of Fair Oaks Chapter 24 Private letters May 20 to June 26 1862 Chapter 25 Beginnings of the Seven Days Battle of Gaines s Mill Chapter 26 Seven Days battles Savage s Station Malvern Hill Chapter 27 Private letters June 26 to August 23 1862 Chapter 28 Letters to General Halleck and General Burnside Secretary Stanton And more General George B. McClellan Warren W. Hassler,1957 A study of the Civil War career of one of the war s most controversial figures General George B McClellan who was dismissed by Lincoln from his post as commander of the Army of the Potomac in 1862 **McClellan and Failure** Edward H. Bonekemper,2007-01-01 In the eyes of many historians Union General George B McClellan single handedly did more damage to the Union war effort than any other individual The main focus of this work is McClellan s Civil War service and the ways in which the man and his decisions affected the course of the war Provided by publisher

Report Of Major-general George B. McClellan George Brinton McClellan,2025-05-22 This is the official report of Major General George B McClellan regarding the organization of the Army of the Potomac and its campaigns in Virginia and Maryland from July 26 1861 to November 7 1862 Reprinted in its entirety from the original copy transmitted by the Secretary of War this document provides a detailed account of the Union Army s activities during a crucial period of the American Civil War McClellan s report offers valuable insights into the strategies challenges and leadership decisions that shaped the early years of the conflict Readers interested in military history the Civil War and the command structure of the Union Army will find this report an invaluable primary source Report Of Major general George B Mcclellan remains an essential resource for understanding the complexities of the war and the role of one of its most prominent figures This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *McClellan's Own Story* George Brinton McClellan,1887 **George B. McClellan** Stephen W. Sears,2014-12-09 Sears has finally unraveled the mystique of this complex brilliant Civil War general A fascinating story James M McPherson author of *Battle Cry of Freedom* Commander of the Northern army in the Civil War Gen George McClellan saw himself as God s chosen instrument for saving the Union Self aggrandizing with a streak of arrogant stubbornness he set himself above President Lincoln whom he privately called the Gorilla To the young Napoleon as McClellan s troops dubbed him abolition was an accursed doctrine Fond of conspiracy plots

he insisted that the Lincoln administration had traitorously conspired to set him up for military defeat Although he constantly anticipated one big decisive battle that would crush the South he squandered one military opportunity after another and if Sears is correct he was the worst strategist the Army of the Potomac ever had Based on primary sources letters dispatch books diaries newspapers this masterly biography is an astonishing portrait of an egotistical crank who could snatch defeat from the jaws of victory Publishers Weekly Engagingly written and thoroughly researched Sears s persuasive critique is the best and most complete biography of this controversial general Library Journal The best biography of McClellan ever published Sears uses intensive research including new material to document the tormented wasted military career of a talented man The enigma of McClellan has never been explained so well Historians should be grateful The Washington Post Book World

George B. McClellan H. J. Eckenrode, Bryan Conrad, 2019-01-13 THIS IS MORE THAN THE STORY OF Little Mac It is the story also of that dark center of intrigue the nation s capital in 1862 of Washington shaking in its shoes for fear of an invasion by gaunt hairy beings riding into Washington like Centaurs and perhaps setting fire to the Capitol a Washington dominated by politicians and partisans where party strife and bitterness were so strong that some members of the government itself preferred Union defeat to a victory which might make a Democrat McClellan a national hero and a presidential possibility a Washington in which even the President and his Cabinet showed a childish impatience because McClellan did not remove the threat to the capital overnight in spite of a liquid terrain and the greatest military combination in modern history Lee and Jackson a Washington rotten with military gossip and spy talk in back alleys THIS BOOK ORIGINATED in studies made by the historians of the Conservation Commission in the Richmond battlefield area which is comprised in the Richmond Battlefield Park a charge of the commission These battlefields are the best preserved and least studied because long inaccessible in the country A detailed examination of the terrain convinced the historians both of them Southerners that McClellan was a great general and that he has been underestimated by historians Their opinion was confirmed by a study of the records They came to the conclusion that it was McClellan who prevented the defeat of the North in 1861-62 when the Confederacy was relatively stronger than it was at a later time Believing that politics should not be permitted to influence military judgments they have written this book partly for the purpose of doing justice to a great man who has suffered at the hands of history It is based on the ground itself and the original sources and is believed to be a contribution to American and Virginia history Foreword

