George C Marshall A General For Peace:

George C. Marshall Alan Saunders, 1996-04-01 Harry Truman called him 3the greatest living American 2 Winston Churchill referred to him as 3the organizer of victory2 in WW2 Franklin Roosevelt said he was the most indispensable army officer in that conflict This biography of George Marshall tells the inspiring story of a man who devoted his entire life to the service of his country Marshall was the chief coordinator of both training and strategy for the military throughout WW2 This thoughtful and vivid account of the general's life probes Marshall's significance in American history and chronicles his vast achievements not only as a soldier but as the main architect of the plan to rebuild Europe and establish a peaceful post war world Photos *George C. Marshall, Soldier of Peace* James Barber, Larry I. Bland, National Portrait Gallery (Smithsonian Institution), 1997 George C Marshall served as chairman of the U S Joint Chiefs of Staff during World War II and as secretary of state during the rebuilding of Europe A master of mobilization and organization he did as much as any national leader in achieving Allied victory in the war afterward as architect of the Marshall Plan he won the Nobel Peace Prize for that massive and highly effective effort on behalf of Western European economic recovery Winston Churchill called him the noblest Roman of them all This colorful collection of Marshall's portraiture and memorabilia commemorates and humanizes this giant of a man about whom comparatively little beyond his career achievements is known The book will accompany an exhibit on Marshall that will open at the National Portrait Gallery in November 1997 He was certainly no flamboyant general he was not a character there were no pearl handled revolvers or corncob pipes of crusty anecdotes to spice up the legend of Marshall He never wrote a book to tell his story He never ran for election to public office He never sought popularity He never exploited his fame He never asked for recognition or favors He was a man driven more than anything else by a sense of duty by the powerful overpowering obligation of service To him it was never George C Marshall that was important it was the task at hand Colin Powell Distributed for the National Portrait Gallery **George C.
