from Russia in 1867 the U S Revenue Cutter Service USRCS made its first appearance in the Bering Sea Over the next forty eight years the ships and men of the USRCS firmly established U S sovereignty in the area and performed amazing acts of rescue and humanitarian aid contributions that have received little attention until the publication of this book Bringing together widely scattered documentation and records maritime historians Dennis Noble and Truman Strobridge chronicle events in the service s colorful history **United States Coast Guard Annotated Bibliography** United States. into the colonies It again came to the forefront during the Embargo of 1809 and continued through the War of 1812 the Civil War nineteenth century filibustering the Mexican Revolution and Prohibition The author also shows that the years of illegal opium trade with China by American merchants served as precursor to the later smuggling of opium into the United States The author confirms that each period of smuggling was a link in the continuing chain of white collar crime in the 150 years prior to Sutherland s assertion of corporate criminality *Washington's Government* Max Edling, Peter J. Kastor, 2021-07-07 Washington s Government shows how George Washington s administration the subject of remarkably little previous study was both more dynamic and more uncertain than previously thought Rather than simply following a blueprint laid out by the Constitution Washington and his advisors constructed over time a series of possible mechanisms for doing the nation s business The results were successful in some cases disastrous in others Yet at the end of Washington s second term there was no denying that the federal government had achieved remarkable results As Americans debate the nature of good national governance two and a half centuries after the founding this volume s insights appear timelier than ever Contributors Lindsay M Chervinsky Iona College Gautham Rao American University Kate Elizabeth Brown Huntington University Stephen J Rockwell St Joseph s College Andrew J B Fagal Princeton University Daniel Hulsebosch New York University Rosemarie Zagarrri George Mason University **The Political Economy of the Interior Gold Coast** Jarvis L. Hargrove, 2015-12-09 This book analyzes the Gold Coast and the Asante kingdom in the years following the abolition of the transatlantic slave trade and prior to the start of colonial rule The Asante state one of the largest in the Gold Coast and West Africa after the eighteenth century is the central focus of this work Studying their transition from a large scale supplier of captives to the transatlantic slave trade to traders in legitimate goods is a critical component that should be analyzed across West Africa This work highlights the political and economic relationships between the interior Asante state with surrounding African groups and Europeans chiefly British traders who entered the region in the eighteenth and nineteenth centuries *Special Bibliography Series* ,1957 **Special Bibliography Series** United States Air Force Academy. Library, 1996 *The Coast Guard Under Sail* Irving H.
