

## AN ELEGY FOR D. H. LAWRENCE

*Died 2 March, 1930*

Green points on the shrub  
and poor Lawrence dead.  
The night damp and misty  
and Lawrence no more in the world  
to answer April's promise  
with a fury of labor  
against waste, waste and life's  
coldness.

Once he received a letter—  
he never answered it—  
praising him: so English  
he had thereby raised himself  
to an unenglish greatness.  
Dead now and it grows clearer  
what bitterness drove him.

This is the time.  
The serpent in the grotto  
water dripping from the stone  
into a pool.  
Mediterranean evenings. Ashes  
of Cretan fires. And to the north  
forsythia hung with  
yellow bells in the cold.

# Elegy For D H Lawrence

**Herbert Leibowitz**

## Elegy For D H Lawrence:

*The Challenge of D.H. Lawrence* Michael Squires, Keith Cushman, 1990 Thirteen essays that aim to illuminate the achievement of one of England's greatest modern writers Employing a variety of perspectives historical cultural theoretical feminist the critics here assembled address concerns about Lawrence's work that have emerged in recent years his attitudes toward the working class art women Britain his conceptions of male female relationships sexuality education and knowledge and his place in cultural history and the traditions of the English novel All of the essays from reassessments of Lawrence's position in the English literary tradition to analyses of his influence on recent American poetry find renewed faith in the challenge of Lawrence's work making this volume of interest to Lawrence scholars and students *The Spirit of D. H. Lawrence* Gamini Salgado, G.K. Das, 1988-06-18 The Modern Elegiac Temper John B. Vickery, 2006-05-01 Lamentation of death is the traditional elegiac focus but in the twentieth century the elegy has become characterized as well by the mourning of other kinds of loss those personal familial romantic cultural and philosophical privations and dispossessions that have so greatly shaped the modern sensibility According to John B Vickery a profound elegiac temper is itself the major trait of twentieth century culture registered in attitudes ranging from regret sorrow confusion anger anxiety doubt and alienation to outright despair He transforms our understanding of the elegy and its relation to modernism in *The Modern Elegiac Temper* Vickery offers in depth readings of a broad sampling of British and American poems written from World War I to the present He considers works of overlooked poets such as Vernon Watkins George Barker and Edith Sitwell while also attending to canonical writers such as T S Eliot Ezra Pound W H Auden and Wallace Stevens Taking a text oriented rather than author or theory oriented approach he discusses in turn the personal love cultural and philosophical elegy and shows how war the Great Depression the Holocaust and other major historical events influenced poets elegiac expressions By suggesting ways in which the individual centered concerns of the traditional elegy metamorphose under the depersonalizing lens of high modernism Vickery reveals the modern elegy to be a finely calibrated instrument for reading and expressing absorbing and reflecting the modern temperament **Elegy. D.H. Lawrence** Rebecca West, 1930 *Criticism, History, and Intertextuality* Richard Fleming, Michael Payne, 1988 Exploring the dynamics of intertextuality this collection begins with the origins of the idea of the poem as autonomous and coherent object in American New Criticism and the relationship of that idea to the rhetoric of Brooks's Kantian sense of history Succeeding essays demonstrate the intriguing patterns of intertextuality The Collected Poems of William Carlos Williams William Carlos Williams, Christopher MacGowan, 2014-10-29 Considered by many to be the most characteristically American of our twentieth century poets William Carlos Williams wanted to write a poem that you would understand But you got to try hard So that readers could more fully understand the extent of Williams radical simplicity all of his published poetry excluding Paterson was reissued in two definite volumes of which this is the first **Routledge Revivals: D.H. Lawrence (1983)** Thomas Jackson

Rice, 2018-02-01 Originally published in 1983 D H Lawrence is an annotated bibliographic collection of works by and about D H Lawrence Consisting of three parts the primary bibliography contains separate bibliographies of Lawrence s major publications of collection editions of his works of his letters and of concordances to his writings The secondary bibliography contains bibliographies of biographical and critical publications concerning Lawrence generally or his individual works Appendixes and Indexes include an extensive checklist of major foreign language publications concerning Lawrence and a useful topical and thematic subject index for the guide The Lost Works of William Carlos Williams Robert J. Cirasa, 1995 In each Williams took as the basic element or constituent sections of these two large scale literary structures the tacit lyrical sequences that had constituted his originally separate volumes of verse also added new groupings as he made changes to the old and fashioned them all into a unique series of lyrical sequence a lyrical super sequence that gave unified lyrical definition and compelling lyrical immediacy to the whole of his poetic development *Elegy in the Manner of a Requiem in Memory of D.H. Lawrence* Walter Lowenfels, 1932 **The Correspondence of William Carlos Williams and Louis Zukofsky** William Carlos Williams, Louis Zukofsky, 2003-12-04 Table of contents **The Life of Metrical and Free Verse in Twentieth-Century Poetry** Jon Silkin, 2016-07-27 In a wide ranging and compelling account of the life of metrical and free verse in the twentieth century poet and critic Jon Silkin deepens our understanding of the way poetry works on us He begins from the premiss that two modes of verse free and metrical engage the creative energies of poetry now creating a rich fertile environment capable of yielding work valuable to poetry itself and to the society which has given it life With a practitioner s empathy Silkin reads the poetry of Whitman Hopkins Eliot Pound Lawrence Dylan Thomas Bunting and eight British poets from the post second World War period to illustrate how free and metrical verse create separately or together a poetic harmony Additionally he includes crucial statements on modern poetry from poets themselves concluding with a fine memoir of Basil Bunting by Connie Pickard published in book form for the first time **"Something Urgent I Have to Say to You"** Herbert Leibowitz, 2024-05-01 Herbert Leibowitz s Something Urgent I Have to Say to You provides a new perspective on the life and poetry of the doctor poet William Carlos Williams a key American writer who led one of the more eventful literary lives of the twentieth century Friends with most of the contemporary innovators of his era Ezra Pound James Joyce Ford Madox Ford and Louis Zukofsky among others Williams made a radical break with the modernist tradition by seeking to invent an entirely fresh and singularly American poetic whose subject matter derived from the everyday lives of the citizens and poor immigrant communities of northern New Jersey His poems mirrored both the conflicts of his own life and the convulsions that afflicted American society two world wars a rampaging flu pandemic and the Great Depression Leibowitz s biography offers a compelling description of the work that inspired a seminal controversial movement in American verse as well as a rounded portrait of a complicated man pugnacious and kindly ambitious and insecure self critical and imaginative Something Urgent I Have to Say to You is both a long overdue assessment of a major American writer and an entertaining

examination of the twentieth century avant garde art and poetry scene with its memorable cast of eccentric pioneers including Marcel Duchamp Man Ray Marianne Moore and Gertrude Stein *D.H. Lawrence* Keith Cushman, Earl G. Ingersoll, 2003 In addition the collection demonstrates that although Lawrence has been misread as sexist Lawrence studies has continued to attract women scholars

**BOOK JACKET** **Pound/Williams** Ezra Pound, 1996 Ezra Pound and William Carlos Williams two towering figures in American poetry began their lifelong and often contentious friendship as students at the University of Pennsylvania Their correspondence ran from 1907 the year Pound took up his virtually permanent residence in Europe until Williams death in 1963 The letters contribute an unparalleled documentary record of modern culture a wealth of information about the lives and works of the two poets themselves the literary and political movements in which they became involved and the impact of public events upon the arts the activities of other writers and artists and the world of small presses and little magazines that nourished the growth of modernism Pound Williams contains 169 letters selected from the poets surviving correspondence each letter reproduced in full and accompanied by explanatory notes Historical introductions place each of the live chronological groupings of letters into context and a biographical glossary identifies persons prominently mentioned William Carlos Williams Crane Doyle, 2013-11-05 This set comprises of 40 volumes covering nineteenth and twentieth century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 The Future of Modernism Hugh Witemeyer, 1997 Argues for the complex and vital legacy of major modernist authors **A Companion to Modernist Poetry** David E. Chinitz, Gail McDonald, 2014-03-31

**A COMPANION TO MODERNIST POETRY** A Companion to Modernist Poetry A Companion to Modernist Poetry presents contemporary approaches to modernist poetry in a uniquely in depth and accessible text The first section of the volume reflects the attention to historical and cultural context that has been especially fruitful in recent scholarship The second section focuses on various movements and groupings of poets placing writers in literary history and indicating the currents and countercurrents whose interaction generated the category of modernism as it is now broadly conceived The third section traces the arcs of twenty one poets careers illustrated by analyses of key works The Companion thus offers breadth in its presentation of historical and literary contexts and depth in its attention to individual poets it brings recent scholarship to bear on the subject of modernist poetry while also providing guidance on poets who are historically important and who are likely to appear on syllabi and to attract critical interest for many years to come Edited by two highly respected and notable critics in the field A Companion to Modernist Poetry boasts a varied list of contributors who have produced an intense focused study of modernist poetry **Henry Miller and Modernism** Finn Jensen, 2019-12-04 Henry Miller and Modernism The Years in Paris 1930 1939 represents a major reevaluation of Henry Miller focusing on the Paris texts from 1930 to 1939 Finn Jensen analyzes Miller in the light of European modernism in particular considering the many impulses Miller received

in Paris Jensen draws on theories of urban modernity to connect Miller's narratives of a male protagonist alone in a modern metropolis with his time in Paris where he experienced a self discovery as a writer The book highlights several sources of inspiration for Miller including Nietzsche Rimbaud Hamsun Strindberg and the American Transcendentalists Jensen considers the key movements of modernity and analyzes their importance for Miller studying Eschatology the Avant Garde Dada Surrealism Expressionism and Anarchism      *William Carlos Williams* Charles Doyle, 1997 William Carlos Williams 1883 1963 Writings include Poems Spring and All Paterson Volume covers the period 1909 1967      **The Golden Treasury of Longer Poems** Ernest Rhys, 1921
