Medieval German Voices in the 21st Century, 2021-11-08 As witnessed by a tremendous upsurge in medieval research academic meetings innovative interpretive approaches enrolment numbers and public interest Medieval Studies are proving once again to be a vibrant field of investigations both inside and outside of academia Nevertheless there is a tendency among colleagues and administrators in the field of Germanistik German Studies to exclude the earlier period as an exotic and irrelevant subject matter The contributors to this volume all of whom teach at North American universities make a strong case for the paradigmatic function of medieval German literature for the general field of Germanistik and argue that many of the most recent changes in our discipline related to the German Studies paradigm have been foreshadowed by Medieval Studies where interdisciplinarity comparative approaches the consideration of Mentalitätsgeschichte theology history art history even gender studies and the history of everyday life have often constituted the *conditio sine qua non* Some of the authors in this volume argue for the relevance of medieval German literature by investigating concrete cases taken from the Middle Ages others show how modern German literature has been deeply influenced by medieval texts The purpose of this volume is not to privilege medieval literature over modern literature but instead to reclaim the premodern period as an important and relevant field of investigation within contemporary German Studies

Branding Black Womanhood Timeka N. Tounsel, 2022-06-17 CaShawn Thompson crafted Black Girls Are Magic as a proclamation of Black women's resilience in 2013 Less than five years later it had been repurposed as a gateway to an attractive niche market Branding Black Womanhood Media Citizenship from Black Power to Black Girl Magic examines the commercial infrastructure that absorbed Thompson's mantra While the terminology may have changed over the years mainstream brands and mass media companies have consistently sought to acknowledge Black women's possession of a distinct magic or power when it suits their profit agendas Beginning with the inception of the Essence brand in the late 1960s Timeka N Tounsel examines the individuals and institutions that have reconfigured Black women's empowerment as a business enterprise Ultimately these commercial gatekeepers have constructed an image economy that operates as both a sacred space for Black women and an easy hunting ground for their dollars

The 21st Century Church Dr. Charles Jackson,2018-03-15 after

much prayer and meditation God spoke to me I combed through scriptures reading about the church and more about Jesus and His relationship with his disciples especially focusing on Peter and his bond with the church What was its purpose Why couldn't the thoughts of the church the Body of Christ the pure meaning of its intent be left alone My brothers and sisters after countless days of tumultuous soul searching and restless nights God has revealed to me that the transformation begins with the acceptance of His Son However at times we are alienated and an enemy of Christ destitute by the wicked works of our minds Conversely through his sacrificial death He has reconciled us to present us holy unblameable and unreprieveable to himself When you journey through the pages of this book allow the process to continue Jesus works from the inside out The mind is the center for change As you continue to walk in Christ Let this mind be in you which was also in Christ Jesus Let this book be the compass that guides you back on course so that you too can become the church that Christ intended you to be

Revelations Xavier Reyes-Ayral, 2022-05-31 From 1846 to the present day the Vatican has maintained quite the same message brought forth from Heaven by different messengers across time and across vast distances and continents This message echoes the gravest of admonitions and calls mankind to convert and find refuge through the knowledge of the truth which today threatens the very basis of world peace Today in 2022 the message of La Salette La Fraudais Tilly Fatima Garabandal Akita and Medjugorje and their secrets take a meaning of the greatest importance as the admonitions brought forth by the Blessed Virgin Mary warn of a cataclysmic global disaster which has now become imminent The Church's apprehension of frightening the masses inspired inaction and Rome's decision to silence founded more on fear than on caution led millions of faithful to the darkness of ignorance and therefore to a lack of necessary conversion prayers and intercession for peace This book proposes unveiling the light and thus asking humanity to respond to the call of a warm and loving mother who merely seeks the salvation of her children
