the probable cause of Krypton's explosion and the Newtonian physics at work in Gotham City is electrifying from cover to cover **Children's Books in Print, 2007** ,2006 *Unbeatable Squirrel Girl Vol. 4* Ryan North,Nilah Magruder,2019-06-13 Collects Unbeatable Squirrel Girl 2015B 22 31 and material from A Year Of Marvels The Unbeatable And Not Brand Echh 14 Squirrel Girl goes savage Savage Land that is Will Squirrel Girl fight a dinosaur Probably Plus jokes and a super villain causing major problems it's the complete package Then go from jungle to outer space as Squirrel Girl and co journey to the Forbidden Planet When Nancy and Tippy Toe are transported to an alien world where all is not as it seems Squirrel Girl must find a way to get to the other side of the universe to save them This sounds like a job for the Sorcerer Supreme No not Doctor Strange right now it's Loki Drax the Destroyer and the Silver Surfer come along for the ride as Doreen Green goes cosmic Plus Tippy Toe meets Rocket Raccoon **To Boldly Go** Djoymi Baker,2018-03-06 Today's media cinema and TV screens are host to new manifestations of myth their modes of storytelling radically transformed from those of ancient Greece They present us with narratives of contemporary customs and belief systems our modern day myths This book argues that the tools of transmedia merchandising and promotional material shape viewers experiences of the hit television series Star Trek to reinforce the mythology of the gargantuan franchise Media marketing utilises the show's method of recycling the narratives of classical heritage yet it also looks forward to the future In this way it reminds consumers of the Star Trek story's ongoing centrality within popular culture whether in the form of the original 1960s series the later additions such as Voyager and Discovery or J J Abrams reboot films Chapters examine how oral and literary traditions have influenced the series structure and its commercial image how the cosmological role of humanity and the Earth are explored in title sequences across various Star Trek media platforms and the multi faceted way in which Internet video game and event spin offs create rituals to consolidate the space opera's fan base Fusing key theory from film TV media and folklore studies as well as anthropology and other specialisms To Boldly Go is an authoritative guide to the function of myth across the whole Star Trek enterprise **The Virtues of Captain America** Mark D. White,2024-07-11 Learn how Captain America's timeless ethical code is just as relevant in the twenty first century as it was during the 1940s Captain America or simply Cap provides an example of the virtues that define personal excellence as well as the ideals and principles upon which the United States of America was founded In The Virtues of Captain America philosopher and long time comics fan Mark D White shows us that this fictional superhero's old fashioned moral code is exactly what we need today to restore kindness and respect in our personal and civic lives Presenting Captain America's personal morality within a virtue ethics framework the book opens with an introduction to basic concepts in moral and political philosophy and addresses issues surrounding the use of fictional characters as role models The following chapters examine Captain America in detail exploring the individual virtues that Cap exemplifies the qualities that describe his moral character his particular brand of patriotism his ongoing battle with fascism his personal vision of the American Dream his moral integrity and sense of honor and much more Now in its second edition

The Virtues of Captain America is updated to include all the new developments in Captain America's saga including new examples from the last ten years of Captain America's appearances in Marvel Comics. New coverage of the recent Secret Empire storyline in which Captain America was brainwashed by the fascist organization Hydra features new sections examining the nature of fascism and how Captain America's character and virtues were affected by the change. This edition also offers new material on Sam Wilson formerly Captain America's partner the Falcon who recently became Captain America himself and how his interpretation of the role compares to Steve Rogers. Showing how we can be better people if we pay attention to the choices made by the Sentinel of Liberty. The Virtues of Captain America Examines the moral and political philosophy behind 80 years of Captain America comics and movies in a light hearted often humorous tone. Demonstrates that the core principles and judgment exhibited by Captain America in the 1940s remain relevant in the twenty first century. Describes the basic themes of Captain America's ethics such as courage humility perseverance honesty and loyalty. Illustrates how Captain America stands for the basic ideals of America not its politics or government. Requiring no background in philosophy or familiarity with the source material the second edition of The Virtues of Captain America Modern Day Lessons on Character from a World War II Superhero remains a must read for everyone wanting to make ethical decisions in complex real world situations and tackle the personal and political issues of today with integrity and respect.

The X-Men Films

Claudia Bucciferro, 2016-02-09 Originally appearing as a comic book in the 1960s X Men has been a cultural touchpoint for decades. Since the release of the first film in 2000 the series has enjoyed an even greater transnational presence. With each successive film the franchise has secured its place within global popular culture becoming one of the most profitable and complex superhero series to date. While much of the research that has been published on the X Men focuses on the comics the movies constitute their own cultural text and deserve special attention. In The X Men Films A Cultural Analysis Claudia Bucciferro has assembled a collection of essays that draw from work in communication cultural studies and media studies. With contributions from a diverse group of scholars the chapters analyze issues that include gender sexuality disability class and race. The contributors pose intriguing questions about the franchise such as What do mutants really represent? What role do women and people of color play in the narratives? Why does it matter that Professor X is disabled? Why is Mystique often shown naked? What facilitated Wolverine's rise to prominence? And how do topics regarding identity trauma and bioethics figure in the stories? Exploring issues relevant for a multicultural world and connecting thematic elements from the films to political debates and social struggles the book seeks to make a thoughtful contribution to the scholarship of popular culture. The X Men Films will appeal to media scholars and students as well as to anyone interested in the X Men series.
