

An abstract painting depicting a dense crowd of people, rendered in a style reminiscent of Vincent van Gogh's 'Olympia' or 'The Great Boats of the World'. The figures are simplified, almost geometric shapes, and the overall color palette is dominated by warm autumnal tones: deep reds, oranges, yellows, and browns. There are also cooler tones of blue and green, particularly in the upper left and right areas. The brushwork is visible and expressive, creating a sense of movement and energy. The composition is dense and layered, with figures overlapping and blending into each other.
