Encyclopedia of German Literature Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings *A Companion to Nazi Germany* Shelley Baranowski, Armin Nolzen, Claus-Christian W. Szejnmann, 2018-04-03 A Deep Exploration of the Rise Reign and Legacy of the Third Reich For its brief existence National Socialist Germany was one of the most destructive regimes in the history of humankind Since that time scholarly debate about its causes has volleyed continuously between the effects of political and military decisions pathological development or modernity gone awry Was terror the defining force of rule or was popular consent critical to sustaining the movement Were the German people sympathetic to Nazi ideology or were they radicalized by social manipulation and powerful propaganda Was the Final Solution the motivation for the Third Reich's rise to power or simply the outcome A Companion to Nazi Germany addresses these crucial questions with historical insight from the Nazi Party's emergence in the 1920s through its postwar repercussions From the theory and context that gave rise to the movement through its structural cultural economic and social impacts to the era's lasting legacy this book offers an in depth examination of modern history's most infamous reign Assesses the historiography of Nazism and the prehistory of the regime Provides deep insight into labor

education research and home life amidst the Third Reich's ideological imperatives Describes how the Third Reich affected business the economy and the culture including sports entertainment and religion Delves into the social militarization in the lead up to war and examines the social and historical complexities that allowed genocide to take place Shows how modern day Germany confronts and deals with its recent history Today's political climate highlights the critical need to understand how radical nationalist movements gain an audience then followers then power While historical analogy can be a faulty basis for analyzing current events there is no doubt that examining the parallels can lead to some important questions about the present Exploring key motivations environments and cause and effect this book provides essential perspective as radical nationalist movements have once again reemerged in many parts of the world [A Concise History of Nazi Germany](#) Joseph W. Bendersky, 2020-09-21 This balanced history offers a concise readable introduction to Nazi Germany Combining compelling narrative storytelling with analysis Joseph W Bendersky offers an authoritative survey of the major political economic and social factors that powered the rise and fall of the Third Reich Now in its fifth edition the book incorporates significant research of recent years analysis of the politics of memory postwar German controversies about World War II and the Nazi era and more on non Jewish victims Delving into the complexity of social life within the Nazi state it also reemphasizes the crucial role played by racial ideology in determining the policies and practices of the Third Reich Bendersky paints a fascinating picture of how average citizens negotiated their way through both the threatening power behind certain Nazi policies and the strong enticements to acquiesce or collaborate His classic treatment provides an invaluable overview of a subject that retains its historical significance and contemporary importance [Der deutsche Zukunftsroman 1918-1945](#) Dina Brandt, 2012-02-14 Atomzertrümmerung Raketen Wunderwaffen mit diesen Mitteln erhofften sich die Autoren der deutschen Zukunftsromane in der ersten Hälfte des 20 Jahrhunderts nicht nur Deutschland sondern auch die ganze Welt zu retten Pate stand die Technokratiebewegung die zwar einerseits mit Gewalt die Interessen Deutschlands und der weißen Rasse durchsetzen aber andererseits jegliche politischen und ökonomischen Zwänge abschaffen wollte Die Nationalsozialisten betrachteten die Technokraten mit Skepsis und diese konnten wiederum mit deren Antisemitismus und Führergedanken nicht viel anfangen Aufgrund der Ausgestaltung des deutschen Buchmarkts im Dritten Reich die der Unterhaltungsliteratur relativ viel Spielraum lie konnten die Zukunftsromane jedoch ihre Traditionen aus der Weimarer Zeit ungeachtet der politischen Lage fortführen und weiterentwickeln Dies ist das Ergebnis der Untersuchung die sich als allgemeine Beschreibung der gattungstypischen Szenarien und Handlungsebenen versteht Mit Hilfe dieser Typologie kann die Studie im Gegensatz zur bisherigen Forschung belegen dass der deutsche Zukunftsroman sich durchaus eine gewisse Eigenständigkeit gegenüber den Nationalsozialisten bewahrte So richtete er sich in einer Nische ein die den Grundstein zur deutschen Science Fiction der Nachkriegszeit bildete [Nazi Germany](#) Jane Caplan, 2008-04-24 The history of National Socialism as movement and regime remains one of the most compelling and intensively studied aspects of twentieth century

history and one whose significance extends far beyond Germany or even Europe alone This volume presents an up to date and authoritative introduction to the history of Nazi Germany with ten chapters on the most important themes each by an expert in the field Following an introduction which sets out the challenges this period of history has posed to historians since 1945 contributors explain how Nazism emerged as ideology and political movement how Hitler and his party took power and remade the German state and how the Nazi national community was organized around a radical and eventually lethal distinction between the included and the excluded Further chapters discuss the complex relationship between Nazism and Germany's religious faiths the perverse economic rationality of the regime the path to war laid down by Hitler's foreign policy and the intricate and intimate intertwining of war and genocide with a final chapter on the aftermath of National Socialism in postwar German history and memory

Reader's Guide to Military History Charles Messenger, 2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations
