My favourite Stories (Well known Hindi Children Stories) , A New Version of the Gāndhārī Dharmapada and a Collection of Previous-birth Stories Timothy Lenz, Andrew Glass, 2003. This volume continues the detailed examination of the British Library Kharosthi scrolls, extremely fragile and brittle fragments of manuscript on birch bark rolls. Although their provenance is uncertain, there are strong indications that they came from Hadda in eastern Afghanistan and were most likely written in the early first century A.D. during the reign of the Saka rulers, making them the oldest known Buddhist manuscripts. Fragments 16 and 25 are two long, relatively narrow fragments that obviously belong to the same scroll. Two texts were written on the scroll, each by a different scribe. The first text, referred to as the Gandhari London Dharmapada, represents an anthology of verses well known in the Buddhist tradition. The second text is a series of stories concerning previous births of the Buddha and of some of his disciples. Henryville Tornado 2012 The Chinese Short Story Patrick Hanan,1973 During the centuries of its popularity early Chinese vernacular fiction was never adequately preserved or even documented The great popular appeal of the short stories saved them from oblivion but it was only in the sixteenth and seventeenth centuries that they were first collected and published Mr Hanan s erudite study is the first thorough attempt to uncover the history of the Chinese short story Using a variety of techniques but principally that of stylistic analysis the author solves the fundamental problem of dating the stories in terms of periods He is able to place each story in one of three broad categories early ca 1250 1450 middle ca 1400 1575 and late ca 1550 1627 and to assign some of them to the earlier or later part of the time span In many cases he offers evidence of sources and influences place of origin and possible or probable authorship On the basis of the author s research it is possible to see in minutely researched detail how the short story developed in China what kind of men composed it its relationship to other kinds of literature and the main social preoccupations with which it deals The results of Mr Hanan s study are vitally important to all scholars of Chinese literature Historians and linguists will also find it valuable as a model of the innovative use of stylistic analysis Monthly Summary of Commerce and Finance of the United States United States.
