and theology explores questions concerning the place and significance of humans in the cosmos Vainio introduces cosmology from a state of the question perspective examining the history of the idea in dialogue with C S Lewis This work which is related to a NASA funded project on astrobiology ties into the ongoing debate on the relationship between Christian theism and scientific worldview and shows what the stakes are for religion and theology in the rise of modern science

C.S. Lewis--An Annotated Bibliography and Resource P. H. Brazier, 2012-09-20 This bibliography and resource consists of a chronological introduction to the development of Lewis s works a copious bibliography and a guide to the study of Lewis an introductory essay on Christology in Lewis and a glossary for those unfamiliar with some of the background and terms to Lewis s understanding of revelation and the Christ It will be an invaluable resource for all scholars of C S Lewis The bibliography stands alone but it also serves to complement the three volumes of the series C S Lewis Revelation and the Christ **Apologetics beyond Arguments** Emil Børty Nielsen, Christian apologetics is often seen as the art of defending the truth of the Christian faith through arguments As a result most books focus on debating evidence Apologetics Beyond Arguments breaks new ground by addressing a critical gap the lack of methodological reflection in the field This book presents a fresh meta apologetic framework redefining apologetics as the practice of Christian persuasion By doing so it opens the door to new insights and questions drawn from fields such as rhetoric psychology and ethics bridging the gap between sound arguments and effective persuasion Chronicles of Transformation Leonard J. DeLorenzo, 2022-07-01 In a world grown cold without wonder how do we reimagine the drama and joy of Christianity For C S Lewis the answer was to

invite us into Narnia a new world that would help us see our own with fresh healed eyes Even now it is not too late to go there When Lewis wrote his Chronicles of Narnia he laid out a land where courage would be tested and character forged where travelers would find themselves on a journey toward unimaginable beauty The stories are not for children alone They touch the mind and soul of anyone who is open to becoming childlike again including adults who have become too weighed down by life to enjoy its simple glories The Chronicles of Transformation edited by University of Notre Dame professor Leonard J DeLorenzo is a collaborative work between scholars and artists aimed to open adult readers eyes and hearts to the transformative power of Lewis Narnia book by book Jesus teaches Unless you turn and become like children you will never enter the kingdom of heaven The Chronicles of Narnia read anew can help us do just that Includes seven original illustrations by Stephen Barany C.S. Lewis James Como,2019 The writings of C S Lewis have a universal appeal His Chronicles of Narnia are by far the best known but he was also a prolific literary scholar essayist broadcaster novelist poet and Christian apologist Following the chronology of Lewis s life James Como draws out the core themes of his writings showing how his ideas evolved *S Lewis vs the New Atheists* Peter S Williams,2013-02-01 The book will counter the new atheist movement using the arguments of C S Lewis thereby appealing to readers interested in both loci and showing that there is nothing especially new about the new atheism How might C S Lewis the greatest Christian apologist of the twentieth century respond to the twenty first century new atheism of Richard Dawkins Christopher Hitchens and company Might Lewis own journey from atheism to Christian belief illuminate and undercut the objections of the new atheists Christian philosopher Peter S Williams takes us on an intellectual journey through Lewis conversion in conversation with today s anti theists This book shows the breadth depth and durability of Lewis s Christian apologetics Michael Ward chaplain at St Peter s College Oxford

Literature and Theology Heather Walton,2016-12-05 This book explores current trends in the interdisciplinary study of literature and theology an area of academic activity that has developed dramatically in the past twenty years The field of study originated from the impetus to embrace the richness of imaginative resources in theological reflection and was stimulated by the re emergence of the sacred in contemporary theory Since the mid 90s critical theory has undergone a number of significant transformations theology has become a subject of public concern and the boundaries between sacred and cultural texts have become increasingly unstable This book brings together the work of leading scholars in the field with that of emerging voices Offering an important resource for the growing number of postgraduate courses exploring the relation between religion and culture in the contemporary context this book delineates current trends in interdisciplinary debate as well as tracing emerging configurations **Starting with the Spirit** Myk Habets,Gregory J. Liston,2024-08-22 Trinitarian in its foundation pneumatological in its impetus and comprehensive in its scope Third Article Theology TAT is both a method and a theology As a method TAT intentionally views reality through the lens of the Spirit As a theology the insights that arise from an approach that prioritizes pneumatology are deep and rich offering a penetrating vision into today

s central and defining theological issues This volume introduces the reader to the methodology of TAT and some of the many theological insights that have arisen from its utilization Further it provides the tools and techniques to invite and inform the reader to participate in the efficient and pastoral exercise of viewing reality from a pneumatological perspective to catch a vision of the world as infused with the power presence and potential of the Spirit and to lead their lives accordingly Designed for classroom use it includes several pedagogical features such as case studies engaging with critical areas of contemporary concern

