## **George W Alexander And Castle Thunder A Confederate Prison And Its Commandant:**

**George W. Alexander and Castle Thunder** Frances Harding Casstevens, 2004-01-01 Captain George W Alexander was a controversial figure in Richmond during the Civil War honored as a hero and condemned as a cruel prison superintendent He was appointed Provost Marshall and put in charge of Castle Thunder in 1862 after escaping imprisonment at Fort McHenry At his Confederate prison in Richmond he oversaw prisoners of all types including Confederates women slaves Federal deserters and spies This biography traces his entire life from his career in the U S Navy and the voyage with Commodore Perry to Japan to his hiding in Canada after Lees surrender to his editorship of Washington DCs Sunday Gazette and death in 1895 The main body of the text concentrates on Alexanders time at Castle Thunder but the book also explores the evolution of the prison system and the provost marshalls department touching on unusual prisoners and escape attempts Appendix 1 is a partial list of prisoners at Castle Thunder and when where and why they were arrested Appendix 2 is a transcript of the court martial of Private John R Jones Appendix 3 lists prisoners sent from Camp Holmes and appendix 4 is a report of Alexander as Assistant Provost Marshall Appendix 5 is a pamphlet published by the Republican Party National Committee it struck at the Democratic Party by scorning its military prison keepers **George W.**

**Alexander and Castle Thunder** Frances H. Casstevens, 2007-11-01 Captain George W Alexander was a controversial figure in Richmond during the Civil War honored as a hero and condemned as a cruel prison superintendent He was appointed Provost Marshal and put in charge of Castle Thunder in 1862 after escaping imprisonment at Fort McHenry At his Confederate prison in Richmond he oversaw prisoners of all types including Confederates women slaves Federal deserters and spies This biography traces Alexander s life from the U S Navy voyage with Commodore Perry to Japan hiding in Canada after Lee s surrender editorship of Washington DC s Sunday Gazette to his death in 1895 The main body of the text concentrates on Alexander s time at Castle Thunder but the book also explores the evolution of the prison system and the provost marshal s department touching on unusual prisoners and escape attempts Appendix 1 is a partial list of prisoners at Castle Thunder and when where and why they were arrested Appendix 2 is a transcript of the court martial of Private John R Jones Appendix 3 lists prisoners sent from Camp Holmes and appendix 4 is a report of Alexander as Assistant Provost Marshall Appendix 5 is a pamphlet published by the Republican Party National Committee it struck at the Democratic Party by scorning its military prison keepers **True Crime in the Civil War** Tobin T. Buhk, 2012-02-16 Crime did not take a

holiday during the Civil War far from it As Tobin Buhk shows in this fast paced narrative the war created new opportunities to gain profits from illegal activities to settle old scores against personal enemies under the cover of fighting the nation s enemies to pillage plunder and murder amid the carnage and destruction that seemed to offer license to legitimize such crimes Students of the Civil War will find new information in this readable account James M McPherson Author of Battle Cry of Freedom Examines criminal cases during the conflict Cases include currency counterfeiting tyrannical actions of Gen

Benjamin Butler the murder of Gen Earl van Dorn raids by William Quantrill s Bushwhackers the Fort Pillow Massacre the horrific prison conditions at Andersonville the fate of Lincoln the assassination conspirators and more American Civil War Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict **Double Death** Gavin Mortimer,2010-08-17 An assessment of the role and influence of a civilian spy famously known for his 1911 suicide jump from New York s Pulitzer Building traces his recruitment by Allan Pinkerton into the agency that became Lincoln s secret service contributions to key Union victories and sensational Confederate trial *“Out of the Mouth of Hell”* Frances H. Casstevens,2011-01-06 Many Civil War prisoners Confederate and Federal came to feel that a quick death from a bullet would have been better than slowly starving in a cold crowded filthy prison The hope of freedom was sometimes the only thing that kept a prisoner alive and he tried every way possible to escape Here are histories of 27 of the most significant locations used to hold soldiers captured on the battlefield as well as political prisoners suspected of disloyalty They focus especially on the desperate and courageous attempts to gain freedom Federal and Confederate facilities are each organized alphabetically Facts about each prison include when it was established type of facility location number and kind of prisoners held known escapes and other available data The histories are rich with detailed accounts of escapes and of conditions inside the prisons *Curiosities of the Confederate Capital* Brian Burns,2013-04-30 Uncover the secrets of the River City s Confederate past In the early days of the Civil War Richmond was declared the capital of the Confederacy and until now countless stories from its tenure as the Southern headquarters have remained buried Mary E Walker a Union doctor and feminist was once held captive in the city for refusing to wear proper women s clothing A coffee substitute factory exploded under intriguing circumstances Many Confederate soldiers when in the trenches of battle thumbed through the pages of Hugo s Les Miserables Author Brian Burns reveals these and

