## **Geopolitics Of Hunger 2000-2001 Hunger And Power:**

The Geopolitics of Hunger, 2000-2001 Action Against Hunger, 2001 In 34 papers authors draw on research and firsthand field experience in many parts of the world to explore the use of hunger as a political weapon They also discuss strategies to counter inequitable food distribution in such situations consider the role of humanitarian organizations and review policies that could be used to combat hunger Action Against Hunger is an international organization founded in 1979 in France that works to assist victims of human made famines This book is the group s second report on global issues of hunger Annotation copyrighted by Book News Inc Portland OR **The Geopolitics of Hunger, 2000-2001** ,2001 This volume explores the use of hunger as a weapon in food crises around the world It also discusses strategies to counter inequitable food distribution while maintaining neutrality in complex situations and reviews political approaches to combating hunger and attaining food justice Halving Hunger Pedro A. Sánchez, 2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company UN Millennium Development Library: Halving Hunger UN Millennium Project, 2013-07-23 The Millennium Development Goals adopted at the UN Millennium Summit in 2000 are the world s targets for dramatically reducing extreme poverty in its many dimensions by 2015 income poverty hunger disease exclusion lack of infrastructure and shelter while promoting gender equality education health and environmental sustainability These bold goals can be met in all parts of the world if nations follow through on their commitments to work together to meet them Achieving the Millennium Development Goals offers the prospect of a more secure just and prosperous world for all The UN Millennium Project was commissioned by United Nations Secretary General Kofi Annan to develop a practical plan of action to meet the Millennium Development Goals As an independent advisory body directed by Professor Jeffrey D Sachs the UN Millennium Project submitted its recommendations to the UN Secretary General in January 2005 The core of the UN Millennium Project s work has been carried out by 10 thematic Task Forces comprising more than 250 experts from around the world including scientists development practitioners parliamentarians policymakers and representatives from civil society UN agencies the World Bank the IMF and the private sector This report lays out the recommendations of the UN Millennium Project Task Force on Hunger in seven major categories political action national policy reforms increased agricultural productivity for food insecure farmers improved nutrition for the chronically hungry productive safety nets for the acutely hungry improved rural incomes and markets and restoration and conservation of natural resources essential for food security The task force strongly endorses the Secretary General s call for a 21st Century African Green Revolution These bold yet practical approaches will enable countries in every region of the world to halve world hunger by 2015 *Not by Bread Alone* Melissa L. Caldwell, 2004-03-16 What Muscovites get in a soup kitchen run by the Christian Church of Moscow is something far more subtle and complex if no less necessary and nourishing than the food that feeds their hunger In *Not by Bread Alone* the first full length ethnographic study of poverty and social welfare in the postsocialist world Melissa L Caldwell focuses on the

everyday operations and civil transactions at CCM soup kitchens to reveal the new realities the enduring features and the intriguing subtext of social support in Russia today In an international food aid community Caldwell explores how Muscovites employ a number of improvisational tactics to satisfy their material needs She shows how the relationships that develop among members of this community elderly Muscovite recipients Russian aid workers African student volunteers and North American and European donors and volunteers provide forms of social support that are highly valued and ultimately far more important than material resources In *Not by Bread Alone* we see how the soup kitchens become sites of social stability and refuge for all who interact there not just those with limited financial means and how Muscovites articulate definitions of hunger and poverty that depend far more on the extent of one's social contacts than on material factors By rethinking the ways in which relationships between social and economic practices are theorized by identifying social relations and social status as Russia's true economic currency this book challenges prevailing ideas about the role of the state the nature of poverty and welfare the feasibility of Western style reforms and the primacy of social connections in the daily lives of ordinary people in post Soviet Russia

**Peace Clan** Peter M. Sensenig, 2016-03-02 What happens when North American Mennonite Christians arrive in Islamic Somalia The answer according to Peter Sensenig is that something new emerges a peace clan From the first schools and medical work in the 1950s up to the educational partnerships of the present day Somalis and Mennonites formed a surprising friendship that defied conventional labels Peace Clan is the story of two deeply traditional communities as they encounter change How can Somalis apply the profound peacemaking resources of their culture and faith in a society fragmented by violence And how can modernizing Mennonites make sense of their peace convictions in the context of civil war and military intervention In struggling with these questions over the course of six decades Somalis and Mennonites held a mirror up to one another The author shows how the common quest to transform enmity brings out the best in both communities and suggests what a fruitful partnership might look like in the present challenges Students academics and lay readers alike will find on these pages a compelling invitation to join the peace clan

**Hungry Bengal** Janam Mukherjee, 2015-10-15 This is an unsparing account of one of the most overlooked episodes of mass starvation in history It offers fresh insight into Indian history by focusing on three crises that precipitated independence WWII the Bengal famine of 1943 and the Calcutta riots of 1946

**The Metabolic Ghetto** Jonathan C. K. Wells, 2016-07-21 Chronic diseases have rapidly become the leading global cause of morbidity and mortality yet there is poor understanding of this transition or why particular social and ethnic groups are especially susceptible In this book Wells adopts a multidisciplinary approach to human nutrition emphasising how power relations shape the physiological pathways to obesity diabetes hypertension and cardiovascular disease Part I reviews the physiological basis of chronic diseases presenting a capacity load model that integrates the nutritional contributions of developmental experience and adult lifestyle Part II presents an evolutionary perspective on the sensitivity of human metabolism to ecological stresses highlighting how

social hierarchy impacts metabolism on an intergenerational timescale Part III reviews how nutrition has changed over time as societies evolved and coalesced towards a single global economic system Part IV integrates these physiological evolutionary and politico economic perspectives in a unifying framework to deepen our understanding of the societal basis of metabolic ill health

