The Publishers Weekly, 1899 **American Book Publishing Record**, 2005 *A Catholic Reading Guide to Conditional Immortality* Robert Wild, 2016-10-21 Like many other people the long tradition about hell has been a source of serious confusion and distress for me Over the past six years or so I was relieved to discover two other alternatives that are also part of the Christian tradition though less prominent universalism and the subject of the present book conditional immortality Universalism that everyone would eventually be saved did not in the final analysis seem to really come to grips with the overwhelming scriptural testimony that some kind of radical fateful decision is possible to people Conditional immortality that people who absolutely refuse God s plan for them will be taken out of existence seems to me the best scriptural understanding of what the Lord meant by losing one s soul not everlasting punishment but the withdrawal of existence This book is an attempt to explain this theological theory It is not presented as a definite dogma or teaching of the church but as one of the possible results of a persistent and irrevocable decision against God

Double Standard David F. Pierre,David F. Pierre, Jr.,2013-05-22

Yes Catholic priests terribly abused minors and bishops failed to stop the unspeakable harm That is an undeniable truth Nothing justifies such an evil However major media outlets are unfairly attacking the Catholic Church and this fast paced compelling book has the shocking evidence to prove it This book addresses numerous topics including appalling cases of abuse and cover ups happening today but they re not happening in the Catholic Church proof that Catholic clergy do not offend more than teachers or those of other religious denominations data that shows that the Catholic clergy scandal is not about pedophilia affirmation that the Catholic Church may be the safest environment for children today

research that uncovers the shady relationships between SNAP Survivors Network of Those Abused by Priests lawyers and the media the alarming roots of SNAP s attacks on the Church the surprising truth about repressed memories unheard agonized priests who deny the accusations against them evidence of how the documentary Deliver Us From Evil deceived moviegoers plus much more Double Standard covers topics that the major media won t There is no other book about the Catholic Church abuse narrative like this one **Think and Believe** Frederick W. Marks,2012 A coherent forceful and compelling case for God and the Church founded by Jesus of Nazareth This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices
