George Jones Why Baby Why

Jimmy McDonough

George Jones Why Baby Why:

George Jones Jim Brown,2001 Jones recalls his days growing up tough in the piney woods of East Texas tours of the honky tonk circuit in the 1950s his battle with the bottle and his hard won success TV documentary to air on TNN Photos

Billboard ,1970-10-31 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **George Jones**

Bob Allen,2023-10-03 George Jones s nearly 60 year recording and performing career has had a profound influence on modern country music and influenced a younger generation of singers including Garth Brooks Alan Jackson Randy Travis Tim McGraw and Trace Adkins As Merle Haggard said of Jones in Rolling Stone magazine His voice was like a Stradivarius violin one of the greatest instruments ever made Jones s saga is a larger than life tale of rags to riches and back to rags again He was born into near poverty in a backwater patch of East Texas His formal education ended early by his early teens he was singing on the streets of Beaumont Texas for tips After beginning to record in the mid 1950s Jones became by sheer dint of his vocal prowess one of Nashville s most celebrated honky tonk singers But from the start Jones s life as often reflected in his music was shaped by misdirection chaos turmoil and emotional strife aggravated by a ferocious appetite for alcohol Fame and adulation seemed to merely intensify his personal travails Jones s story has a relatively happy ending With the help of fourth wife Nancy during the final decade and a half of his life he got clean and sober was feted as a much revered elder statesman for the music and by most accounts found peace of mind at long last **My Country Roots** Alice Randall,Carter

Little,Courtney Little,2006 Containing 100 recommended playlists for downloading this book is the best and most unique way to explore the Country music genre in a modern easy convenient way Each playlist walks you through the history culture and relevance of Country music revealing the authenticity and raw truth that represents Country **The Encyclopedia of**

Popular Music Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day **He Stopped Loving Her Today** Jack Isenhour,2011 A behind the scenes look at the creation of a country music masterpiece **House of Hits** Andy Bradley,Roger Wood,2010-03-01 Founded in a

working class neighborhood in southeast Houston in 1941 Gold Star SugarHill Recording Studios is a major independent studio that has produced a multitude of influential hit records in an astonishingly diverse range of genres Its roster of recorded musicians includes Lightnin Hopkins George Jones Willie Nelson Bobby Blue Bland Junior Parker Clifton Chenier Sir Douglas Quintet 13th Floor Elevators Freddy Fender Kinky Friedman Ray Benson Guy Clark Lucinda Williams Beyonc and Destiny s Child and many many more In House of Hits Andy Bradley and Roger Wood chronicle the fascinating history of Gold Star SugarHill telling a story that effectively covers the postwar popular music industry They describe how Houston s lack of zoning ordinances allowed founder Bill Quinn s house studio to grow into a large studio complex just as SugarHill s

willingness to transcend musical boundaries transformed it into one of the most storied recording enterprises in America. The authors offer behind-the-scenes accounts of numerous hit recordings spiced with anecdotes from studio insiders and musicians who recorded at Sugar Hill. Bradley and Wood also place significant emphasis on the role of technology in shaping the music and the evolution of the music business. They include in-depth biographies of regional stars and analysis of the various styles of music they represent as well as a list of all of Gold Star Sugar Hill's recordings that made the Billboard charts and extensive selected historical discographies of the studio's recordings. *The Starday Story* Nathan D.

Gibson, 2011-06-30 Association of Recorded Sound Collections Awards for Excellence Best Research in Record Labels Certificate of Merit 2012 *The Starday Story* The House That Country Music Built is the first book entirely dedicated to one of the most influential music labels of the twentieth century. In addition to creating the largest bluegrass catalogue throughout the 1950s and 60s, Starday was also known for its legendary rockabilly catalogue, an extensive Texas honky-tonk outpouring, classic gospel and sacred recordings, and as a Nashville independent powerhouse studio and label. Written with label president and co-founder Don Pierce, this book traces the label's origins in 1953 through the 1968 Starday-King merger. Interviews with artists and their families, employees, and Pierce contribute to the stories behind famous hit songs including "Y'all Come," "A Satisfied Mind," "Why Baby Why," "Giddy Up Go," "Alabama," and many others. Gibson's research and interviews also shed new light on the musical careers of George Jones, Arlie Duff, Willie Nelson, Roger Miller, the Stanley Brothers, Cowboy Copas, Red Sovine, and countless other Starday artists. Conversations with the children of Pappy Daily and Jack Starns provide a unique perspective on the early days of Starday, and extensive interviews with Pierce offer an insider's glance at the country music industry during its golden era. Weathering through the storm of rock and roll and later the Nashville Sound, Starday was a home to traditional country musicians and became one of the most successful independent labels in American history. Ultimately, *The Starday Story* is the definitive record of a country music label that played an integral role in preserving our nation's musical heritage.