Animals in Tillich's Philosophical Theology Abbey-Anne Smith, 2017-10-02 This book explores how Paul Tillich's systematic theology focusing on the concepts of being and reason can benefit nonhuman animals while also analysing how taking proper account of nonhuman animals can prove immensely beneficial The author first explains the body of Tillich's system examining reason and revelation life and the spirit and history and the kingdom of God The second section undertakes a critical analysis of Tillichian concepts and their adequacy in relation to nonhuman animals addressing topics such as Tillich's concept of technical reason and the multidimensional unity of life The author concludes by discussing the positive concepts in Tillich's systematic theology with respect to nonhuman animals and creation including the concept of universal salvation and Tillich's interpretation of nonhuman animals and the Fall in Genesis

Confessing and Believing Trevor Hart, 2022 Confessing and Believing offers a faithful and compelling account of the Christian faith using the Apostles Creed as a framework In this book Trevor Hart helps readers both within and outside the church understand core Christian beliefs and how these are related to one another and to the intellectual and cultural contexts of today

C. S. Lewis's Christian Apologetics Gregory Bassham, 2015-06-29 Are C S Lewis's major arguments in defense of Christian belief sound In C S Lewis's Christian Apologetics Pro and Con defenders and critics of Lewis's apologetics square off and debate the merits of Lewis's arguments from desire from reason from morality the trilemma argument for the divinity of Christ as well as Lewis's

response to the problem of evil By means of these lively in depth debates readers will emerge with a deeper understanding and appreciation of today s most influential Christian apologist Integralism Thomas Crean,Alan Fimister,2024-09-04 Integralism is the application to the temporal political order of the full implications of the revelation of man s supernatural end in Christ and of the divinely established means by which it is to be attained These implications are identified by means of the philosophia perennis exemplified in the fundamental principles of St Thomas Aquinas Since the first principle in moral philosophy is the last end and man s last end cannot be known except by revelation it is only by accepting the role of handmaid of theology that political philosophy can be adequately constituted Integralism A Manual of Political Philosophy is a handbook for those who seek to understand the consequences of this integration of faith and reason for political economic and individual civic life It will also serve as a scholastic introduction to political philosophy for those new to the subject Each chapter finishes with a list of the principal theses proposed About the Authors Fr Thomas Crean is a friar of the English Province of the Order of Preachers Dominicans He has published with Ignatius Press and Gracewing and is a Fellow of the Dialogos Institute He has taught philosophy and theology in Austria the United States and Northern Ireland Alan Paul Fimister is Assistant Professor of Theology at Saint John Vianney Theological Seminary in Denver Colorado USA and a Fellow of the Dialogos institute He is the author of Robert Schuman Neo Scholastic Humanism and the Reunification of Europe 2008

J. I. Packer Alister McGrath,2020-11-10 J I Packer was one of the most influential evangelical theological and spiritual writers of the twentieth century In this beautiful recollection of Packer s life and faith Alister McGrath explores his many contributions to theology and spirituality engagingly setting out the central themes of his work for a new generation of readers **Mapping Apologetics** Brian K. Morley,2015-02-10 How and why do people believe This comprehensive guide provides an overview of Christian apologetic approaches and thinkers in a way that even the nonspecialist can understand and practically apply Even handed and respectful of each apologist and their contribution this book provides the reader with a formidable array of defenses for the faith Restoring the Story Anne van Gend,2024-03-29 Are we getting too squeamish about the atonement There is a quiet crisis of confidence in many Western churches Confusion debates and changing sensibilities have thrown doubt on whether one of our central doctrines can be reliably communicated as good news today This book approaches atonement through story allowing imagination to illuminate the multi faceted meanings in Christ s atoning work and exploring how those rich stories can be good news for the complex issues of our day **How to Wage Spiritual Warfare** J. M. Longstaff,2009-12 HOW TO WAGE SPIRITUAL WARFARE by J M Longstaff What part should we as Christians play in the constant Conflict which is raging between the angels of God and the demons or fallen angels directed by Satan What are the symptoms of demonic oppression What are the symptoms of demon possession How can a man or a woman render himself or herself vulnerable to demonic invasion How can we distinguish between demon possession and mental illness The author answers these questions in this book He examines the occult the cost of occult involvement and the

dangers of spiritism and mediumship He emphasizes the victory which the Lord Jesus Christ our Head has won by His blood over the powers of darkness and he explains how we the members of His body on earth should appropriate the victory in the ministry of deliverance He concludes by citing examples from his own experience After a distinguished military career on three continents including six years of war the author heeded the Lord s clear call to the ministry He transferred to the Reserve and entered Wycliffe Hall Oxford to study theology He passed the General Ordination Examination and obtained a diploma in Counselling He was ordained as an Anglican Minister in 1958 but later transferred to the Baptist Ministry He soon found that the main talents which the Lord had given him were for counselling and the ministry to the sick He gained the knowledge which he imparts in this book through careful observation the counselling of the nervously ill the mentally ill the demonically oppressed and the demon possessed and by diligent study and research