many more curious tales of Civil War Richmond      Changing Sides Patrick H. Garrow, 2023-08-18 Toward the end of the American Civil War the Confederacy faced manpower shortages and the Confederate Army following practices the Union had already adopted began to recruit soldiers from their prison ranks They targeted foreign born soldiers whom they thought might not have strong allegiances to the North Key battalions included the Brooks Battalion a unit composed entirely of Union soldiers who wished to join the Confederacy and were not formally recruited Tucker's Regiment and the 8th Battalion Confederate Infantry recruited mainly among Irish German and French immigrants Though the scholarship on the Civil War is vast Changing Sides represents the first entry to investigate Union POWs who fought for the Confederacy filling a significant gap in the historiography of Civil War incarceration To provide context Patrick Garrow traces the history of the practice of recruiting troops from enemy POWs noting the influence of the mostly immigrant San Patricios in the Mexican American War The author goes on to describe Confederate prisons where conditions often provided ample incentive to change sides Garrow's original archival research in an array of archival records along with his archaeological excavation of the Confederate guard camp at Florence South Carolina in 2006 provide a wealth of data on the lives of these POWs not only as they experienced imprisonment and being galvanized to the other side but also what happened to them after the war was over      Ghosts and Shadows of Andersonville Robert Scott Davis, 2006 The name Andersonville has come to be synonymous with American death camp Its horrors have been portrayed in histories art television and movies The trial of its most famous figure Captain Henry Wirz still raises questions about American justice This work unlocks the secret history of America's deadliest prison camp in ways that will spur debate for many years to come **BOOK JACKET**      **Libby Prison Breakout** Joseph Wheelan, 2010-02-09 While many books have been inspired by the horrors of Andersonville prison none have chronicled with any depth or detail the amazing tunnel escape from Libby Prison in Richmond Now Joseph Wheelan examines what became the most important escape of the Civil War from a Confederate prison one that ultimately increased the North's and South's willingness to use prisoners in waging total war In a converted tobacco warehouse Libby's 1 200 Union officers survived on cornbread and bug infested soup and slept without blankets on the bare floor With prisoner exchanges suspended escape and death were the only ways out Libby Prison Breakout recounts the largely unknown story of the escape of 109 steel nerved officers through a 55 foot tunnel and their flight in winter through the heart of the enemy homeland amid an all out Rebel manhunt The officers' later testimony in Washington spurred two far reaching investigations and a new cycle of retaliation against Rebel captives      **Virginia at War, 1865** William C. Davis, James I. Robertson, 2012-01-06 The final volume in this comprehensive history of Confederate Virginia examines the end of the Civil War in the Old Dominion By January 1865 most of Virginia's schools were closed many newspapers had ceased publication businesses suffered and food was scarce Having endured major defeats on their home soil and the loss of much of the state's territory to the Union army Virginia's Confederate soldiers began to desert at higher rates than at any other time in the war returning home to provide