Country Music Kurt Wolff, 2000 Includes essays tracing Country's growth from hand-me-down folk to a major American industry, concise biographies, critical album reviews from the earliest commercial recordings of the 1920s through the multi-platinum artists of today, and vintage album jackets and previously unpublished photographs. **All**

Music Guide to Country Michael Erlewine, 1997-06 Reviews and rates the best recordings of country artists and groups, provides biographies of the artists, and charts the evolution of country music. *Cocaine and Rhinestones* Tyler Mahan

Coe, 2024-09-03 From the creator of the acclaimed country music history podcast *Cocaine Rhinestones* comes the epic American saga of country music's legendary royal couple, George Jones and Tammy Wynette. By the early 1960s, nearly everybody paying attention to country music agreed that George Jones was the greatest country singer of all time. After taking honky-tonk rockers like "White Lightning" all the way up the country charts, he revealed himself to be an unmatched virtuoso on "She Thinks I Still Care," thus cementing his status as a living legend. That's where the trouble started. Only at this

new level of fame did Jones realize he suffered from extreme stage fright His method of dealing with that involved great quantities of alcohol which his audience soon discovered as Jones more often than not showed up to concerts falling down drunk or failed to show up at all But the fans always forgave him because he just kept singing so damn good Then he got married to Tammy Wynette right around the time she became one of the most famous women alive with the release of Stand by Your Man Tammy Wynette grew up believing George Jones was the greatest country singer of all time After deciding to become a country singer herself she went to Nashville got a record deal then met and married her hero With the pop crossover success of Stand by Your Man and the international political drama surrounding the song's lyrics came a gigantic audience who were sold a fairy tale image of a couple soon being called The King and Queen of Country Music Many fans still believe that fairy tale today The behind the scenes truth is very different from the images shown on album covers Illustrated throughout by singular artist Wayne White Cocaine Rhinestones is an unprecedented look at the lives of two indelible country icons reframing their careers within country music as well as modern history itself

Voices of the Country Michael Streissguth, 2004-06-19 Voices of the Country presents interviews with innovative musicians producers and songwriters who shaped the last fifty years of country music From Eddy Arnold's new smoother approach to song delivery to Loretta Lynn's take no prisoners feminism these people opened new vistas in country music and American culture Streissguth is a sensitive and knowledgeable interviewer he gets beyond the standard publicity tales to the heart of the real voice and real experiences of these important figures

The Words and Music of James Taylor James E. Perone, 2017-11-10 A valuable resource for James Taylor fans and a fascinating read for anyone interested in autobiographical popular music of the past 50 years What kinds of unusual musical forms and lyrical structures did American singer songwriter James Taylor incorporate into his songs What role did Taylor play in the introspective singer songwriter movement of the 1970s How did Taylor write and record songs that were inspired from his own experiences in life that touched so many other people The Words and Music of James Taylor explores these specific topics and provides detailed critical analysis of the songs and recordings of this well known musical icon examining his melodic writing his use of harmony and his often unappreciated tailoring of musical form to enhance his lyrical messages The book is organized chronologically primarily around Taylor's studio albums from 1968 to 2015 and offers an introduction a summary of Taylor's career and importance as well as an annotated bibliography and discography The final section of the book presents an overview of Taylor's importance and lasting impact an analysis of themes that run through his songs and an explanation of how Taylor's treatment of these themes changed over the years as he matured and as the world around him changed

