

Funeral Casino

Kevin Blackwood

Funeral Casino:

The Funeral Casino Alan Klima, 2002-03-03 Table of contents **Funeral Casino , Ritual, Media, and Conflict**
Ronald L. Grimes, Ute Husken, Udo Simon, Eric Venbrux, 2011-03-23 Rituals can provoke or escalate conflict but they can also mediate it and although conflict is a normal aspect of human life mass media technologies are changing the dynamics of conflict and shaping strategies for deploying rituals This collection of essays emerged from a two year project based on collaboration between the Faculty of Religious Studies at Radboud University Nijmegen in the Netherlands and the Ritual Dynamics Collaborative Research Center at the University of Heidelberg in Germany An interdisciplinary team of twenty four scholars locates describes and explores cases in which media driven rituals or ritually saturated media instigate disseminate or escalate conflict Each multi authored chapter is built around global and local examples of ritualized mediatized conflict The book s central question is When ritual and media interact either by the mediatizing of ritual or by the ritualizing of media how do the patterns of conflict change *Stuck Moving* Peter Benson, 2023-04-11 AUTHOR S NOTE This book is unconventional A self conscious experiment in form that draws together two vernaculars anthropological thought and the pop culture of my youth It is a fraught exercise I write as a White guy about angst and alienation in the privileged spaces of anthropology and higher education I appreciate the irony I hope nonetheless that my experiences with and critical perspectives on social conventions the culture of liberalism and ableism in academia might be useful I seek to expand possibilities of anthropological representation while challenging epistemological aesthetic and professional norms in my discipline It bothers me that anthropology can be so sanctimonious I take aim at the ableist conceit that anthropologists are non characters studying a messy world Much of my life has been a mess My work has been undertaken amid struggles with pregnancy loss bipolar disorder and drug addiction I have deep regrets about my participation in an exploitative field I have deep regrets about many things I have hurt people and been hurt by people I hope my stories and reflections add to what others have already written about a more open honest and self deprecating anthropology **Gambling, the State and Society in Thailand, c.1800-1945** James A. Warren, 2013-07-18 During the nineteenth century there was a huge increase in the level and types of gambling in Thailand Taxes on gambling became a major source of state revenue with the government establishing state run lotteries and casinos in the first half of the twentieth century Nevertheless over the same period a strong anti gambling discourse emerged within the Thai elite which sought to regulate gambling through a series of increasingly restrictive and punitive laws By the mid twentieth century most forms of gambling had been made illegal a situation that persists until today This historical study based on a wide variety of Thai and English language archival sources including government reports legal cases and newspapers places the criminalization of gambling in Thailand in the broader context of the country s socio economic transformation and the modernization of the Thai state Particular attention is paid to how state institutions such as the police and judiciary and different sections of Thai society shaped and subverted the law to

advance their own interests Finally the book compares the Thai government's policies on gambling with those on opium use and prostitution placing the latter in the context of an international clampdown on vice in the early twentieth century

The Spirit Ambulance Scott Stonington, 2020-08-25 The Spirit Ambulance is a journey into decision making at the end of life in Thailand where families attempt to craft good deaths for their elders in the face of clashing ethical frameworks from a rapidly developing universal medical system to national and global human rights politics to contemporary movements in Buddhist metaphysics Scott Stonington's gripping ethnography documents how Thai families attempt to pay back a debt of life to their elders through intensive medical care followed by a medically assisted rush from the hospital to home to ensure a spiritually advantageous last breath The result is a powerful exploration of the nature of death and the complexities arising from the globalization of biomedical expertise and ethics around the world

Varieties of Secularism in Asia Nils Ole Bubandt, Martijn Van Beek, 2012-03-12 Varieties of Secularism is an ethnographically rich theoretically well informed and intellectually coherent volume which builds off the work of Talal Asad Charles Taylor and others who have engaged the issue of secularism's and its socio-political life The volume seeks to examine theories of secularism secularity and examine concrete ethnographic cases in order to further the theoretical discussion Whereas Taylor's magisterial work draws up the conditions and problems of a belief in God in Western modernity it leaves unexplored the challenges posed by the spiritual in modernity outside of the North Atlantic rim This anthology seeks to begin that task It does so by suggesting that the kind of secularity described by Taylor is only one amongst others By attending to the shifting relationship between proper religion and bad faiths between politically valorised and embarrassing spiritual phenomena between the new visibilities and silences of magic ancestors and religion in democratic politics this book seeks to outline the particular formations of secularism that have become possible in Asia from China to Indonesia and from Bahrain to Timor Leste This book will appeal to students and scholars of Asian religion politics and anthropology

Corpse Magic Michael Taussig, 2025-03-28 Corpse Magic examines beliefs about vengeance the slain magically enact on their killers focusing on lethal violence in Colombia and the United States Corpse Magic is a response to the global ubiquity of violence In this bracing new work the influential anthropologist Michael Taussig puts killings in Colombia by gangs and guerrillas police and the military and agents of agribusiness in conversation with mass shootings and police killings disproportionately of Black people in the United States In both contexts he examines the effects of violent killing on its victims its perpetrators and those who witness and relive it through media footage Drawing from literature religion philosophy and anthropology Taussig traces the idea that the act of killing infects the killer and spreads outward then connects this concept of contagion to beliefs in Colombia and elsewhere that the souls of the slain possess those of their slayers and that magic can be used to empower or thwart corpses as agents of vengeance In this powerful and imaginative work Taussig asks what kind of power the dead continue to have what kinds of magic can manage that power and what if anything can stop seemingly endless cycles of violence