their families with whatever assistance they could muster It was a dark year for Virginia Virginia at War 1865 presents a striking depiction of a state ravaged by violence and destruction In the final volume of the Virginia at War series editors William C Davis and James I Robertson Jr have once again assembled an impressive collection of essays covering topics that include land operations women and families wartime economy music and entertainment the demobilization of Lee s army and the war s aftermath The volume ends with the final installment of Judith Brockenbrough McGuire s popular and important Diary of a Southern Refugee during the War States at War, Volume 4 Richard F. Miller,2015-02-03 While many Civil War reference books exist there is no single compendium that contains important details about the combatant states and territories that Civil War researchers can readily access for their work People looking for information about the organizations activities economies demographics and prominent personalities of Civil War States and state governments must assemble data from a variety of sources with many key sources remaining unavailable online This crucial reference book the fourth in the States at War series provides vital information on the organization activities economies demographics and prominent personalities of Delaware Maryland and New Jersey during the Civil War Its principal sources include the Official Records state adjutant general reports legislative journals state and federal legislation federal and state executive speeches and proclamations and the general and special orders issued by the military authorities of both governments North and South Designed and organized for easy use by professional historians and amateurs this book can be read in two ways by individual state with each chapter offering a stand alone history of an individual state s war years or across states comparing reactions to the same event or solutions to the same problems Rebel Richmond Stephen V. Ash,2019-08-14 In the spring of 1861 Richmond Virginia suddenly became the capital city military headquarters and industrial engine of a new nation fighting for its existence A remarkable drama unfolded in the months that followed The city s population exploded its economy was deranged and its government and citizenry clashed desperately over resources to meet daily needs while a mighty enemy army laid siege Journalists officials and everyday residents recorded these events in great detail and the Confederacy s foes and friends watched closely from across the continent and around the world In Rebel Richmond Stephen V Ash vividly evokes life in Richmond as war consumed the Confederate capital He guides readers from the city s alleys homes and shops to its churches factories and halls of power uncovering the intimate daily drama of a city transformed and ultimately destroyed by war Drawing on the stories and experiences of civilians and soldiers slaves and masters refugees and prisoners merchants and laborers preachers and prostitutes the sick and the wounded Ash delivers a captivating new narrative of the Civil War s impact on a city and its people **With Commodore Perry to Japan** John A Wolter,David A Ranzan,John J. McDonough,2013-11-15 With Commodore Perry to Japan offers a personal account of Commodore Matthew Calbraith Perry s expedition to Japan through the eyes of a sixteen year old purser s clerk of the USS Mississippi The documentary edition endorsed by the National Historic Publications Records Commission provides excellent coverage of both the political mission

of the Perry expedition the opening of relations with Japan and of the social history of a naval warship as well Also included are fifty five illustrations ranging from hand drawn pen and ink scenes of everyday life sketched by Speiden and other members of the crew to exquisitely detailed pith paintings by Chinese artists *The War Criminal's Son* Jane Singer, 2019-05 The War Criminal's Son brings to life hidden aspects of the Civil War through the sweeping saga of the firstborn son in the infamous Confederate Winder family who shattered family ties to stand with the Union Gen John H Winder was the commandant of most prison camps in the Confederacy including Andersonville When Winder gave his son William Andrew Winder the order to come south and fight desert or commit suicide William went to the White House and swore his allegiance to President Lincoln and the Union Despite his pleas to remain at the front it was not enough Winder was ordered to command Alcatraz a fortress that became a Civil War prison where he treated his prisoners humanely despite repeated accusations of disloyalty and treason because the Winder name had become shorthand for brutality during an already brutal war John Winder died before he could be brought to justice as a war criminal Haunted by his father's villainy William went into a self imposed exile for twenty years and eventually ended up at the Rosebud Reservation in South Dakota to fulfill his longstanding desire to better the lot of Native Americans In *The War Criminal's Son* Jane Singer evokes the universal themes of loyalty shame and redemption in the face of unspeakable cruelty *To Live and Die in Dixie* David Zimring, 2014-12-31 According to the 1860 census nearly 350 000 native northerners resided in a southern state by the time of the Civil War Although northern in birth and upbringing many of these men and women identified with their adopted section once they moved south In this innovative study David Ross Zimring examines what motivated these Americans to change sections support or not the Confederate cause and in many cases rise to considerable influence in their new homeland By analyzing the lives of northern emigrants in the South Zimring deepens our understanding of the nature of sectional identity as well as the strength of Confederate nationalism Focusing on a representative sample of emigrants Zimring identifies two subgroups adoptive southerners individuals born and raised in a state above the Mason Dixon line but who but did not necessarily join the Confederacy after they moved south and Northern Confederates emigrants who sided with the Confederacy during the Civil War After analyzing statistical data on states of origin age education decade of migration and most importantly the reasons why these individuals embarked for the South in the first place Zimring goes on to explore the prewar lives of adoptive southerners the adaptations they made with regard to slavery and the factors that influenced their allegiances during the secession crisis He also analyzes their contributions to the Confederate military and home front the emergence of their Confederate identities and nationalism their experiences as prisoners of war in the North and the reactions they elicited from native southerners In tracing these journeys from native northerner to Confederate veteran this book reveals not only the complex transformations of adoptive southerners but also the flexibility of sectional and national identity before the war and the loss of that flexibility in its aftermath *To Live and Die in Dixie* is a thought

provoking work that provides a novel perspective on the revolutionary changes the Civil War unleashed on American society

