Michael J. Thompson

Georg Lukacs The Man His Work His Idea:

Georg Lukács: the Man, His Work and His Ideas George Henry Radcliffe Parkinson, 1970 **Georg Lukacs Reconsidered** Michael J. Thompson, 2011-02-03

Georg Lukacs stands as a towering figure in the areas of critical theory literary criticism aesthetics ethical theory and the philosophy of Marxism and German Idealism Yet despite his influence throughout the twentieth century his contributions to the humanities and theoretical social sciences are marked by neglect What has been lost is a crucial thinker in the tradition of critical theory but also by extension a crucial set of ideas that can be used to shed new light on the major problems of contemporary society This book reconsiders Lukacs intellectual contributions in the light of recent intellectual developments in political theory aesthetics ethical theory and social and cultural theory An international team of contributors contend that Lukacs ideas and theoretical contributions have much to offer the theoretical paucity of the present Ultimately the book reintegrates Lukacs as a central thinker not only in the tradition of critical theory but also as a major theorist and critic of modernity of capitalism and of new trends in political theory cultural criticism and legal theory

Georg Lukács Judith Marcus, Zoltán Tarr, 1989-01-01 The Hungarian social philosopher and literary critic Georg Lukacs 1885 1971 is one of the seminal intellectual figures of the twentieth century With the possible exception of Leon Trotsky he is also widely recognized as the outstanding Marxist thinker aside from Marx himself Yet as Lewis Coser has observed Lukacs has remained the most enigmatic figure of the modern communist movement Why were his theories so important to modern political and social thought How did he come to have such influence on so many distinguished Western Intellectuals and for such a long time And why despite this did so many of his writings infuriate contemporary readers and critics The centenary of Lukacs birth was celebrated in 1985 with symposia in a number of countries on several continents Hundreds of Lukacs scholars and students attended along with others who were interested in his time and his ideas as well as the man and his work In the process new understanding of some of his most controversial concepts ideas and theses emerged Newly discovered information and writings as well as previously unknown preoccupations in his seventy year intellectual career were shared This volume brings together some of the best and most original of the essays of participants in New York Paris Budapest and Mexico City Some of the contributions in this volume are sharply critical of Lukacs others are clearly admiring A great many take an objective but severe look at diverse aspects of his work Together they constitute a close examination of the life work of the man Thomas Mann once called The most important literary critic of today Jean Paul Sartre hailed as a significant modern philosopher and Irving Howe declared a major force in European intellectual life Collectively this volume shows why Georg Lukacs remains one of the remarkable intellectual figures of the twentieth century whose work is of enduring significance for us today Judith Marcus is on the faculty of Kenyon College She is the author of *Thomas Mann and Lukacs* Zoltán Tarr was visiting Fulbright Scholar to Budapest Hungary and has taught sociology and history at the City College of CUNY New School for Social Research and Rutgers University He is

