The Essene Gospels Chappell Hotep,2013-12-12 The Essene Gospel of Peace Book 1 4 The Essene Gospel of Peace Edmond Bordeaux Székely,1971 *The Essene Gospel of Peace* Edmond Bordeaux Székely,1975 **Essene Gospel of Peace, Bk 3** Edmond Bordeaux Székely,1981-01-01 **The Essene Gospel of Peace by Edmond Szekely** Edmond Szekely,2023-12-12 This work is divided into two main sections I The first section is dedicated to the Peace Gospel of the Essenes initially published by Edmond Szekely in 1937 Szekely claims to have discovered this Gospel in Aramaic language within the Vatican archives However the Catholic Church denies possession of this Gospel asserting that Szekely authored it himself The authenticity of the Essene Peace Gospel would pose a challenge to the Catholic Church as it reveals an entirely new version of Christian teachings fundamentally distinct from Catholic doctrine It is noteworthy that seemingly only one copy of this Gospel exists worldwide II The second section analyzes the historicity of the Peace Gospel through the writings of Nag Hammadi examining its authenticity by comparing it with texts from the New Testament and the Gospel of the Essenes These studies suggest that Szekely did not independently compose the Gospel of the Essenes After thorough investigation it has been determined that the Essene Gospel not only represents the first Christian message but also the one Moses taught the Israelites approximately 6000 years ago This message is not considered a religion but rather a life philosophy in harmony with nature Fragments of this Gospel can be found in the Old Testament with its original symbolic and allegorical meanings gradually lost over the millennia and transformed into concrete interpretations In the absence of an authentic Christian message humanity has embarked on a path leading to environmental and natural decay driven by power hungry individuals motivated by profit Rectifying the original Christian message could not only bring together religious representatives worldwide for discussions but also emphasize the overarching role of nature underscore the importance of our natural health promote respect for animals as our companions and advance the equality of all people **The Gospel of Love and Peace** Jörg Berchem,2016-09-09 These teachings are unique because they do not refer to a specific culture they refer to man and his relationship to his co beings and his relation to God They do not demand a specific moral life according to exact rules how to live They just express a spiritual ethics The Gospel of Peace unlike other documents or interpretations

of biblical texts explains the expression Heavenly Father in a very deep meaning also because of the fact that it describes the Earthly Mother as well It does not mean that it proclaims a female God next to a male God We are still dealing with a monotheistic religion But in its divine dualism it does not exclude female character in God nor the female and maternal principle of nature Therefore it reconnects Christianity with obvious and deeply experienced world views that can be found as universal in all cultures and religions except the three Thora based Jewish Christian and Muslim religions Let us just assume for a moment a Christianity that is not denying but also worshipping the maternal aspects not only in some sick romanticisation of virginity and unearthly purity but in its obvious richness abundance and fertility A Christianity that regards Earth just as important and divine as it regards Heaven A Christianity describing the body as a temple for the soul A Christianity that communicates with Heaven and Earth Well here it is For the first time all translations of the Essene scripts in one volume revised newly arranged and edited by Dr J rg Berchem With many illustrations by Caspar David Friedrich Rembrandt Leonardo da Vinci and Gustav Dor including Book 1 The Essene Gospel of Peace Book One Book 2 The Unknown Books of the Essenes Book 3 Lost Scrolls of the Essene Brotherhood Book 4 The Teachings of the Elect and Banus The Essene The essene Code of Life
