List and Index of Department of the Army Publications United States. Department of the Army, 1948 **Hitlers Asian Adventure** Horst H. Geerken, 2025-05-07 From 1963 to 1981 Horst H Geerken lived in the new born Republic of Indonesia at a time of upheaval after the end of almost 350 years of colonial rule and exploitation by the Netherlands In both his professional and private activities he constantly came across German Japanese and Indonesian eyewitnesses who had lived through the Japanese occupation and the presence of the German navy in Indonesia The relations between the German Reich and what was then the Dutch East Indies were obviously closer and more varied than had been previously assumed Hardly anyone was aware that Hitler was extremely interested in this distant archipelago and that thousands of German officers and seamen were in action in East and South East Asia Who knows that German U boats and auxiliary cruisers penetrated deep into the Pacific and that the German Navy used the Kerguelen Islands in the South Polar Sea as a secret base Or that Hitler gave massive support to the independence movements in Indonesia and India Many of the German naval

personnel chose to make Indonesia their home after the war and joined the Indonesian freedom fighters The Second World War heralded the end of the colonial era in Asia especially in South East Asia The role played in this process by the Third Reich should not be underestimated The collaboration between the Axis powers especially that between German and Japan with all its problems is also investigated There was a lively exchange of new weapons technology There was even the re creation of a German Radar system in Japan under the management of a German engineer Documents from the Third Reich s Foreign Ministry published here for the first time show how brutally and inhumanely the German men women and children in the Dutch internment camps in the East Indies were treated by their captors These documents are supported by evidence from contemporary witnesses The author has encapsulated his many years of research in the two volumes of Hitler s Asian Adventure It is a fascinating documentation of the German Navy s involvement in a theatre of war that has until now been neglected by historians **Handbook of German Affairs** Germany (West). Diplomatische Vertretung. United States,1954

The German Fallschirmtruppe 1936-41 (Revised edition) Karl-Heinz Golla,2013-07-19 The Fallschirmtruppe of the Wehrmacht won recognition for their valor and endurance not only from their fellow German soldiers but from their former enemies as well On the basis of careful and comprehensive research including utilizing extensive unpublished documentary and personal materials the author covers the history of the Fallschirmtruppe from its genesis and early training to its employment in combat in Scandinavia the Albert Canal in Belgium Holland the Greek mainland and of course at Crete The reasons for the remarkable successes of the German Fallschirmtruppe during this period are analyzed as are also the conceptual weaknesses inherent in its formation and the faults in the command and control during its combat employment The author himself a former Bundeswehr Fallschirmj ger and General Staff officer has also utilized accounts from those who fought the Fallschirmtruppe and has thus been able to correct many errors perpetuated in previous books on this subject besides providing more complete coverage The text is supplemented by approximately 100 b w photos and more than 25 detailed color maps This is a remarkably detailed study firmly based on documentary sources and is destined to become one of the definitive works on its subject in the English language This revised edition has been prepared exactly according to the author s instructions Postwar Changes in German Education (US Zone and US SEctor Berlin), Office of the United States High Commissioner for Germany, Office of Public Affairs United States Department of State,1951 Cold War Europe Tobias Nanz, Hedwig Wagner,2024-06-10