Focus On: 100 Most Popular Grammy Lifetime Achievement Award Winners Wikipedia contributors, *A&R Pioneers* Brian Ward, Patrick Huber, 2018-06-26 Association for Recorded Sound Collections Certificate of Merit for the Best Historical Research in Recorded Roots or World Music 2019 A R Pioneers offers the first comprehensive account of the diverse group of men and women who pioneered artists and repertoire A R

work in the early US recording industry In the process they helped create much of what we now think of as American roots music Resourceful innovative and at times shockingly unscrupulous they scouted and signed many of the singers and musicians who came to define American roots music between the two world wars They also shaped the repertoires and musical styles of their discoveries supervised recording sessions and then devised marketing campaigns to sell the resulting records By World War II they had helped redefine the canons of American popular music and established the basic structure and practices of the modern recording industry Moreover though their musical interests talents and sensibilities varied enormously these A R pioneers created the template for the job that would subsequently become known as record producer Without Ralph Peer Art Satherley Frank Walker Polk C Brockman Eli Oberstein Don Law Lester Melrose J Mayo Williams John Hammond Helen Oakley Dance and a whole army of lesser known but often hugely influential A R representatives the music of Bessie Smith and Bob Wills of the Carter Family and Count Basie of Robert Johnson and Jimmie Rodgers may never have found its way onto commercial records and into the heart of America s musical heritage This is their story The Guide to United States Popular Culture Ray Broadus Browne,Pat Browne,2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index **Rockwiz Decades** Toby Creswell,2015-06-01

When You Sing It Now, Just Like New Robin

Ridington,Jillian Ridington,2021-12-10 When You Sing It Now Just Like New is a collection of essays about stories about hearing sharing and recording them and sometimes even becoming characters in them These essays which contextualize

stories within anthropology flow from Robin Ridington and Jillian Ridington's decades of work with the Athapaskan speaking Dane zaa people who live in Canada's Peace River area. The essays in part 1 feature the Ridingtons' audio work as well as Jillian's reflections on her relationships with Dane zaa women. The authors use a narrative style to lead the reader to an understanding of First Nations oral and written traditions. The essays in parts 2 and 3 are more scholarly and comparative and draw on ethnographic experience. They speak to one or more theoretical issues and discuss First Nations traditions beyond the Dane zaa but always from within the context of shared ethnographic authority. Students of anthropology, folklore, and Native studies can hear samples of audio compositions from the Dane zaa archive by downloading audio files from the University of Nebraska Press Web site.

Tammy Wynette Jimmy McDonough, 2010-03-04. The first full scale biography of the enduring first lady of country music. The twentieth century had three great female singers who plumbed the darkest corners of their hearts and transformed private grief into public dramas. In opera there was the unsurpassed Maria Callas. In jazz the tormented Billie Holiday. And in country music there was Tammy Wynette. Stand by Your Man, D I V O R C E, Take Me to Your World are but a few highlights of Tammy's staggering musical legacy, all sung with a voice that became the touchstone for women's vulnerability, disillusionment, strength, and endurance. In *Tammy Wynette*, bestselling biographer Jimmy McDonough tells the story of the small town girl who grew up to be the woman behind the microphone whose meteoric rise led to a decades long career full of tragedy and triumph. Through a high profile marriage and divorce, her dreadful battle with addiction and illness, and the struggle to compete in a rapidly evolving Nashville, Tammy turned a brave smile toward the world and churned out masterful hit songs though her life resembled the most heartbreaking among them. *Tammy Wynette* is an intimate portrait of a music icon, the Queen of Heartbreak, whose powerful voice simultaneously evoked universal pain and longing, even as it belied her own.

The Encyclopedia of Country Music Michael McCall, John Rumble, Paul Kingsbury, 2012-02-01. The *Encyclopedia of Country Music* is the most comprehensive reference work on this musical genre with deep roots in American history. Compiled by staff of the legendary Country Music Hall of Fame and Museum, the *Encyclopedia* includes 1,200 A-Z entries on all aspects of country music as well as hundreds of images, informative and entertaining essays on such topics as the colorful costumes of country and much more. The new edition has been thoroughly updated to cover the first decade of the twenty-first century and the evolution of the genre.
