### Fur Trade On The Upper Missouri 1840:

The Fur Trade on the Upper Missouri, 1840-1865 John E. Sunder,1993 By beginning where the standard works leave off and carrying the story up to its logical conclusion in 1865 this book fills a definite void in the history of the fur trade in the American West Set in the upper Missouri country which was bypassed by settlement until the 1860s it focuses primarily upon the St Louis firm of Pierre Chouteau Jr and Company usually known as the American Fur Company This is not the distorted and romanticized approach so typical of much of the literature on the earlier fur trade Drama is inherent but it is sound well conceived carefully documented history American Historical Review

The Fur Trade on the Upper Missouri, 1840-1865, by John E. Sunder Sunder, John Edward, 1965

Chardon's Journal at Fort Clark, 1834-1839 Francis A. Chardon, 1997-01-01 Thirty years after Meriwether Lewis and William Clark passed through the Mandan villages in present day North Dakota the Upper Missouri River region was being plied by fur traders In 1834 Francis A Chardon a Philadelphian of French extraction took charge of Fort Clark a main post of the American Fur Company on the Upper Missouri The journal that Chardon began that year offers a rare glimpse of daily life among the Mandan Indians including the Arikaras Yanktons and Gros Ventres In particular it is a valuable and graphic record of the smallpox scourge that nearly destroyed the Mandans in 1837 Chardon describes much of historical interest including such figures as the interpreter Charbonneau Sacajawea s husband and the fantastic James Dickson Liberator of all the Indians By the time his account ends in 1839 the fur trade is already in decline Chardon's journal was long lost rediscovered and finally edited and published in 1932 by Annie Heloise Abel a distinguished scholar whose works all available as Bison Books included The American Indian As Slaveholder and Secessionist The American Indian in the Civil War 1862 1865 and The American Indian and the End of the Confederacy 1863 1866 Her historical introduction provides background on the fur trade and on Chardon's life before and after his tenure at Fort Clark William R Swagerty is a history professor at the University of Idaho The Assiniboine Edwin Thompson Denig, 2000 Edwin Thompson Denig was assigned as the post bookkeeper at Fort Union on the Upper Missouri in 1837 by the American Fur Company He spent close to two decades there and married into the Assiniboine In the summer of 1851 Father Pierre Jean de Smet spent two weeks at Fort Union He encouraged Denig to write a number of sketches of the manners and customs of the Assiniboine and neighboring tribes Denig compiled additional information in response to gueries by early ethnographers including Henry Rowe Schoolcraft who were collecting ethnological information about Indian tribes in the United States African American Lives in St. Louis, 1763-1865 Dale Edwyna Smith, 2017-02-07 The African American presence in St Louis began in 1763 with the arrival of several free men of color who accompanied Pierre Laclede from New Orleans to set up a fur trading fort on the Mississippi Within a few decades the fort had become a prosperous commercial center whose proximity to the western frontier attracted a cosmopolitan community African Americans in St Louis both slave and free enjoyed greater autonomy

and opportunity than those in urban areas of the South and East Slaves in the city set legal precedent by filing hundreds of freedom suits often based on the prohibition against slavery set by the Northwest Ordinance of 1787 After a century in the region many blacks enlisted in the Union Army during the Civil War Drawing on a wide range of sources the author studies the history of slaves and free blacks in this city The World of the American West Gordon Morris Bakken, 2010-10-04 The World of the American West is an innovative collection of original essays that brings the world of the American West to life and conveys the distinctiveness of this diverse constantly changing region Twenty scholars incorporate the freshest research in the field to take the history of the American West out of its timeworn Cowboys and Indians stereotype right up into the major issues being discussed today from water rights to the presence of the defense industry Other topics covered in this heavily illustrated highly accessible volume include the effects of leisure and tourism western women politics and politicians Native Americans in the twentieth century and of course oil With insight both informative and unexpected The World of the American West offers perspectives on the latest developments affecting the modern American West providing essential reading for all scholars and students of the field so that they may better understand the vibrant history of this globally significant ever evolving region of North America The Red and the White: A Family Saga of the American West Andrew R. Graybill, 2013-10-07 Winner of the Labriola Center American Indian National Book Award One of the American West s bloodiest and least known massacres is searingly re created in this generation spanning history of native white intermarriage National Book Award winning histories such as The Hemingses of Monticello and Slaves in the Family have raised our awareness about America's intimately mixed black and white past Award winning western historian Andrew R Graybill now sheds light on the overlooked interracial Native white relationships critical in the development of the trans Mississippi West in this multigenerational saga Beginning in 1844 with the marriage of Montana fur trader Malcolm Clarke and his Piegan Blackfeet bride Coth co co na Graybill traces the family from the mid nineteenth century when such mixed marriages proliferated to the first half of the twentieth when Clarke's children and grandchildren often encountered virulent prejudice At the center of Graybill s history is the virtually unexamined 1870 Marias Massacre on a par with the more infamous slaughters at Sand Creek and Wounded Knee an episode set in motion by the murder of Malcolm Clarke and in which Clarke s two sons rode with the Second U S Cavalry to kill their own blood relatives Beneath the Backbone of the World Ryan Hall,2020-03-19 For the better part of two centuries between 1720 and 1877 the Blackfoot Niitsitapi people controlled a vast region of what is now the U S and Canadian Great Plains As one of the most expansive and powerful Indigenous groups on the continent they dominated the northern imperial borderlands of North America The Blackfoot maintained their control even as their homeland became the site of intense competition between white fur traders frequent warfare between Indigenous nations and profound ecological transformation In an era of violent and wrenching change Blackfoot people relied on their mastery of their homelands unique geography to maintain their way of life With extensive archival research from

both the United States and Canada Ryan Hall shows for the first time how the Blackfoot used their borderlands position to create one of North America's most vibrant and lasting Indigenous homelands This book sheds light on a phase of Native and settler relations that is often elided in conventional interpretations of Western history and demonstrates how the Blackfoot exercised significant power resiliency and persistence in the face of colonial change The People who Own Themselves Heather Devine, 2004 With a unique how to appendix for Metis genealogical reconstruction this book will be of interest to Metis wanting to research their own genealogy and to scholars engaged in the reconstruction of Metis ethnic identity The search for a Metis identity and what constitutes that identity is a key issue facing many aboriginals of mixed ancestry today This book reconstructs 250 years of the Desjarlais family history across a substantial area of North America from colonial Louisiana the St Louis Missouri region and the American Southwest to the Red River and central Alberta In the course of tracing the Desjarlais family social economic and political factors influencing the development of various Aboriginal ethnic identities are discussed With intriguing details about the Desjarlais family members this book offers new original insights into the 1885 Northwest Rebellion focusing on kinship as a motivating factor in the outcome of events **Rocky Mountain Rendezvous** Fred Gowans, 2009-09 An excellent guide for mountain man enthusiasts and an intriguing exploration of the West Rocky Mountain Rendezvous focuses on the fur trading rendezvous that took place from 1825 1840 in the Central Rocky Mountains Originally commercial gatherings where furs were traded for necessities such as traps guns horses and other supplies they evolved into rich social events that were pivotal in shaping the early American West the Great Plains David J.