author of *The Frankfurt School The Critical Theories of Max Horkheimer and Theodor W Adorno* Georg Lukács G.H.R. Parkinson, 2023-02-24 First published in 1977 Georg Lukács gives an outline of Lukács' views and explains how they are related to the relevant cultural traditions of his epoch The author covers the whole range of Lukács' thought from his earliest literary criticism to the posthumous *Ontology of Social Existence* Lukács' early writings in particular are frequently obscure in style and impregnated with the language and thought of Hegel Professor Parkinson has elucidated Lukács' principal writings in systematic fashion and the book includes a detailed exposition of Lukács' influential but difficult book *History and Class Consciousness* This should be an indispensable book for all those who seek a clear comprehensible introduction to the writings of one of the most influential Marxist thinkers of our time The A to Z of Marxism David Walker, Daniel Gray, 2009-08-13 Marxism one of the few philosophies that turned into an effective movement not so long ago was the official ideology in one form or another of much of humanity It was promulgated initially by the Soviet Union then imposed on much of Central and Eastern Europe later emerged in the People's Republic of China and gradually spread to other parts of Asia and even bits of Africa and Latin America Although declining in its initial popularity it still remains strong in several countries and is supported by numerous communist and other parties and countless individuals around the world The A to Z of Marxism covers the history of Marxism and all its thinkers and schools of thought in a comprehensive manner This is done through a chronology an introductory essay a bibliography and hundreds of cross reference dictionary entries on basic terms and concepts significant thinkers and doers and also the parties and countries that followed it **History and Will** Frederic E. Wakeman, 1973 History and Will Frederic Wakeman, 2021-05-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973 Marxism and Art Maynard Solomon, 1979 *Marxism and Art* is a book of basic readings in Marxist criticism and aesthetics Maynard Solomon through his selections and critical introductions shows connections between the arts and society between imagination and history and between art and revolution He selects from thirty six authors to reveal the range of opinion from dogma to heresy beginning with excerpts from the works of Marx and Engels that are pertinent to an understanding of Marxist philosophy The book traverses a wide range of subjects from the origins of art to the nature of creativity the aesthetic experience the dialectics of consciousness the psychology of art and the evolution of art forms The sources of art in ritual in the labor process in the play drive and in social conflict are explored *Materializing Queer Desire* Elisa Glick, 2010-03-30 How did the queer subject come to occupy such a central and in many respects contradictory place in the modern world of the early twentieth century What role has capitalism played in the development of modern gay and lesbian identities *Materializing Queer Desire* focuses on the figure of the dandy to explore how and why gay and lesbian subjects became heroes of modern

life Elisa Glick argues that the gay subject emerged out of the specifically modern capitalist contradiction between the public world of production and industry and the private world of consumption and pleasure Boldly bringing modernism into dialogue with Marxist and queer theory Glick offers an innovative materialist account of modern queer consciousness that challenges tendencies to oppose private eroticism and the systems of value that govern public interests In the process she illuminates the connections between aesthetic sexual and social formations in modern life between modernity s disruptive queer desires and their unfolding in an increasingly rationalized society

Karl Mannheim and the Contemporary Sociology of Knowledge Brian Longhurst,1989-01-16 **Marxism and Totality** Martin Jay,1984 Totality has been an abiding concern from the first generation of Western Marxists most notably Luk cs Korsch Gramsci and Bloch through the second exemplified by the Frankfurt School Lefebvre Goldmann Sartre Merleau Ponty and Della Volpe up to the most recent typified by Althusser Colletti and Habermas Yet no consensus has been reached concerning the term s multiple meanings expressive decentered longitudinal latitudinal normative or its implications for other theoretical and practical matters By closely following the adventures of this troublesome but central concept Marxism Totality offers an unconventional account of the history of Western Marxism

Africana Critical Theory Reiland Rabaka,2009-01-16 Building on and going far beyond W E B Du Bois and the Problems of the Twenty First Century and Du Bois s Dialectics Reiland Rabaka s Africana Critical Theory innovatively identifies and analyzes continental and diasporan African contributions to classical and contemporary critical theory This book represents a climatic critical theoretical clincher that cogently demonstrates how Du Bois s rarely discussed dialectical thought interdisciplinarity intellectual history making radical political activism and world historical multiple liberation movement leadership helped to inaugurate a distinct Africana tradition of critical theory With chapters on W E B Du Bois C L R James Negritude Aime Cesaire and Leopold Senghor Frantz Fanon and Amilcar Cabral Africana Critical Theory endeavors to accessibly offer contemporary critical theorists an intellectual archaeology of the Africana tradition of critical theory and a much needed dialectical deconstruction and reconstruction of black radical politics These six seminal figures collective thought and texts clearly cuts across several disciplines and therefore closes the chasm between Africana Studies and critical theory constantly demanding that intellectuals not simply think deep thoughts develop new theories and theoretically support radical politics but be and constantly become political activists social organizers and cultural workers that is folk the Italian critical theorist Antonio Gramsci referred to as organic intellectuals In this sense then the series of studies gathered in Africana Critical Theory contribute not only to African Studies African American Studies Caribbean Studies Cultural Studies Gender Studies and Postcolonial Studies but also to contemporary critical theoretical discourse across an amazingly wide range of traditional disciplines and radical political activism outside of and in many instances absolutely against Europe s ivory towers and the absurdities of the American academe