McClellan's War Ethan S. Rafuse, 2011-11-23 An important book that rescues George B McClellan s military reputation Chronicles Bold brash and full of ambition George Brinton McClellan seemed destined for greatness when he assumed command of all the Union armies before he was 35 It was not to be Ultimately deemed a failure on the battlefield by Abraham Lincoln he was finally dismissed from command following the bloody battle of Antietam To better understand this fascinating however flawed character Ethan S Rafuse considers the broad and complicated political climate of the earlier 19th Century Rather than blaming McClellan for the Union s military

losses Rafuse attempts to understand his political thinking as it affected his wartime strategy As a result Rafuse sheds light not only on McClellan s conduct on the battlefields of 1861 62 but also on United States politics and culture in the years leading up to the Civil War Any historian seriously interested in the period will come away from the book with useful material and a better understanding of George B McClellan Journal of Southern History Exhaustively researched and lucidly written Rafuse has done an excellent job in giving us a different perspective on Little Mac Civil War History Rafuse s thoughtful study of Little Mac shows just how enthralling this complex and flawed individual continues to be Blue Gray magazine

Union General George B. McClellan at Antietam Julia L. Samuel,1978 *George B. McClellan and Civil War History*

Thomas J. Rowland,1998 Perhaps no other Union commander s legacy in the Civil War has been the subject of as much controversy as George B McClellan s Since the midpoint of this century however he has emerged as the complex general who though gifted with administrative and organizational skills was unable and unwilling to fight with the splendid army he had created Thomas J Rowland argues that this interpretation rests squarely within the context of general historical verdicts of the way in which the North eventually triumphed Civil War scholars have found the quality of Union leadership in the early years of the war wanting and that it was not until U S Grant and W T Sherman emerged that success was ensured On the other hand Grant and Sherman knew failure but were judged less harshly than was McClellan In *George B McClellan and Civil War History* Rowland presents a framework in which early Civil War command can be viewed without direct comparison to that of the final two years *Speeches of Gen. George B. McClellan During the Presidential Campaign of 1876* George Brinton McClellan,2023-07-18 This book presents a collection of speeches by George B McClellan a Union general during the American Civil War and a candidate for the Presidency in 1864 and 1876 In these speeches McClellan addresses a wide range of issues from the rights of veterans and the need for civil service reform to the importance of maintaining national unity and preserving the Constitution This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **General George B. McClellan** Warren W.

Hassler,1957 One of the most controversial and least understood major figures of the Civil War George B McClellan is thought by some writers to have been unfit to command even a regiment while to others he was a genius of the art and science of war who was sacrificed for political reasons Truly there is no leading general of the Civil War about whom there is such a wide difference of opinion Introduction Little Mac James M. Ridgway Jr.,2000-02-16 Here the author tells the intriguing story of the controversial Union general of the American Civil War George B McClellan affectionately know to the

men who fought under him as Little Mac It is a blistering refutation of the radical Republican inspired history of the general as carried into the Twenty First Century by revisionist historians The book reveals how and why so many politicians historians and writers over the years have found it both convenient and necessary to undermine and belittle the accomplishments of this great American patriot In general the book supports and expands the positive view of McClellan as expressed by Warren W Hassler in his 1957 book General George B McClellan Shield of the Union Conversely it disputes many of the negative conclusions of the general as offered by Stephen W Sears in his 1988 book George B McClellan The Young Napoleon as well as other works that Sears has written of the general It is all here McClellans formative years his Mexican War experience the love of his life the breakup of friendships his relationship with Lincoln the back stabbing of his political enemies led by the conniving secretary of war Edwin McMasters Stanton his strategies his battlefield opponents and of course the bloody battles themselves For those conditioned to viewing George McClellan in a stereotypically negative way the book will be something of a shock Conversely for those who see beyond the historical smear of the general the book will be a pure delight

Major General Philip Kearny Robert R. Laven, 2020-04-28 Union General Philip Kearny began his career as a lieutenant with the 1st U S Dragoons He studied cavalry tactics in France and fought with the Chasseurs d Afrique in Algeria where his fearlessness earned him the nickname Kearny le Magnifique Returning to America he wrote a cavalry manual for the U S Army and later raised a troop of dragoons using his own money to buy 120 matching dapple gray mounts for his men and led them during the Mexican War where he lost an arm This biography chronicles the military life of one of the most talented field officers in the Army of the Potomac at the outbreak of the Civil War who famously led a charge at the Battle of Williamsburg with his reins in his teeth and sometimes disobeyed General George McClellan once protesting an order to retreat as prompted by cowardice or treason Kearny was on the verge of higher command when he was killed at the 1862 Battle of Chantilly

George B. McClellan, the Man who Saved the Union. [With a Portrait.]. Hamilton James ECKENRODE (and CONRAD (Bryan)), Baron Von Steuben Bruce Adelson, Arthur Meier Schlesinger (Jr.), 2001-12 Discusses the life and accomplishments of the man appointed by General Washington to be the inspector general of the American army

McClellan's own story. The war for the Union, the soldiers who fought it, the civilians who directed it and his relations to it and to them. [Including "Biographical sketch of George B. McClellan by W. C. Prime". George Brinton McClellan (General.), 1887 *McClellan; a Vindication of the Military Career of General George B. McClellan* James Havelock Campbell, 1916
