master composers who lived in the 18th and 19th centuries and the music has been adapted here for clarinet performance. The music used represents a variety of musical styles thus giving the player a wide performance experience. Metronome markings have been suggested for each work to give the player a guideline for tempo. The piano accompaniment is included in the book and also available as an online download. *Clarinet Variations* Donald J. Rauscher, 1977 *Clarinet for Beginners* Avrahm Galper, 1980
