### **Portraits of the Great**

**Bible-believing Scientists** Franjo Stvarnik,2018-10-29 More than 60 years ago remembered Mr Stvarnik I read the books From Ancient Philosophy to Modern Science of Atoms by prof dr Ivan Supek and the Images from the Lives of Great Scientists by prof dr Milutin Milankovic and for me these are still the most beautiful scientific texts From that time as a much loving hobby Mr Stvarnik has studied biographies of great scientists I have grown up in an atheistic country he once said and therefore it was a surprise to find that there were very few atheistic or agnostic scientists the majority of them were some kind of believers in God Actually a good number of the greatest scientific minds were or are Bible believing Christians That realization along with discoveries of some deliberate distortions of historical facts that made certain Bible believing scientists look as having an atheistic bent prompted writing a book The Portraits of the Great Bible believing Scientists that was published in Croatian and in Serbian languages Now he has written the same in English but since many years elapsed from the mentioned publications he enriched the text with new findings and added 12 new portraits into the book To Invent Is Divine James R. Edwards,2025-04-23 Christians generally know that God created the heavens and the earth and made human beings in his image They know that the earth is the Lord's and the fullness thereof he owns his creations They know that

skilled people create and own marvelous works But a disconnect often occurs when it comes to God s communicable attributes of creativity and ownership and that combination s role in human innovation technological progress and practical benefits from human creativity and ownership To Invent Is Divine connects the dots between creativity and ownership as well as the dots between that combination and the fruits of human flourishing **Praying for America** Dr. Robert

Jeffress,2020-06-02 Discover how to pray powerful prayers for God to bless and unite America in this inspiring guide from the Senior Pastor of First Baptist Church The most patriotic thing you can do for America is pray for America In times of division and disaster our country has a long history of turning to God Robert Jeffress the senior pastor of a 14 000 member church in Dallas Texas and a Fox News contributor believes it should be no different today When we seek God s help and pray about the issues that affect our lives writes Jeffress we influence the fate of our families our churches and our nation It has happened before in history and it can happen again Each chapter of this uplifting book includes an inspiring story demonstrating the power of faith in the life of our nation a prayer and a relevant passage of Scripture to inspire and encourage you in praying intently for our country In these increasingly divided times Praying for America will serve as a very necessary and timely reminder that In God we trust **Treasury of Presidential Quotations** William J. Federer,2004

Handsomely displayed quotations in an easy to read format this inspiring collection contains quotations from every U S President from George Washington to George W Bush drawn from various addresses memoirs proclamations correspondence and other sources **Three Secular Reasons Why America Should Be Under God** William J. Federer,2004 All men are endowed by their Creator with certain unalienable Rights Declaration of Independence 1776 Do you like having rights the government cannot take away Do you like being equal Do you like a country with few laws Then you want America under God The Rights of man Come not from the generosity of the state but from the hand of God John F Kennedy 1961 Inaugural Address We believe that all men are created equal because they are created in the image of God Harry S Truman 1949 Inaugural Address Our constitution was made only for a moral and religious people it is wholly inadequate to the government of any other John Adams 1798 Letter to the Massachusetts Third Division **There Really is a Santa Claus - History of**

**Saint Nicholas & Christmas Holiday Traditions** William J. Federer,2002 Includes U S president s Christmas addresses

**How to Hear God** Pete Greig,2022-03-01 You were created to enjoy a real conversational relationship with God The Bible says that hearing the voice of our Creator is both central and natural to our existence as humans When life falls apart we need God s comfort In moments of cultural turmoil we need his clarity Facing difficult decisions we need his guidance Desiring a deeper faith we need God to say something anything to turn the monologue we call prayer into a genuine conversation But how do we really hear God Nothing could possibly matter more than learning to discern his authentic voice and yet few things in life are more susceptible to delusion deception and downright abuse Having addressed God s silence in God on Mute and then How to Pray in his previous bestseller Pete Greig is back to bring wisdom and guidance to one of the

most pressing and perplexing aspects of universal Christian experience

**How to Hear God** Exploring the story of Christ's playful poignant conversation on the road to Emmaus after his resurrection Pete draws deeply from the insights of a wide range of Christian traditions weaving together the evangelical emphasis on hearing God in the Bible and the charismatic commitment to hearing God in the prophetic with the contemplative understanding of God's still small voice within Pete transcends the Christian tribalism of our day rooting us in something far more ancient unchanging timeless What the early Christians called the Way This ancient form of Christianity is the antidote to much of the modern church's pain The cure for our ills John Mark Comer

**The Bible and the Holographic Universe** Cynthia C. Polsley, 2022-04-13 From holographic illusions simulated worlds and parallel universes to the multiverse from The Matrix Star Trek Marvel and DC Comics to Netflix and mobile games today's popular imagination is caught up with realities beyond our own Decades ago cosmologists speculated that our universe might be a gigantic holographic image Since then the holographic principle has only gained traction What is the holographic universe and how does it align with the Bible's picture of reality and Jesus Christ Are we a computer simulation Did aliens spark human life Is a multiverse a problem for God Do time and free will exist What does it all mean for Christians Introducing the holographic principle and exploring implications of other worlds through a Christian lens this basic guide gives individuals and small groups a perspective of eternal investment prayer study and intentional living that focuses on the Bible as the unchanging source of truth presenting practical information for sorting fact from fiction engaging with modern culture and finding a firmer worldview in Christ Not only is a holographic universe no threat to the Gospel but the Bible points to a higher reality hinting at the fingerprints of God in holographic theory
