Southern Funeral Director, 1929 Death or Ice Cream? Gareth P. shocking story of Boogaard's life and heartbreaking death *Boy on Ice* is the richly told story of a mountain of a man who made it to the absolute pinnacle of his sport. Widely regarded as the toughest man in the NHL, Boogaard was a gentle man off the ice but a merciless fighter on it. With great narrative drive, Branch recounts Boogaard's unlikely journey from lumbering kid playing pond hockey on the prairies of Saskatchewan so big his skates would routinely break beneath his feet to his teenaged junior hockey days when one brutal outburst of violence brought Boogaard to the attention of professional scouts to his days and nights as a star enforcer with the Minnesota Wild and the storied New York Rangers capable of delivering career-ending punches and intimidating entire teams. But as Branch reveals behind the scenes, Boogaard's injuries and concussions were mounting and his mental state was deteriorating, culminating in his early death from an overdose of alcohol and painkillers. Based on months of investigation and hundreds of interviews with Boogaard's family, friends, teammates, and coaches, *Boy on Ice* is a brilliant work for fans of Michael Lewis's *The Blind Side* or Buzz Bissinger's *Friday Night Lights*. This is a book that raises deep and disturbing questions about the systemic brutality of contact sports from peewees to professionals and the damage that reaches far beyond the game. **The Green Burial Guidebook** Elizabeth

Fournier, 2018-04-15 Funeral expenses in the United States average more than 10,000. And every year, conventional funerals bury millions of tons of wood, concrete, and metals, as well as millions of gallons of carcinogenic embalming fluid. There is a better way, and Elizabeth Fournier affectionately dubbed the Green Reaper walks you through it step by step. She provides comprehensive and compassionate guidance covering everything from green burial planning and home funeral basics to legal guidelines and outside-the-box options such as burials at sea. Fournier points the way to green burial practices that consider both the environmental well-being of the planet and the economic well-being of loved ones. *Lay Me in God's Good Earth* Kent Burrenson, Beth Hoeltke, 2024-08-20 Current burial practices in the West fail to confront us with the reality of death and make it harder to grieve properly. Burrenson and Hoeltke argue that natural burial offers a more accurate picture of Christian hope and resurrection. This immensely practical guide is also an application of the hope of the resurrection to those grieving.

The Man on the Train Wanda Rhodes, 2013-05-10 Leroy Chester grows up in a small Oklahoma town knowing his mama is sad. She is all he has in the world, and he just wants her to be happy. When he turns eighteen, he embarks on a three-month journey from train to train with the hope of finding the only man she has ever loved. But when he fails and returns home, his mother is nowhere to be found. Two days later, he finds his mother's lifeless body next to the chicken coop, the victim of murder. Left distraught and without answers as to who killed his mama, Leroy drowns his troubles in whiskey. But it is not long before he determines it is Al Jenkins, his mother's ex-boyfriend who murdered her. After he kills Jenkins in a fit of rage, he flees on the train only to meet up with his mother's great love, John. Before he knows it, Leroy ends John's life too. Now on the run, Leroy lays low until fate leads him to what he hopes is a new beginning in Arkansas. *The Man on the Train* is the story of one man's journey from childhood into adulthood as he attempts to put a tragic violent past behind him and start anew. Year of Ice Brian Malloy, 2007-04-01 Brian Malloy's acclaimed debut novel set in Minneapolis in the late 70's. The Year of Ice is the story of a painfully revealing year that threatens to shatter the tenuous bonds between a father and his teenage son. It is 1978 in the Twin Cities and Kevin Doyle, a high school senior, is a marginal student in love with keggers, rock and roll, and unbeknownst to anyone else, a boy in his class with thick eyelashes and a bad attitude. His mother, Eileen, died two years earlier when her car plunged into the icy waters of the Mississippi River, and since then Kevin's relationship with his father, Patrick, has become increasingly distant. As lonely women vie for his father's attention, Kevin discovers Patrick's own closely guarded secret: he had planned to abandon his family for another woman. More disturbingly, his mother's death may well have been a suicide, not an accident. Complicating the family dynamic is the constant meddling of Kevin's outspoken Aunt Nora, who will never forgive Patrick for Eileen's death, along with Patrick's inability to stay single for very long. His loyalties divided between his father and his aunt, between his internal reality and his public persona, Kevin is forced to accept his gay identity and reevaluate his notions of family and love as painful truths emerge about both. *Ice* Azelin Phillips, 2014-12-20

Disillusioned by the hypocrisy of the adults in his life, a young man severed ties with his family and pursued a lifelong journey on a twisted path of selfishness and depravity. In the end, totally helpless and abandoned by his own children, he died with only his paid caregivers at his bedside. *Blazing Ice* R. Scott Carlton, 2011-10 *Blazing Ice* is a graphic portrayal of show business. It tells what really goes on behind the scenes of a multi-million dollar production. This is the true story of a young man who dreams of being an ice show star despite his lack of training and experience. He has a gimmick that he thinks will help him achieve his goal: he can juggle fires while he skates. He goes by himself to Europe to prove he can succeed in becoming a star with *Holiday on Ice*. During his climb up the ladder, he finds himself in the middle of all sorts of scandals: the casting couch, drug smuggling, prostitution, backstage accidents, suicide, wife beating, a police raid, sex of every imaginable description, and a constant stream of backstabbing. The old timers in the show, most of whom have never risen above the rank of chorus kid, resent seeing someone new pass them by. Our skater has never encountered gays before, and he finds the gay world to be quite shocking. Dealing with these people forces him to cope with his own sexual insecurities. By the time his first year with the show is over, his whole life is turned upside down. *Blazing Ice* also describes what it is like to tour Europe. The show performs in Paris, Rome, Zurich, Amsterdam, Prague, and many other great European capitals. Our skater swims in the beautiful blue Mediterranean, wins money in Monte Carlo, explores the catacombs beneath the Vatican, climbs the Eiffel Tower, investigates nearly every major art museum in Europe, and does all sorts of wonderful and fantastic things. Does our skater find glamour and excitement? Yes. Does he find heartache? Definitely. Is stardom worth the sacrifice? The reader will just have to read *Blazing Ice* to find out. **The Ice Bridge** Kathryn Meyer Griffith, 2016-06-17 She'll fall in love again with a man and the island. Charlotte returns to her Aunt Bess and Mackinac Island, a quaint retreat that welcomes summer tourists and allows no cars, to renew herself and write about the island's ghosts. She's come to help Bess with her heartache, an ended love with

Shaun and to renew a friendship with neighbor Hannah In winter Mackinac closes down and everyone looks forward to the ice bridge that freezes across the Straits of Mackinac Until Hannah disappears into the icy waters crossing it Everyone says it s an accident But Charlotte and her admirer cop friend Mac don t think so Something isn t right Hannah was too smart to go off the path So it s murder but why how by whom In the end it s Mac and perhaps Hannah s ghost who saves Charlotte and Bess s lives when the killer decides they re too close to the truth and tries to kill them too
