its perfect prosody its successful unities and its everywhere pervading atmosphere of ethical sublimity all these will compare with Aurora to Aurora's disadvantage And yet and yet how is it Aurora gets the apple Perhaps poor Paris can only stammer forth in answer to the question What in Aurora more excellent than in the Gypsy establishes her claim to the prize About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