**Yearbook of International Humanitarian Law - 2002** Horst Fischer, Avril McDonald, 2011-03-04 The world's only annual publication devoted to the study of the laws of armed conflict the Yearbook of International Humanitarian Law provides a truly international forum for high quality peer reviewed academic articles focusing on this highly topical branch of international law The Yearbook also includes a selection of documents from the reporting period many of which are not accessible elsewhere and a comprehensive bibliography of all recent publications in humanitarian law and other relevant fields Ease of use of the Yearbook is guaranteed by the inclusion of a detailed index Distinguished by its topicality and contemporary relevance the Yearbook of International Humanitarian Law bridges the gap between theory and practice and serves as a useful reference tool for scholars practitioners military personnel civil servants diplomats human rights workers and students

**From Political Monolithism to Multiparty Autocracy: The Collapse of the Democratic Dream in Congo-Brazzaville** Rufin Batota-Mpeho, 2014-05-05 Multiparty democracy that swept across Africa in the early 1990s created a momentum similar to that of the 1960s Lumumba Kasongo 1998 The Sovereign National Conference of Brazzaville in 1991 marked the end of successive and unsuccessful monolithic powers that led the Congo to political disarray and economic disintegration since the 1960s and the beginning of a new era that of multiparty democracy The democratic dream came true Marxist Leninism marred with dictatorship and military coups was defeated The Congolese people started to enjoy freedom of speech and vote that was confiscated since 1963 No sooner did the Congo start savouring the flavour of democracy than its path was strewn with obstacles The move from political culture to economic performance ethno regional identities the French foreign policy the role of militias and the institutional design contributed to its failure

The 1997 civil war left the democratic dream in shambles and paved the way for a multiparty autocracy

**Human Rights and World Trade** Ana Gonzalez-Pelaez, 2004-08-02 A new and incisive analysis of the political viability of human rights with an in depth investigation of its largest violation world hunger Gonzalez Pelaez develops John Vincent's theory of basic human rights within the context of the international political economy and demonstrates how the right to food has become an international norm enshrined within international law She then assesses the international normative and practical dimensions of hunger in connection with international trade and poverty Using the society of states as the framework of analysis she explores the potential that the current system has to correct its own anomalies and examines the measures that can move the hunger agenda forward in order to break through its current stagnation

*The New Famines* Stephen Devereux, 2006-11-22 The recent occurrences of famine in Ethiopia and Southern Africa have propelled this key issue back into the public arena for the first time since 1984 as once again it becomes a priority not only for lesser developed countries

but also for the international community Exploring the paradox that is the persistence of famine in the contemporary world this book looks at the way the nature of famine is changing in the face of globalization and shifting geo political forces The book challenges perceived wisdom about the causes of famine and analyzes the worst cases of recent years including close analysis of food scarcity in North Korea Ethiopia Sudan and Malawi and less well known cases in Madagascar Iraq and Bosnia With fresh conceptual frameworks and analytical tools major theoretical constructs which have previously been applied to analyze famines such as the democracy ends famine argument Sen s entitlement approach and the complex political emergency framework are confronted This volume assembles an international team of contributors including Marcus Noland Alex de Waal and Dan Maxwell an impressive roster which helps make this book an important resource for those in the fields of development studies and political economics

**Environmental Management and Development** Christopher J. Barrow, 2005 The environment and its management has been and continues to be a very topical issue Existing environment and development texts place emphasis is on listing problems making warnings and voicing advocacy but by focusing on environmental management this informative book offers a very different perspective Moving on from the usual much discussed viewpoints Barrow looks towards practical management and problem solving techniques He clarifies the definition nature and role of environmental management in development and developing countries beginning with an introduction to the key terms issues and tools of environmental management which are linked and developed in later chapters and concluding by discussing who pays for environmental management and its future in developing countries Written by an experienced and well known author this clear user friendly book ideal for students of resource management geography and development studies makes excellent use of chapter summaries boxed case studies annotated further readings and websites discussion questions and illustrations

*Environmental Management for Sustainable Development* Chris Barrow, 2006-09-27 Environmental management is a wide expanding and rapidly evolving field affecting everyone from individual citizens to businesses governments to international agencies Indisputably it plays a crucial role in the quest for sustainable development This comprehensively updated second edition explores the nature and role of environmental management covering key principles practices tools strategies and policies offers a thorough yet understandable introduction and points to further in depth coverage Among the key themes covered are sustainable development proactive approaches the precautionary principle the polluter pays principle the need for humans to be less vulnerable and more adaptable Reflecting the expansion and evolution of the field this revised edition focuses strongly on sustainable development There has been extensive restructuring to ensure the book is accessible to those unfamiliar with environmental management and it now includes greater coverage of topics including key resources under stress environmental management tools climate change and urban environmental management With rapid expansion and development of the subject it is easy for those embarking on a course of study to become disorientated but with its well structured coverage effective illustrations and foundation for further more