Bangkok after Dark Benjamin

Tausig,2025-03-28 From the 1930s to the 1950s jazz pianist Maurice Rocco was a mainstay in Hollywood and American nightlife scenes As rock and roll surpassed jazz as America s most popular music in the 1950s the queer Black pianist s fortunes faded and he was forced to go abroad for new opportunities In 1964 Rocco settled in Bangkok where he thrived and enjoyed a relatively privileged life until he was murdered by two young male sex workers in 1976 In Bangkok after Dark Benjamin Tausig uses Rocco s intriguing story to trace the history of transnational nightlife encounters between Thais and Americans during the long American war in Vietnam Tausig shows how these encounters which included musical collaborations romantic and sexual relationships and new labor identity and geopolitical configurations remade Thailand in crucial and enduring ways As Tausig demonstrates Rocco s Blackness queerness and musical life in Thailand illuminate how Thai American relationships complicated neat distinctions between the two countries In teasing out these complexities through the figure of Rocco Tausig challenges conventional understandings of the global Cold War on individual and transnational scales

Casino Gambling For Dummies Kevin Blackwood,2011-03-03 Earn comps and avoid big losses Bet wisely beat the house and bring home the bucks Crazy about casinos but worried about losing your shirt Relax This hands on guide is filled with insider secrets and tips for maximizing winnings and minimizing losses in the most popular casino games blackjack poker craps roulette slots and more You get the scoop on everything from game rules and jargon to making the best bets and knowing when to quit Discover how to Understand the odds Develop winning strategies Avoid gimmicks and bad bets Manage your money effectively Gamble on the Internet Deal with the IRS

Encyclopedia of Bohemian and Czech-American Biography Miloslav Rechcigl Jr.,2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history

Bangkok Haunts John Burdett,2007-06-05 Sonchai Jitpleecheep the devout Buddhist Royal Thai Police detective who led us through the best sellers Bangkok 8 and Bangkok Tattoo returns in this blistering novel Sonchai has seen virtually everything on his beat in Bangkok s District 8 but nothing like the snuff film he s just been sent anonymously

Furiously fast paced and laced through with an erotic ghost story that gives a new dark twist to the life of our hero Bangkok Haunts more than lives up to the smart and darkly funny originality of its predecessors *Cosmologies of Suffering* Agita Lüse, 2009-01-14 The edited volume elaborates on a range of themes that emerged during a workshop of the 8th biennial of the European Association of Social Anthropologists in Vienna in 2004 Among these themes are the paradoxical permanence of transition in post communist countries the accompanying persistence of social suffering and the structural conditions that give rise to it A final theme focuses on the resources that people mobilize to cope with suffering and trauma Ways of coping manifest a stance towards agency shared by sufferers from diverse post communist regions such as ethnically divided Croatia politically and economically unstable Zimbabwe relatively more peaceful countries such as Hungary Poland and Slovenia and finally two religiously unique areas in Siberia Russia Ethnographic accounts from these diverse settings testify that agency has often involved relinquishing reliance on one's self and turning towards a power higher than the self whether this is conceptualized through the lens of transcendence religion or cosmology

American Learned Men and Women with Czechoslovak Roots Mila Rechcigl, 2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women in America with Czechoslovak roots That's what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i.e. Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethnic background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently it would be virtually impossible to determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a mere guessing and thus less objective

Dispo\$able Live\$, *Dharma of the Dead* Christopher M. Moreman, 2018-07-10 With the increased popularity of zombies in recent years scholars have considered why the undead have so captured the public imagination This book argues that the zombie can be viewed as an object of meditation on death a memento mori that makes the fact of mortality more approachable from what has been described as America's death denying culture The existential crisis in zombie apocalyptic fiction brings to the fore the problem of humanity's search for meaning in an increasingly global and secular world Zombies are analyzed in the context of Buddhist thought in contrast with

social and religious critiques from other works

AUSTRALIA - The Red Center Ray Madeline Van Dinther,2012-09-12

This is an audio e book Music Song Birds and narration A poignant rendition with words illustrations music bird songs and more AUSTRALIA The land below the ocean below is part of me These accents are my accent These meandering rivers winding through the country belong to me My parents ashes lie in this soil beneath me together with the remains of my three unborn children What would I change if I had my time over again The only change I would make is to have had knowledge

The Funeral Casino Alan Klima,2010

The Sixth Sense Reader David Howes,2024-11-01

What is the sixth sense Is it physical mental or spiritual Do we all possess it or is it unique to exceptional individuals Might there be a seventh sense and an eighth sense as well What role does culture play in determining the range of our perceptual abilities The search for a supplementary sense has taken many directions and yielded numerous possibilities for an additional faculty of perception from magnetism and movement to dreaming and clairvoyance Stimulating reflection and debate The Sixth Sense Reader explores the cultural contexts which give rise to such reports of psychic and other powers that exceed the ordinary bounds of sense In this groundbreaking volume leading scholars in history anthropology and biology take the reader on a tour of the far borderlands of consciousness From the world beneath to the world beyond the five senses every potential avenue of sensation is opened up for investigation

Sexuality in Classical South Asian Buddhism José Ignacio

Cabezón,2017-10-10 A prolific scholar surveys classical Buddhism s approach to sex gender and sexual orientation in this landmark volume More than twenty five years in the making this detailed sourcebook on Buddhist understandings of sexuality desire ethics and deviance in classical South Asia is filled with both engaging translations and original and provocative analysis Jose Cabezón the XIVth Dalai Lama Professor at the University of California Santa Barbara marshals an incredible array of scriptures legal and medical texts and philosophical treatises explaining the subtleties of this ancient literature in lucid prose This work will be of immense interest not only to scholars of Buddhism and gender studies but also to lay readers who want to learn more about traditional Buddhist attitudes toward sex
