Geopolitics of the Caribbean Thomas D. Anderson, 1984

Caribbean Maritime Security Michael A. Morris, 2016-07-27 Caribbean coast guard and naval hierarchies are developed in order to facilitate systematic comparisons about maritime issues and key actors On this basis the relationship of different groups of states to the longstanding Cold War security agenda as well as the emerging post Cold War one is assessed

Prominent emerging security issues include boat people maritime drug trafficking and a variety of local maritime security issues While Caribbean maritime security is distinctive and important this book provides the only comprehensive treatment of the subject

Modern Caribbean Politics Anthony Payne, Paul K. Sutton, 1993-03 A successor volume to the editors Dependency under Challenge The Political Economy of the Commonwealth Caribbean Manchester U Press 1984 this volume reviews political and economic developments of the 1980s not just in the Commonwealth Caribbean but in the whole of the Caribbean region in original analyses by specialist scholars in the field of Caribbean studies Paper edition unseen 15 95 Annotation copyright by Book News Inc Portland OR

Dependency and Socialism in the Modern Caribbean Euclid A. Rose, 2002-01-01 Was the Anglophone Caribbean condemned by its colonial history to permanent conditions of dependency and by Cold War geopolitical realities to international interventionism In *Dependency and Socialism in the Modern Caribbean* Euclid Rose focuses upon the efforts made by the English speaking Caribbean through case studies that compare and contrast the political economies of Guyana Jamaica and Grenada to break out of the legacy of colonial dependency and underdevelopment through the implementation of a Caribbean brand of socialism The work considers the Caribbean s adoption of Fabian style socialism as an alternative to capitalist development and how these socialist policies were impacted by differences in infrastructure capacity economic and social resources and political agendas It highlights the pivotal role of race and class and the hitherto little studied impact of religion on the region s political economy Moreover the study calculates the impact of the global economy upon Caribbean socio economic conditions and the ideological geopolitical and strategic implications of the Cold War and the Caribbean s socialist alignment on the nature character and intensity of British and American interventionism in the region A must read for political economists in search of a greater understanding of the postcolonial political economy of the Caribbean and Latin America

A Political Geography of Latin America Jonathan R. Barton, 2002-11 This book approaches the diversity of south and central America from a critical human geography perspective It seeks to overcome stereotypes by stressing the need for an inclusionary political geography which cuts across traditional boundaries

Historical Dictionary of Inter-American Organizations David W. Dent, Larman C. Wilson, 2013-12-11 The Historical Dictionary of Inter American Organizations covers the changing world of inter American and international organizations that have played an important role in bilateral and multilateral efforts to solve a wide range of problems that have confronted the nations of the Western Hemisphere The Latin American region is clearly more integrated regionally and

internationally than in previous decades and is better prepared to confront a broad range of problems trade development illicit drugs terrorism and guerrilla activity health environment democratization trade human rights intervention electoral assistance peacekeeping and conflict resolutions migration border conflicts corruption and energy independence that governments and non governmental organizations face in the 21st century The role of the United States in Latin America has clearly faded since the end of the Cold War and the second edition of this book fills a large void in explaining the complexities of inter American organizations and their activities since the first edition was completed in the late 1990s This updated second edition of Historical Dictionary of Inter American Organizations covers the history of through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Inter American Organizations **Size and Survival**

Anthony Payne,Paul Sutton,2014-02-04 This book provides the first comparative survey of the security problems faced by the small island and enclave developing states of the two major regions in the world characterised by the presence of such states the Caribbean and the Pacific It both contributes to the theoretical debate about size and security and offers an up to date and comprehensive analysis of the politics of security in these regions The Geopolitics of Indonesia's Maritime Territorial Policy

Dino Patti Djalal,1996 **United States and Pakistan in the 21st Century** Syed Tahseen Raza,2020-11-11 This book historically maps and examines the evolving contemporary geostrategic and geopolitical imperatives of the United States within Pakistan and the South Asian region especially after September 11 2001 It offers a detailed and theoretical account of the rapidly changing context of US foreign policy towards Pakistan after 2001 The history of the US Pakistan relationship has been a complex and inscrutable mix of cooperation and conflict has turned even more challenging after 9 11 This book covers the latest developments and relevant themes from world politics as it discusses the impact of the unprecedented rise in religious extremism in Pakistan stemming from the US War on Terror as well as Pakistan s economic vulnerability and military dictatorship India s offer to support the US in its war in Afghanistan Pakistan s nuclear capability and the US administration s decision to end financial aid to Pakistan The study highlights the fact that from the receding of British influence in the region through the Cold War and post Cold War phases to the post 9 11 period US South Asia policy has been informed by the theoretical paradigm of the grand strategy of primacy This topical book will be useful to scholars and researchers of international relations politics political studies strategic and defence studies security and peace studies foreign policy area studies and South Asian studies It will also interest diplomats politicians policymakers security experts journalists and think tanks interested in India Pakistan and the United States on issues of international politics world affairs and terrorism **The Third World** Jim Norwine,Alfonso Gonzalez,1988 This book aims to present an impressionistic picture that reflects the heterogeneous nature of the Third World Contributions from Western and Third World authors illustrate the

complex reality of problems and issues using case studies from the Caribbean South America the Arab countries Asia and Africa

South America, Central America and the Caribbean 2002 Jacqueline West, 2001 South America Central America and the Caribbean 2002 has been thoroughly revised and updated by Europa's experienced editorial team The information included is as invaluable to those who know little of the region as it is to the seasoned businessman or academic It should be in the reference collections of public and academic libraries international organizations trade and industrial companies diplomats government and the media Containing a wealth of up to date information on the 48 countries and territories of the region this reference provides a unique perspective on the region with its exhaustive collection of facts up to date statistics extensive directory details and expert comment

The Dynamic Caribbean Aimée Algier, 2001

Nested Identities Guntram Henrik Herb, David H. Kaplan, 1999 This groundbreaking work explores the vital importance of territory and space to any genuine understanding of nationalism and identity Too often the contributors argue national identity is analyzed apart from the lands that are integral to its formation as territory is seen as a commodity to be brokered rather than as central to a group's self definition This volume combines theoretical insights with structured case studies on how national identity manifests itself in space and at different geographical scales

US-Grenada Relations G. Williams, 2007-12-25 Why did the world's strongest power intervene militarily in the tiny Commonwealth Caribbean island of Grenada in October 1983 This book focuses on United States Grenada relations between 1979 and 1983 set against the wider historical context of US Caribbean Basin relations It presents an in depth study of US policy during the Carter and Reagan presidencies and the deterioration of relations with the Marxist Leninist People's Revolution Government PRG of Grenada It considers in detail the murderous internal power struggle that destroyed the PRG and the decisionmaking process that resulted in a joint US Caribbean military intervention