The Critique of Instrumental Reason from Weber to Habermas Darrow Schecter,2010-05-20 **The Routledge Dictionary of**

Twentieth-Century Political Thinkers Robert Benewick, 2002-09-11 This edition has been revised and extended to include eleven new entries on Berlin Chomsky Derrida Rorty and many others Key features of this unique guide include 170 entries from 96 contributors many of whom are leading authorities in their field alphabetically arranged entries which include brief biographies outlines of major ideas and suggestions for further reading coverage of Western and Third World political theorists as well as those who have influenced new movements based on the issues of ethnicity gender and ecology a thematically organised index

Sociological Paradigms and Organisational Analysis Gibson Burrell, Gareth Morgan, 2017-03-02 The authors argue in this book that social theory can usefully be conceived in terms of four broad paradigms based upon different sets of meta theoretical assumptions with regard to the nature of social science and the nature of society The four paradigms Functionalist Interpretive Radical Humanist and Radical Structuralist derive from quite distinct intellectual traditions and present four mutually exclusive views of the social work Each stands in its own right and generates its own distinctive approach to the analysis of social life The authors provide extensive reviews of the four paradigms tracing the evolution and inter relationships between the various sociological schools of thought within each They then proceed to relate theories of organisation to this wider background This book covers a great range of intellectual territory It makes a number of important contributions to our understanding of sociology and organisational analysis and will prove an invaluable guide to theorists researchers and students in a variety of social science disciplines It stands as a discourse in social theory drawing upon the general area of organisation studies industrial sociology organisation theory organisational psychology and industrial relations as a means of illustrating more general sociological themes In addition to reviewing and evaluating existing work it provides a framework for appraising future developments in the area of organisational analysis and suggests the form which some of these developments are likely to take

Columbia Dictionary of Modern European Literature Jean Albert Bédé, William Benbow Edgerton, 1980 With more than 1800 critical entries on the writers and literatures of 33 languages this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant garde and existentialist movement to Barthes Blanchot Breton and continental thought pertinent today

The Dematerialisation of Karl Marx Leonard Jackson, 2014-07-22 This volume constitutes both an attack on modern left wing literary theory the main product of the last Marxist renaissance in the past thirty years and a defence of the one element of Marxism which in the general collapse modern theorists have been happiest to lose its economic materialism It traces Marxist theory from its beginnings in Hegelian idealism to its end in Althusser's structuralism and concludes that while Marxist economics will not work and the type of revolution prophesied was fantasy the principle of historical materialism remains intact and defensible This will be a key text in literary and cultural studies as well as being of interest to students on philosophy and sociology courses

Permanent Exiles Martin Jay, 1986 Charts the flight of some of this century's most important thinkers from Nazi

Germany to the United States Jay explores the theories of The Frankfurt School among them the work of Theodor Adorno Leo Lowenthal and Herbert Marcuse as well such as George Lichtheim Hannah Arendt and Henry Pachter *Social Theory as Science (Routledge Revivals)* Russell Keat, John Urry, 2011-01-31 This book written by a philosopher interested in the problems of social science and scientific method and a sociologist interested in the philosophy of science presents a novel conception of how we should think about and carry out the scientific study of social life This book combines an evaluation of different conceptions of the nature of science with an examination of important sociological theorists and frameworks This second edition of the work was originally published in 1982 **Dictionary of Twentieth-Century British Philosophers** Stuart Brown, Hugh Terence Bredin, 2005-08-01 No Marketing Blurb

Georg Lukacs The Man His Work His Idea Introduction

In the digital age, access to information has become easier than ever before. The ability to download Georg Lukacs The Man His Work His Idea has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Georg Lukacs The Man His Work His Idea has opened up a world of possibilities. Downloading Georg Lukacs The Man His Work His Idea provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Georg Lukacs The Man His Work His Idea has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Georg Lukacs The Man His Work His Idea. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Georg Lukacs The Man His Work His Idea. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Georg Lukacs The Man His Work His Idea, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Georg Lukacs The Man His Work His Idea has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical

downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Georg Lukacs The Man His Work His Idea Books

1. Where can I buy Georg Lukacs The Man His Work His Idea books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