Sheet Music of the Confederacy Robert I. Curtis, 2024-04-03 The creation of the Confederate States of America and the subsequent Civil War inspired composers lyricists and music publishers in Southern and border states and even in foreign countries to support the new nation Confederate imprint sheet music articulated and encouraged Confederate nationalism honored soldiers and military leaders comforted family and friends and provided diversion from the hardships of war This is the first comprehensive history of the sheet music of the Confederacy It covers works published before the war in Southern states that seceded from the Union and those published during the war in Union occupied capitals border and Northern states and foreign countries It is also the first work to examine the contribution of postwar Confederate themed sheet music to the South's response to its defeat to the creation and fostering of Lost Cause themes and to the promotion of national reunion and reconciliation

Jefferson Davis's Flight from Richmond John Stewart, 2014-12-24 In the space of a few hours on the night of April 2 1865 Richmond the Confederate capital was evacuated and burned the government fled slavery was finished in North America Union forces entered the city and the outcome of the Civil War was effectively sealed No official documents tell the story because the Confederate government was on the run First there were newspaper accounts mostly confused then history books based on those accounts But much of what we know about the fall of Richmond comes from eyewitnesses like Confederate Navy Secretary Stephen Mallory whose tale became history A great deal of what has been presented over the years by historians has been plagiarized invented or misconstrued and nearly all we have learned of Jefferson Davis's flight from Richmond to Danville is wrong This book closely examines all relevant source material much of it newly discovered by the author as well as the writers diarists and eyewitnesses themselves and constructs a minutely detailed new account that comes closer to what Abraham Lincoln had in mind when he said History is not history unless it is the truth

**The Abolitionist and the Spy: A Father, a Son, and Their Battle for the Union** Ken Lizzio, 2020-08-18 An abolitionist and a spy father and son in the forgotten Western theater of the Civil War The abolitionist legacies of Orville Brown and his son Spencer live on in this historic and daring 19th century account Journeying apart from each other but with similar passion Orville and Spencer's stories span virtually every major abolitionist event from the battles of Bleeding Kansas and the establishment of the free soil movement to the river wars of Memphis Vicksburg and Shiloh Readers will follow Orville west as he struck out for Kansas Territory to help ensure its entry as a free state But the life of his precocious eldest son Spencer serves as an eventful accompaniment to Orville's own adventures As a young Navy recruit in the Civil War's Western theater Spencer volunteered to go behind enemy lines on numerous occasions With his bold sleuthing and detailed diaries Spencer's life unfolds vividly against the exciting backdrop of the Union and Confederate battle for control of the Mississippi River The lives of these daring men are a fortifying record of American perseverance

*Historical Dictionary of the Civil War* Terry L. Jones, 2011 The Civil War was the most traumatic event in American history pitting Americans against

one another rending the national fabric leaving death and devastation in its wake and instilling an anger that has not entirely dissipated even to this day 150 years later This updated and expanded two volume second edition of the Historical Dictionary of the Civil War relates the history of this war through a chronology an introductory essay an extensive bibliography and hundreds of cross referenced dictionary entries on persons places events institutions battles and campaigns This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War

### George W Alexander And Castle Thunder A Confederate Prison And Its Commandant Introduction

In today's digital age, the availability of George W Alexander And Castle Thunder A Confederate Prison And Its Commandant books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of George W Alexander And Castle Thunder A Confederate Prison And Its Commandant books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of George W Alexander And Castle Thunder A Confederate Prison And Its Commandant books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing George W Alexander And Castle Thunder A Confederate Prison And Its Commandant versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, George W Alexander And Castle Thunder A Confederate Prison And Its Commandant books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital

resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing George W Alexander And Castle Thunder A Confederate Prison And Its Commandant books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for George W Alexander And Castle Thunder A Confederate Prison And Its Commandant books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, George W Alexander And Castle Thunder A Confederate Prison And Its Commandant books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of George W Alexander And Castle Thunder A Confederate Prison And Its Commandant books and manuals for download and embark on your journey of knowledge?
