Gay Tantra William Schindler, 2017-07-07 We gay folk who inhabit bodies of the type we naturally desire require a sex positive spiritual practice that celebrates and utilizes our gay being instead of opposing it We need a spiritual practice that teaches us how to use our senses instead of merely shutting them off or repressing them We need a practice that empowers us to integrate all the rejected aspects of self to form a strong healthy gay identity which confers a spiritual advantage in deep spiritual practice We need a spiritual practice that recognizes that gender and gender identity are fluid that we all contain elements of the masculine and feminine We need a spiritual practice that recognizes not only that same sex love is possible but that our love can powerfully energize a deep quest for Self awareness and enlightenment We need to realize that any feeling of shame or unworthiness connected to our gay being shackles our spirit and blocks us from the full realization of God/dess within for the Divine Being is gay too
