Elena A Life In Soho:

Elena Elena Salvoni, Sandy Fawkes, 1990 **Literary Voices of the Italian Diaspora in Britain** Manuela D'Amore, 2023-09-27 This volume studies the literary voices of the Italian diaspora in Britain including 21 authors and 34 pieces of prose verse and drama This book shows how authors both recount the history of the migrant community in the period 1880 1980 while creatively experimenting with hybrid forms of expression and blending words with visuals *Literary Voices of the Italian Diaspora in Britain* discusses topical issues like migration and social integration cultures and foods in transition as well as plurilingualism The book pays special attention to discussions of the horrors of the Second World War especially on the tragedy of the *Arandora Star* 2nd July 1940 to show this literary community's political commitments More importantly it will begin to fill the void left by a critical tradition which has only appreciated the northern American and Australian branches of Italian writing *Cultures of Consumption* Frank Mort, 2013-04-15 Examines the construction of images of masculinity and the effect they have on identity sexuality and sexual politics Influences from black and white culture are explored as well as the ironies of class colour and sexuality *Eating Famously* , *The Battle of London 1939-45* Jerry White, 2021-11-04 Endlessly fascinating White is such a brilliant historian Mail on Sunday Lasting for six long years the Blitz transformed life in the capital beyond recognition marking a time of almost constant anxiety disruption deprivation and sacrifice for Londoners With the capital the nation's frontline during the Second World War by its end 30 000 inhabitants had lost their lives While much has been written about the Myth of the Blitz its riveting social history has often been overlooked Unearthing what it was actually like for those living through those tempestuous years Jerry White paints a fascinating portrait of the daily lives of ordinary Londoners telling the story through their own voices As a history of the capital in wartime it is probably unsurpassable Sunday Telegraph An impressive history of the capital at war White an accomplished chronicler of London's history tells it with brio and a confident mastery of the sources **Literary Review** **The Literary Review** , 2007 *Monty Python* Douglas McCall, 2013-11-19 A chronological listing of the creative output and other antics of the members of the British comedy group Monty Python both as a group and individually Coverage spans between 1969 the year Monty Python's Flying Circus debuted and 2012 Entries include television programs films stage shows books records and interviews Back matter features an appendix of John Cleese's hilarious business training films an index of Monty Python's sketches and songs an index of Eric Idle's sketches and songs as well as a general index and selected bibliography *Fulfilment and Betrayal, 1975-1995* Naim Attallah, 2007 *Fulfilment and Betrayal* charts Naim Attallah's years of achievement and the pitfalls put in his way by those envious of his ambitions From being an immigrant who had to take a series of labouring jobs he rose to become the CEO of the luxury goods group Asprey publisher impresario film producer and man about town **Searching for Lord Haw-Haw** Colin Holmes, 2016-07-28 *Searching for Lord Haw Haw* is an authoritative account of the political lives of William Joyce He became notorious as a fascist an anti Semite and then as a

Second World War traitor when assuming the persona of Lord Haw Haw he acted as a radio propagandist for the Nazis It is an endlessly compelling story of simmering hope intense frustration renewed anticipation and ultimately catastrophic failure This fully referenced work is the first attempt to place Joyce at the centre of the turbulent traumatic and influential events through which he lived It challenges existing biographies which have reflected not only Joyce s frequent calculated deceptions but also the suspect claims advanced by his family friends and apologists By exploring his rampant increasingly influential narcissism it also offers a pioneering analysis of Joyce s personality and exposes its dangerous destructive consequences What a saga my life would make Joyce wrote from prison just before his execution Few would disagree with him

Experiencing war as the 'enemy other' Wendy Ugolini,2017-10-03 Italy s declaration of war on Britain in June 1940 had devastating consequences for Italian immigrant families living in Scotland signalling their traumatic construction as the enemy other Through an analysis of personal testimonies and previously unpublished archival material this book takes a case study of a long established immigrant group and explores how notions of belonging and citizenship are undermined at a time of war Overall this book considers how wartime events affected the construction of Italian identity in Britain It makes a groundbreaking and original contribution to the social and cultural history of Britain during World War Two as well as the wider literature on war memory and ethnicity It will appeal to scholars and students of British and Scottish cultural and social history and the history of World War II

Divided Loyalties Lucio Sponza, 2000 Historians have paid little attention to the fate of minorities at times of acute crises This book addresses the case of two different types of Italians in Britain during the Second World War the immigrants who became enemy aliens overnight and the prisoners of war POWs who were brought to this country to compensate for the lack of manpower The material life and the contrasting sentiments of both groups of Italians are studied against a background of changing government policies towards enemy aliens and POWs People with a weak sense of nationhood the Italians strongest loyalties are normally towards their own families and kin A surrogate national sentiment was enhanced in the case of immigrants by their condition of foreigners confined to the margin of society in the case of the POWs by their condition of men humiliated in defeat and captivity Yet in both instances ambiguity and dislocation of sentiments made the central issue of divided loyalties a complex and painful albeit enriching experience The book is mainly based on archival mostly unused sources direct private testimonies both written and oral are also taken into account

Nights Out Judith Walkowitz, 2012-05-15 London's Soho district underwent a spectacular transformation between the late Victorian era and the end of the Second World War its fin de siècle buildings and dark streets infamous for sex crime political disloyalty and ethnic diversity became a center of culinary and cultural tourism servicing patrons of nearby shops and theaters Indulgences for the privileged and the upwardly mobile edged a dangerous transgressive space imagined to be outside the nation Treating Soho as exceptional but also representative of London's urban transformation Judith Walkowitz shows how the area's foreignness liminality and porousness were key to the explosion of culture and development of modernity in the first half of the twentieth century She draws on a vast and unusual range of sources to stitch together a rich patchwork quilt of vivid stories and unforgettable characters revealing how Soho became a showcase for a new cosmopolitan identity

The Peopling of London Nick Merriman, 1993 Published to accompany a Museum of London exhibition from November 1993 to May 1994 this book sets out to show that London has had a cosmopolitan population from its very beginnings

Exporting Fascism Claudia Baldoli, 2003-09 How did Italians living in Britain respond to Mussolini's fascism What links did ex pat fascists forge with the British Right To what extent did Italophilia exist in Britain during the Mussolini years Exporting Fascism addresses these questions which have long been ignored by historians While there is much material available about Nazi sympathizers in the United Kingdom there is comparatively very little about Italophile fascist sympathizers The author uncovers the policy of Mussolini's government to transform Italian communities abroad into little Fascist Italies Ambassador Dino Grandi had great success in the fascistization campaign of Italian emigrants through such means as Italian community newspapers and fascist summer camps and schools The author also examines the links forged between Italian fascism and the British Right Specifically she uncovers the Italophilia that dominated the British Union of Fascists BUF in the first half of the 1930s later to be replaced with an admiration for National Socialism She also examines the BUF's activities within Italy which have thus far remained almost

entirely unknown Exporting Fascism sheds new light on a neglected aspect of the international fascist movement at the dawn of the Second World War
